If Service Provider breaches this warranty, then Customer's sole and exclusive remedy, and Service Provider's entire liability, is for Service Provider to correct or work around the non-conformity within a reasonable period of time (not less than 60 days) after its receipt during the Term of written notice from Customer containing a detailed description of the alleged breach. If Service Provider is unable to correct or work around the non-conformity as warranted, then Customer may terminate the affected Services and Service Provider will refund any prepaid fees for such Services for the period covering the remainder of the Term after the effective date of termination. This Section sets forth Customer's exclusive rights and remedies (and the sole liability of Service Provider) in

connection with any defect or other failure of the Services to perform in accordance with the documentation and specifications.

- c) **DISCLAIMER OF WARRANTIES.** THE SERVICES AND ALL PARTS THEREOF ARE PROVIDED 'AS IS', 'WITH ALL FAULTS', AND 'AS AVAILABLE'. EXCEPT FOR THE WARRANTIES EXPRESSLY STATED IN THE AGREEMENT, THE SERVICE PROVIDER PARTIES MAKES NO REPRESENTATIONS, WARRANTIES OR AGREEMENTS WITH RESPECT TO THE SERVICES, PROFESSIONAL SERVICES, OR OTHERWISE IN CONNECTION WITH THE AGREEMENT, AND THE SERVICE PROVIDER PARTIES SPECIFICALLY DISCLAIMS AND EXCLUDES, TO THE MAXIMUM EXTENT PERMITTED BY APPLICABLE LAW, ANY AND ALL WARRANTIES OF ANY KIND, INCLUDING, WITHOUT LIMITATION, WARRANTIES ARISING UNDER STATUTE, WARRANTIES OF MERCHANTABILITY, ACCURACY, TITLE, NON-INFRINGEMENT AND FITNESS FOR A PARTICULAR PURPOSE, OR ANY WARRANTIES ARISING FROM USAGE OR TRADE, COURSE OF DEALING OR COURSE OF PERFORMANCE. SERVICE PROVIDER SPECIFICALLY DOES NOT WARRANT THAT THE SERVICES WILL MEET THE REQUIREMENTS OF CUSTOMER OR THAT THEY WILL BE ACCURATE OR OPERATE WITHOUT INTERRUPTION OR ERROR. SERVICE PROVIDER MAKES NO REPRESENTATIONS OR WARRANTIES REGARDING, WITHOUT LIMITATION, THE SECURITY, INTEGRITY, EFFICIENCY OR CAPABILITIES OF THE SERVICES AND CUSTOMER ACKNOWLEDGES THAT CUSTOMER IS SOLELY RESPONSIBLE FOR ALL DECISIONS IT MAKES WITH REGARDS TO OPERATION OF ITS BUSINESS AND OPERATIONS, INCLUDING DECISIONS IT MAKES USING THE SERVICES. SERVICE PROVIDER IS NOT RESPONSIBLE FOR ANY CUSTOMER DATA OR OTHER CONTENT PROVIDED BY CUSTOMER THROUGH THE SERVICES. CUSTOMER ACKNOWLEDGES THAT IN ENTERING INTO THE AGREEMENT IT HAS NOT RELIED ON ANY PROMISE, REPRESENTATION OR WARRANTY NOT EXPRESSLY SET FORTH HEREIN.
- d) **LIMITATION OF LIABILITY.** THE CUMULATIVE, AGGREGATE LIABILITY OF SERVICE PROVIDER AND ITS AFFILIATES AND THEIR RESPECTIVE OFFICERS, DIRECTORS, EMPLOYEES AND THIRD PARTY SUPPLIERS (COLLECTIVELY, THE "**SERVICE PROVIDER PARTIES**") TO CUSTOMER FOR ALL CLAIMS ARISING OUT OF OR RELATED TO THE AGREEMENT AND ALL ORDER FORMS HEREUNDER WILL NOT EXCEED THE AMOUNTS PAID OR PAYABLE BY CUSTOMER TO SERVICE PROVIDER HEREUNDER FOR THE TWELVE-MONTH PERIOD IMMEDIATELY PRIOR TO THE EVENT GIVING RISE TO THE CLAIM. NOTWITHSTANDING THE FOREGOING, UNDER NO CIRCUMSTANCES WILL ANY OF THE SERVICE PROVIDER PARTIES BE LIABLE FOR LOST PROFITS HOWSOEVER ARISING OR FOR ANY INDIRECT, INCIDENTAL, PUNITIVE, EXEMPLARY, SPECIAL OR CONSEQUENTIAL DAMAGES, INCLUDING, WITHOUT LIMITATION, ANY SUCH DAMAGES ARISING OUT OF, BASED ON, RESULTING FROM OR IN CONNECTION WITH THIS AGREEMENT OR ANY USE OF THE SERVICES, EVEN IF SERVICE PROVIDER HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES.

