

ESG Initiatives by Haus Talk, Inc

Empowering Education: 50 Laptops Donated in Biñan, Laguna

On February 18, 2025, HausTalk, Inc. donated 50 laptops to the City of Biñan, Laguna. This initiative supports students and local schools by providing digital tools to enhance learning, promote technology access, and reduce the digital divide. Our commitment to education reflects our mission to invest in communities and empower the next generation.

Greener Tomorrow: Tree Planting in Brgy. Dela Paz, Biñan, Laguna

Our team participated in a tree planting activity in Brgy. Dela Paz, Biñan, Laguna. This initiative is part of our environmental responsibility program, aiming to combat climate change, improve air quality, and foster biodiversity. Together with the community, we planted trees to ensure a healthier and greener environment for future generations.

HausTalk, Inc. ESG Commitment

At HausTalk, Inc., we strive to create positive social and environmental impact. From supporting education to protecting the environment, our ESG initiatives reflect our dedication to building sustainable communities while inspiring others to join us in making a difference.
