

FEATURE COMPARISON

Active powered by Business Fitness is a platform that automates and standardises accounting processes. We deliver practical, powerful products that automate accounting work and harness data. Active Documents will play a supporting role in this process, along with Active Workpapers and Active Ledger & Reporting on the Active Platform.

NOW AVAILABLE

RETIRING IN 2027

PURPOSE BUILT FOR ACCOUNTING FIRM WORKFLOWS	✓	✓

The system is designed to facilitate a smooth transition from HowNow to Active Documents. While the majority of documents will migrate seamlessly, adjustments to merge templates will be necessary to accommodate technological enhancements. All HowNow Smartlinks will be maintained during the migration to Active Documents.