8) **CONFIDENTIAL INFORMATION.**

- a) **Definition; Exclusions.** As used in the Agreement, the term "**Confidential Information**" means all confidential or proprietary information belonging to either Party hereto (the "**Disclosing Party**") and disclosed or made available to the other Party (the "**Receiving Party**"), whether orally, in writing, by computer memory or other media, that is designated as confidential or that reasonably should be understood to be confidential given the nature of the information and the circumstances of disclosure. "Confidential Information" does not include information that the Receiving Party can document: (i) is or becomes (through no improper action or inaction by the Receiving Party or any Affiliate, agent, consultant or employee) generally available to the public; (ii) was in its possession or properly known by it, without restriction, prior to receipt from the Disclosing Party; (iii) was rightfully disclosed to it by a third party without restriction; or (iv) is independently developed by the Receiving Party subsequent

The term "**Representatives**" of a Party means any and all officers, directors, employees, consultants, contractors, agents, attorneys, accountants, financial advisors, and other representatives of such Party.

- b) **Restrictions on Use.** The Receiving Party agrees not to use any Confidential Information of the Disclosing Party for any purpose whatsoever except to the extent necessary in order to perform its obligations or exercise its rights under the Agreement.
- c) **Disclosure.** The Receiving Party shall: (i) hold the Disclosing Party's Confidential Information in strict confidence and treat such Confidential Information with at least the degree of care that it treats its own similar information but no less than a reasonable degree of care; and (ii) not disclose such Confidential Information to any other person or entity or to any of its Representatives except Representatives who are required to have Confidential Information in connection with such purpose, and then only such Representatives who have signed confidentiality agreements with the Receiving Party or that are subject to professional duties of confidentiality that are no less stringent than those contained herein. Notwithstanding the foregoing, the Receiving Party may disclose Confidential Information to a court or other governmental authority to the extent that such disclosure is required by governmental order, subpoena, or by law, provided that: (a) the Receiving Party notifies the Disclosing Party in writing of such required disclosure as soon as reasonably possible prior to such disclosure and in any event at least five (5) business days prior to such disclosure, specifying in detail the reasons why such disclosure is required; (b) the Receiving Party discloses only that portion of the Confidential Information that it is advised by its counsel that it is legally compelled to disclose; (c) the Receiving Party uses commercially reasonable efforts to cause such disclosed Confidential Information to be treated by such governmental authority as trade secrets and as confidential; and (d) the Receiving Party uses commercially reasonable efforts to obtain such other protective orders and protections with respect thereto as the Disclosing Party may reasonably request.

9) INDEMNIFICATION.

