

I-41 PROJECT PUBLIC INVOLVEMENT MEETING

October 2025

Newly reconstructed Vandebroek Road Overpass

WELCOME!

Virtual

 **Wednesday,
October 22, 2025**
begins at 5 p.m.

In-person

 **Tuesday,
October 28, 2025**
from 5-7 p.m.

 **Fox Valley
Technical College**
D.J. Bordini Center
5 N Systems Drive
Appleton, WI

MEETING PURPOSE

The Wisconsin Department of Transportation (WisDOT) is hosting a public involvement meeting to discuss the I-41 Project from WIS 96 (Wisconsin Avenue) near Appleton to County F (Scheuring Road) in De Pere. There are two options to attend the meeting—one virtual and one in-person. The meetings will provide an overview of the work that has taken place in 2025, and construction planned for 2026 and beyond. The same information will be provided at both meetings.

WisDOT will continue to hold public involvement meetings throughout the duration of the project to keep you informed about updates and the construction schedule.

MEETING FORMAT

Today's meeting will run from 5 to 7 p.m. A presentation will begin at 5:15 p.m., followed by a question-and-answer session with WisDOT staff. Please review current design plans; project staff are available to answer questions and discuss the project. The presentation and materials shown at today's meeting are available to download after the public meetings at i41project.wisconsin.gov.

Online comment forms are available by scanning the QR code displayed at today's meeting on your smartphone. Paper comment forms can be found near the sign-in tables, and completed paper forms can be mailed to WisDOT using the postage-paid return envelopes provided at today's meeting.

U.S. Department of Transportation
Federal Highway Administration

CURRENT PROJECT STATUS

WisDOT is excited to highlight the following improvements along the I-41 Project that have been ongoing throughout 2025 and are expected to be completed by year end:

- Vandenbroek Road overpass
- Holland Road overpass
- WIS 15 interchange
- Ballard Road interchange
- County J interchange

As the I-41 Project proceeds, WisDOT will continue to meet with stakeholders in Outagamie and Brown counties to provide information on upcoming construction and traffic impacts. Utility relocations and real estate acquisitions will also continue throughout 2026 in preparation for upcoming construction.

2026 CONSTRUCTION

WisDOT is continuing work on the I-41 Project in 2026 and beyond. The map on these pages shows details of the mainline construction, as well as the planned construction schedule for one system interchange, four standard interchanges, two overpasses, and one underpass.

WIS 47/RICHMOND STREET INTERCHANGE IMPACTS BEGIN IN **SPRING 2026!**

WIS 47/Richmond Street bridge over I-41 will close in spring and the I-41 northbound and southbound ramps will close in summer.

These closures will impact pedestrian and vehicle access to the interchange.

More detailed schedule information will be available as work progresses.

For more details on **CLOSURES**, visit our website and sign up for project emails.

i41project.wisconsin.gov

1 I-41 MAINLINE: WIS 96 to Lynndale Drive
CONSTRUCTION: Construction: early 2025 to fall 2026

2 WIS 96 Interchange
CONSTRUCTION: early 2025 to fall 2026
