

SUSTAINABLE DEVELOPMENT: TOWARD A BETTER FUTURE

In line with its commitment to sustainable development and responsible corporate citizenship, Haus Talk, Inc. implemented a Tree Planting Initiative in 2023 at Sitio Binayouo, Barangay San Jose, Antipolo City.

The activity formed part of the Company's Corporate Social Responsibility (CSR) program, aimed at contributing to environmental conservation and supporting local government initiatives for ecological protection. Employees of Haus Talk, Inc. actively participated in the planting of tree seedlings, reinforcing the organization's shared responsibility toward environmental preservation.

The initiative was conducted in coordination with the City Government of Antipolo, underscoring the Company's collaboration with local stakeholders in advancing sustainability and community development objectives.

Through this program, Haus Talk, Inc. reaffirms its commitment to integrating environmental stewardship into its operations and corporate values, contributing to the long-term sustainability of the communities it serves.