- a) **By Service Provider.** Except to the extent Customer is responsible for indemnifying Service Provider under Sections 9(b) or 9(c) and subject to the limitations set forth in Section 7 ("Warranties and Disclaimer of Warranties; Limitation of Liabilities"), Service Provider shall defend, indemnify and hold harmless Customer and its officers, directors, employees and agents against any third party claims, suits or actions (a "**Claim**") to the extent arising from an assertion that the Services provided by Service Provider, when used as permitted in the Agreement and in accordance with the applicable documentation, infringe any patent, copyright, trademark, trade secret, or other Intellectual Property Right of a third party, provided that Customer: (i) promptly informs and furnishes Service Provider with a copy of such Claim; (ii) gives Service Provider all relevant evidence in Customer's possession, custody or control; and (iii) gives Service Provider reasonable assistance in such Claim, at Service Provider's expense, and the sole control of the defense thereof and all negotiations for its compromise or settlement, provided that Service Provider shall not compromise or settle any such Claim unless Customer is unconditionally released from all liability. Output is expressly excluded from the definition of Services for purposes of this Section 9(a).
- b) **By Customer.** Customer shall defend, indemnify and hold harmless Service Provider and its officers, directors, employees and agents and licensors and third party suppliers (collectively, the "**Service Provider Indemnified Parties**") against any and all Claims arising from or related, directly or indirectly, to: (a) Customer's use of the Services in violation of the terms of this Agreement; (b) Customer's negligence, willful misconduct or bad faith (c) allegations that Customer Data, Third Party Materials, or Customer's use of the Services in breach of the Agreement infringes any patent, copyright, trademark, trade secret, or other Intellectual Property Right of a third party or violates any applicable local, state, federal and (if applicable) international laws, regulations and directives; or (d) Customer's failure to comply with the terms of use of any third party application or service provider used by Customer in conjunction with the Services, provided that Service Provider: (i) promptly informs and furnishes Customer with a copy of such Claim; (ii) gives Customer all relevant evidence in Service Provider's possession, custody or control; and (iii) gives Customer reasonable assistance in such Claim, at Customer's expense, and the sole control of the defense thereof and all negotiations for its compromise or settlement, provided that Customer shall not compromise or settle any such Claim unless Service Provider is unconditionally released from all liability.
- c) **Additional Indemnity by Customer.** If Customer is not the Property Owner but instead is the agent

of the Property Owner, Customer shall also defend, indemnify and hold harmless Service Provider and the Service Provider Indemnified Parties against any and all Claims arising from or related, directly or indirectly, to any misrepresentation regarding the existence and scope of Customer's agency relationship with the Property Owner.

- d) **Mitigation.** If Service Provider becomes aware of, or anticipates, a Claim subject to indemnification under Section 9(a), Service Provider, may, at its option (a) modify the Service that is the subject of the Claim so that it becomes non-infringing, or substitute functionally equivalent products; (b) obtain a license to the third-party intellectual property rights giving rise to the Claim; or (c) terminate the affected Order Form(s) on written notice to Customer and refund to Customer any pre-paid but unused fees.
- e) **Limited Remedy.** Sections 9(a) and 9(d) state Service Provider's sole and exclusive liability, and Customer's sole and exclusive remedy, for the actual or alleged infringement or misappropriation of any third-party intellectual property right by the Services.

10) GENERAL PROVISIONS.

- a) **Independent Contractors.** The relationship between Service Provider and Customer has been and will continue to be that of independent contractors. Neither Party is the legal representative, agent, joint venturer, partner, employee, or employer of the other Party under the Agreement for any purpose whatsoever. Neither Party has any right, power, or authority under the Agreement to assume or create any obligation of any kind or to make any representation or warranty on behalf of the other Party, whether expressed or implied, or to bind the other Party in any respect.
- b) **Attorneys' Fees.** The prevailing party in any action or proceeding to enforce the Agreement, including any efforts to collect amounts due under the Agreement by engagement of any attorney, collection agency or otherwise, is entitled to recover from the other party its costs and attorneys' fees in addition to any damages available to such party.
- c) **Specific Performance.** Customer acknowledges that a breach of the Agreement by Customer cannot be adequately compensated for by money damages and agrees that specific performance is an appropriate remedy for any breach or threatened breach hereof. Customer acknowledges that compliance with the provisions of the Agreement is necessary in order to protect the proprietary rights of Service Provider. Customer further acknowledges that any unauthorized use or disclosure of Confidential Information of Service Provider to any third party in breach of the Agreement will result in irreparable and continuing damage to Service Provider. Accordingly, Customer hereby: (i) consents to the issuance of any injunctive relief or the enforcement of other equitable remedies against it at the suit of Service Provider, without bond or other security, to compel performance of any of the terms of the Agreement; and (ii) waives any defenses thereto, including, without limitation, the defenses of failure of consideration, breach of any other provision of the Agreement, and availability of relief in damages.
- d) **Remedies Cumulative.** Except as otherwise set forth in the Agreement and subject to the terms of the Agreement, including Section 7(c) ("Limitation of Liability"), all remedies, whether under the Agreement, provided by law, or otherwise, are cumulative and not alternative, may be exercised concurrently or separately, and the exercise of any one remedy will not be deemed an election of such remedy to the exclusion of the other remedies.
- e) **Entire Agreement.** The Agreement, any Order Forms hereunder and any other documents expressly incorporated by reference herein constitute the entire agreement between the Parties with respect to the subject matter hereof. Where applicable, this Agreement incorporates by reference the website Terms of Service/Use (the "Website Terms of Use") available online for each applicable Service provided under this Agreement. The Agreement supersedes all prior written or oral agreements, communications, and understandings between the Parties with respect to the subject matter hereof. The Agreement is executed in English and no translation of the Agreement will have any effect on the interpretation hereof. In the event of any conflict or inconsistency between the Agreement, any Order Form and/or the Website Terms of Use (if applicable), then the Agreement controls and governs over such Order Form (unless such Order Form expressly states that it is amending a specific provision of the Agreement, in which case such Order Form controls and governs over such specific provision) and the Website Terms of Use.
- f) **Terms and Conditions Version; Modification.** The version of these Terms and Conditions effective as of the time of the Parties' full execution of the Agreement shall be attached to, incorporated into and govern the Agreement. Except as otherwise expressly provided herein, the Agreement may not

