Payments

A Full-Featured Payments Solution Available within the ResMan Platform

Reduce friction for applicants and residents and streamline back-office processes with this fully-integrated, cost-predictable solution for receiving and managing applicant and resident payments and refunds.

ResMan Payments includes:

Easy Online Lease Payments — Applicants and residents pay using their preferred method through an experience that takes place completely within the ResMan platform or ResMan Resident App

Single System of Record — Payments are completely processed within the ResMan platform, eliminating risk and ensuring more accurate and timely reconciliation and reporting

Cost-Predictable Subscription Pricing — The Payments solution becomes part of your monthly subscription, with service fees set to minimize complexity for you and your residents

Aligned with Industry Standards — The solution supports most payment methods, includes standard and expedited funding options and meets the maximum level of security and compliance

Available Digital Payouts Add-On — Organizations that prefer to issue refunds to applicants and residents digitally can opt for this transaction-based add-on payments solution