be amended, modified or superseded, nor may any of its terms or conditions be waived, unless expressly agreed to in writing by all Parties. Notwithstanding the foregoing, Customer agrees to comply with the Submerchant Agreement provided on the Order Form (if Aptexx Services is selected on the Order Form) and the Website Terms of Use and to regularly review such terms for updates and changes, which may be modified by Service Provider at any time in its sole discretion. Unless otherwise set forth in an Order Form, any additional Order Form will incorporate the terms and conditions of the Agreement.

- g) **Waiver.** No waiver of any provision of the Agreement is effective unless in writing and signed by the Party against whom such waiver is sought to be enforced. No failure or delay by either Party in exercising any right, power, or remedy under the Agreement will operate as a waiver of any such right, power, or remedy. The expressed waiver of any right or default hereunder will be effective only in the instance given and will not operate as or imply a waiver of any similar right or default on any subsequent occasion.
- h) **Notices.** All notices given hereunder will be in writing and personally mailed by registered or certified mail, return receipt requested, or delivered by a well-recognized overnight courier company. If such notice is being delivered to Customer, such notice shall be delivered to Customer's physical address specified on the Order Form or to such other address as Customer may specify, and if being delivered to Service Provider, shall be delivered to the applicable Service Provider (set forth in Section 10(p)) at 2035 Lakeside Centre Way Suite #250, Knoxville, TN 37922, Attention: Legal Department, or to the email address or such other address as Service Provider may specify. All notices will be deemed given if delivered personally, on the day of delivery, if mailed by registered or certified mail, three (3) business days after the date of mailing, if delivered by a well-recognized overnight courier company, one (1) day after dispatch, and if delivered by overnight international mail, four (4) business days after mailing. Customer agrees that Service Provider may include notices on invoices sent to Customer by regular mail or email.
- i) **Governing Law, Jurisdiction, and Venue.** The Agreement (and the right and obligations of the Parties with respect to their relationship under the Agreement) are governed by and must be construed and enforced in accordance with the laws of the State of Tennessee, excluding its conflict of laws rules to the extent such rules would apply the law of another jurisdiction. The Parties hereto consent to the jurisdiction of all federal and state courts in Tennessee, and agree that venue lies exclusively in Knox County, Tennessee. The Parties understand and agree that Service Provider cannot provide legal advice as part of the Services.
- j) **Construction.** If any provision of the Agreement is for any reason held to be invalid, illegal, or unenforceable under applicable law in any respect, then: (i) such invalidity, illegality, or unenforceability will not affect the other provisions of the Agreement; (ii) the Agreement will be construed as if such invalid, illegal, or unenforceable provision were excluded from the Agreement; and (iii) the court in its discretion may substitute for the excluded provision an enforceable provision which in economic substance reasonably approximates the excluded provision. If any provision of the Agreement is for any reason held to be excessively broad as to duration, geographical scope, activity, or subject, then such provision will be construed by limiting and reducing it so as to be enforceable to the extent compatible with the then-applicable law. However, if any material limitation or restriction on the use of a Service under the Agreement is found to be illegal, unenforceable, or invalid, at Service Provider's option, Customer's right to use the applicable Services will immediately terminate.
- k) **Assignment; Successors and Assigns.** Customer shall not transfer or assign the Agreement or any rights or obligations under the Agreement (whether by operation of law or otherwise) or delegate any duties under the Agreement without the prior written consent of Service Provider, which consent may be withheld in its sole discretion, and any purported attempt to do so in violation of this Section will be null and void. Subject to the foregoing, the Agreement is binding upon and inures to the benefit of the Parties hereto and their respective successors and permitted assigns.
- l) **Export.** Customer will comply with all applicable export and import laws, rules, and regulations in connection with Customer's activities under the Agreement. Customer acknowledges that it is Customer's responsibility to obtain any required licenses to export and re-export Services. The Services, including technical data, are subject to U.S. export control laws, including the U.S. Export Administration Act and its associated regulations, and may be subject to export or import regulations in other countries. Customer represents and warrants that the Services are not being and will not be acquired for, shipped, transferred, or re-exported, directly or indirectly, to proscribed or embargoed countries or their nationals and persons on the Table of Denial Orders, the Entity List or the List of

Specifically Designated Nationals, unless specifically authorized by the U.S. Government for those purposes.

- m) **Force Majeure.** If by reason of labor disputes, strikes, lockouts, riots, war, inability to obtain labor or materials, earthquake, fire or other action of the elements, acts of God, accidents, viral outbreak or disease, Internet service provider failures or delays, governmental restrictions, appropriations or other causes beyond the reasonable control of a party hereto (each, a “**Force Majeure Event**”), either Party is unable to perform in whole or in part its obligations as set forth in the Agreement, excluding any obligations to make payments hereunder, then such Party will be relieved of those obligations to the extent it is so unable to perform and such inability to perform will not make such party liable to the other party. Neither Party will be liable for any losses, injury, delay or damages suffered or incurred by the other party due to a Force Majeure Event.
- n) **Counterparts.** Each Order Form may be executed in any number of counterparts, each of which is deemed an original, and all of which together constitute one and the same instrument. The Parties agree that a facsimile, pdf of a signed counterpart, or the use of an electronic signature service is as effective and has the same force and effect as the original thereof.
- o) **Artificial Intelligence.** The Services may include artificial intelligence (“**AI**”), which refers to machine-based systems (or feature thereof), that is designed to operate with varying levels of autonomy, that may exhibit adaptiveness after deployment, and that can, for a given set of objectives, generate outputs such as predictions, recommendations, or decisions influencing real or virtual environments. Such AI-enabled Services or features thereof (“**AI Services**”) may be provided by Service Provider or a third-party AI Provider. Customer agrees and acknowledges that Service Provider may use such AI Services in its own product or service development and provision of services provided such use complies with law and its confidentiality obligations under this Agreement. Customer and its Users may provide Customer Data input to the AI Services (“**Input**”), and receive output from the AI Services based on the Input (“**Output**”). To the extent the Customer elects to use any AI Services, the additional terms and conditions stated at Appendix 1 shall apply.
- p) **Personal Information.** From time to time during the term of the Agreement, either party may handle or process (which may include but is not limited to activities such as collection, use, and storage) information that directly or indirectly identifies, relates to, describes, is capable of being associated with, or could reasonably be linked with an identified or identifiable individual personal information. The parties shall assess and comply with their obligations related to their respective handling or processing of personal information under applicable laws.
- q) **Service Provider.** Customer acknowledges and agrees that the applicable Service(s) Customer selects on the Order Form is being provided by the particular entity as set forth in the table below (each a “**Service Provider**”). The parties acknowledge and agree that (i) Western Reporting, Inc. and each of the Service Providers are each Affiliates and (ii) Western Reporting, Inc. is duly authorized to enter into the Agreement on behalf of the other Service Providers. Customer further acknowledges and agrees that the Service Provider identified via the Services listed on the Order Form is the entity providing such Services under this Agreement; each Service Provider shall be singularly and severally liable for the applicable Services it provides under the Agreement. For the avoidance of doubt, Customer may only make a claim against the particular Service Provider providing the Services under which such claim arose, including, but not limited to, indemnification claims.

Appendix 1 Additional Terms and Conditions for AI-Enabled Features

The AI Services and Outputs are part of the “Services” for purposes of this Agreement, and all terms and conditions, including without limitation, limitations and exclusions of liability applicable to the Services apply equally to the AI Services and Outputs, in addition to the terms expressly provided in this Section.

1. **Use Restrictions.** Without limiting any other use restrictions in the Agreement, Customer shall not, and shall not permit any third party under its control to: (a) use the AI Services, including any Inputs or Outputs to develop, train, fine-tune, derive from, or otherwise improve any Customer or third-party AI models or AI systems; (b) attempt model extraction or discovery of weights, parameters, or system prompts; (c) interfere with, bypass, or circumvent any AI-related features, rate limits, usage caps, or access controls; (d) remove, alter, or suppress any notices or indicators that content is AI-generated; or (e) use the Services to create or generate an Output, or use an Output in a manner, that infringes, misappropriates, or otherwise violates any intellectual property right or other rights of any person, or that violates any stated applicable use policy, or applicable law, regulation, or rule.

2. **Training.** To the extent permitted by applicable law, Customer acknowledges that Service Provider may retain and continue to use, on a perpetual and irrevocable basis, any model parameters and derived learnings that are not capable of being used to identify Customer, its users, or any individual, including after expiration or termination of this Agreement, for the purpose of operating, maintaining, and improving Service Provider’s AI models and services.

3. **Customer Responsibilities.** Customer is solely responsible for: (a) determining whether and how to use the AI Services and Outputs in its environment and workflows; (b) reviewing, validating, and approving any Outputs prior to relying on them for business decisions, external communications, or other consequential uses; and (c) configuring any AI-related transparency, watermarking, or denotation before using Output as necessary to meet Customer’s legal, regulatory, and policy requirements. Customer acknowledges that the AI Services may generate Outputs that are probabilistic in nature and may be inaccurate, incomplete, biased, or otherwise unsuitable for Customer’s intended use, and Customer will use reasonable efforts to review such Outputs for accuracy and appropriateness. CUSTOMER SHALL NOT USE THE AI SERVICES FOR AUTOMATED DECISION-MAKING THAT HAS LEGAL OR SIMILARLY SIGNIFICANT EFFECTS ON INDIVIDUALS, UNLESS IT DOES SO IN COMPLIANCE WITH LAWS, OR USE THE AI SERVICES FOR PURPOSES OR WITH EFFECTS THAT ARE DISCRIMINATORY, HARASSING, HARMFUL OR UNETHICAL.

4. **ADDITIONAL DISCLAIMER.** IN ADDITION TO THE GENERAL DISCLAIMER SET FORTH IN THE TERMS AND CONDITIONS, CUSTOMER ACKNOWLEDGES THAT ANY OUTPUTS GENERATED BY AI SERVICES MAY BE THE SAME AS OR SIMILAR TO OUTPUTS THE SERVICES GENERATE FOR OTHER CUSTOMERS, MISLEADING, INACCURATE, INCOMPLETE, UNTIMELY, OR OTHERWISE UNRELIABLE. AI OUTPUTS DO NOT CONSTITUTE PROFESSIONAL ADVICE AND SHALL NOT BE RELIED UPON AS A SUBSTITUTE FOR INDEPENDENT JUDGMENT. CUSTOMER AGREES THAT ITS USE OF ANY AI-GENERATED OUTPUTS IS AT CUSTOMER’S SOLE RISK, AND CUSTOMER SHALL INDEPENDENTLY VALIDATE AND APPROPRIATELY REVIEW ALL SUCH OUTPUTS THROUGH QUALIFIED PERSONNEL BEFORE RELYING ON THEM FOR ANY DECISION-MAKING OR OTHER BUSINESS PURPOSE. OUTPUTS ARE GENERATED THROUGH MACHINE LEARNING PROCESSES AND ARE NOT TESTED, VERIFIED, ENDORSED OR GUARANTEED TO BE ACCURATE, COMPLETE OR CURRENT BY SERVICE PROVIDER. CUSTOMER SHOULD INDEPENDENTLY REVIEW AND VERIFY ALL OUTPUTS AS TO APPROPRIATENESS FOR ANY OR ALL CUSTOMER USE CASES OR APPLICATIONS.

5. **OUTPUT.** Service Provider will implement and maintain necessary technical and organizational measures designed to reduce the likelihood that the AI Services generate Outputs that are discriminatory, harassing, harmful or otherwise unlawful, and will not knowingly configure the AI Services to generate such Outputs. Upon written notice from Customer identifying specific Outputs that are discriminatory, harassing, harmful or unlawful, Service Provider will use commercially reasonable efforts to investigate and, where appropriate, adjust safety controls to mitigate recurrence.

6. **Modification; Suspension.** Notwithstanding anything to the contrary in the Agreement, Service Provider reserves the right to modify, update, restrict, replace, or discontinue any AI-enabled components of the Services at any time, in its sole discretion or as necessary to comply with applicable law. Service Provider may suspend Customer's access to any portion or all of the AI Services if: (a) Service Provider reasonably believes or determines that (i) there is a risk to or attack on any of the AI Services; (ii) Customer or any User is using the AI Services in violation of the Agreement; or (iii) Service Provider's provision of the AI Services to Customer is prohibited by applicable law or would result in a material increase in the cost of providing the AI Services; or (b) any vendor suspends or terminates Service Provider's use of any third-party AI Services or products required to enable Customer to access the AI Services.

7. **Indemnification.** Customer shall defend, indemnify and hold harmless the Service Provider Indemnified Parties against any and all Claims arising from or related, directly or indirectly: (a) Customer's use or misuse of any AI Services; (b) Customer's use, reliance on, or failure to independently validate, any Outputs; (c) any Input submitted by or on behalf of Customer into any AI Services; (d) Customer's failure to provide any required notices, consents, or authorizations associated with such use; or (e) Customer's violation of any applicable law, regulation, or third-party rights in connection with its use of AI Services. Exhibit A
Additional Terms and Conditions for Payments Services

The following terms ("**Payment Service Terms**") apply to the use of the Service Provider Payments payment processing service ("**Payment Services**") offered in conjunction with the Agreement. These Payment Service Terms only apply to Customers who have selected and been approved for Service Provider Payments as an applicable service on the applicable Order Form accepted by Service Provider.

The Payment Service Terms only apply to Customer's use of Service Provider Payments. Capitalized words which are used in the Payment Service Terms, but not defined in the Payment Service Terms, have the meaning given to such words in the Agreement. In the event of any conflict between these Payment Service Terms and the Agreement, these Payment Service Terms will apply as to the specific Payment Services and the Agreement will control for all other purposes.

- 1) **Third Party Payment Processor.** Customer acknowledges that Service Provider is not currently licensed as a merchant payment processor. Service Provider will instead serve as a data processor transmitting requests for merchant payment processing services to Service Provider's payment processing service provider or another third party selected by Service Provider and reasonably acceptable to Customer ("**Payment Processor**"). Customer will be required to enter into a separate agreement ("**Processor Agreement**") directly with the Payment Processor in order for Service Provider to transmit Customer's payment requests to the Payment Processor and for the Payment Processor to complete the payment transactions placed by Customer on Customer's behalf.
 - a) The Payment Processor and its merchant banks will determine Customer's eligibility for payment processing in accordance with their own underwriting criteria. The Payment Processor and its merchant banks must approve the transactions submitted by or on behalf of Customer. Service Provider cannot assure Customer that it or its transactions will be accepted or approved by the Payment Processor or its merchant banks.
 - b) Nothing in the Terms or these Payment Services Terms shall reduce the liability or obligations of Customer under the Processor Agreement. Service Provider may terminate the provisions of the Payment Services to Customer immediately in the event that (i) the Processor Agreement between Customer and the Payment Processor is terminated (or is not executed within a reasonable amount of time after Service Provider accepts the Order Form providing for Payment Services); (ii) the agreement between Service Provider and the Payment Processor is terminated or expires; or (iii) if any payment network or entity having jurisdiction over Payment Processor indicates that Payment Processor may no longer provide merchant services.
 - c) Service Provider will not have direct access or control of Customer's funds. Transactions will be processed through an ID established by the Payment Processor for Customer that enables Service Provider and the Payment Processor to facilitate such payments ("**Merchant ID**"). Each Merchant ID will be exclusively for a specific Customer. It is Customer's responsibility to maintain the confidentiality of Customer's login credentials. Sharing credentials or a Customer's Merchant ID for another's use is strictly prohibited.
 - d) The Payment Processor will either receive transaction settlement proceeds in a bank account that it owns and controls or the proceeds will be settled to an account of the Payment Processor's own processor; in either case, the applicable funds will then be settled to an account designated by Customer to the Payment Processor less the below Payment Services Fees, which will be retained and shared by Service Provider and the Payment Processor.
- 2) **Payment Processing Fees.** Customer agrees to pay any and all applicable fees applicable to Payment Services as set forth in the Order Form.
- 3) **Compliance with Laws and Applicable Policies.** Customer and Service Provider each agree at all times to comply with all applicable laws, rules and regulations, as well as applicable industry rules including but not limited to those of the Automated Clearing House ("**ACH**"), and card association rules. Customer agrees to comply with all applicable policies, rules and requirements of the Payment Processor and its applicable merchant banks.

- 4) **Prohibited Persons.** All of the following Persons are prohibited from using the Payment Services and Customer represents and warrants that it does not fall into any of the following classes: (i) Persons who appear on the U.S. Department of the Treasury, Office of Foreign Assets Control, Specially Designated Nationals List; (ii) Persons who are less than 18 years of age; (iii) Persons, or their Affiliates who have been previously terminated for cause under a contract with Payment Processor; and (iv) Persons who are not both domiciled and resident in the United States. "Persons" means any individual, corporation (including any not-for-profit corporation), general or limited partnership, limited liability partnership, joint venture, estate, trust, firm, company (including any limited liability company or joint stock company), association, organization, entity or governmental authority.
- 5) **Limitation of Warranty and Liability for Payment Services.** Service Provider makes no representation or warranty on behalf of the Payment Processor. Except as expressly set forth in the Agreement, the Payment Services are provided by Service Provider without representations or warranties of any kind, whether express, implied, by operation of law, or otherwise, including, without limitation, any implied or statutory warranties of merchantability or fitness for particular purpose. In no event shall Service Provider be liable for any indirect, special, punitive, incidental or consequential damages whatsoever of any kind, including without limitation, loss of profits, revenue, data or damages from loss of use or delay, arising out of or in connection with the Payment Services (however arising, under any theory including but not limited to negligence, tort, contract, strict liability or under statute), even if Service Provider has been informed in advance of the possibility of such potential claim, loss or damage. The total aggregate liability of Service Provider for damages for any action related to the Payment Services will in no event exceed the amount of the fees paid to Service Provider in connection with the particular Payment Services transaction giving rise to damages alleged.

Exhibit B
Additional Terms and Conditions for Screening Services

The following terms (“**Screening Service Terms**”) apply to the use of the Screening Services offered in conjunction with the Agreement. These Screening Service Terms only apply to Customers who have selected and been approved for Screening Services as an applicable service on the applicable Order Form accepted by Service Provider.

1. Customer certifies it will only request a consumer report when it has a permissible purpose to do so as set forth under the Fair Credit Reporting Act, 15 U.S.C. Sec 1681 et. seq and it will identify the specific permissible purpose at the time of the order.
2. If the consumer reports Customer requests from ScreeningOne are to be used for an employment purpose, Customer certifies that prior to obtaining or causing a “consumer report” to be obtained, a clear and conspicuous disclosure, in a document consisting solely of the disclosure, has been made in writing to the consumer explaining that a consumer report may be obtained for employment purposes. Such disclosure satisfies all requirements identified in the FCRA. Customer also certifies that the consumer has authorized, in writing, the obtaining of the report by Customer. If an investigative consumer report (as defined by federal law) is obtained, Customer certifies a separate disclosure will be provided. Customer certifies that it also has provided the consumer with any notices or disclosures required under applicable state and local law. Customer understands that ScreeningOne will not initiate a report for employment purposes in the absence of a written authorization.
3. Prior to taking adverse employment action based in whole or in part on the consumer reports provided by ScreeningOne, Customer will provide to the consumer: (1) a copy of the report, and (2) a description, in writing, of the rights of the consumer entitled: “A Summary of Your Rights Under the Fair Credit Reporting Act.” After the appropriate waiting period, Customer will issue to the consumer notice of the adverse action taken, including the statutorily required notices identified in Section 615 of the FCRA. Customer will not initiate the pre-adverse and adverse action notice process until ScreeningOne has completed all search components of the consumer and/or investigative consumer report, ScreeningOne has provided the complete report to Customer, and Customer has reviewed the consumer report contents.
