“

This event is so valuable for connecting with partners across the value chain and for hearing different perspectives. It is rare to have retailers, brands, NGOs, service providers, government, and farmers all in once place! The sessions are always a great learning experience and I look forward to this conference every year!

TERMS & CONDITIONS

Sustainable Agriculture Summit Sponsorship & Exhibit Participation Agreement

Sponsorship Participation

Sponsorship and exhibit opportunities are available on a first-come, first-served basis and are subject to approval by the Sustainable Agriculture Summit Organizers, listed at www.sustainableagsummit.org/about (the "Summit Organizers"). Submission of a completed and signed Sponsorship Agreement indicates the sponsor's intent to participate in the Sustainable Agriculture Summit ("Summit") and acceptance of these Terms & Conditions.

The Summit Organizers reserve the right, at their sole discretion, to decline or revoke any sponsorship or exhibit participation deemed inconsistent with the mission, values, or objectives of the Summit.

Upon receipt of the signed agreement, the Summit Organizers will issue an invoice for payment.

Payment Terms

Payment for sponsorships is due within forty-five (45) days of invoice receipt unless otherwise specified in writing.

Payments may be made by check, wire/ACH transfer, purchase order, or credit card. Sponsors choosing to pay by credit card are responsible for all applicable processing fees (currently 3.95%, subject to change).

Sponsorships secured within thirty (30) days of the Summit must be paid in full immediately by wire transfer or credit card.

Complimentary registration codes associated with sponsorship packages will be issued only after full payment and all required sponsor materials have been received.

PLEASE NOTE: Issuance of registration codes does not guarantee or reserve attendee registration spots. All registrations are subject to event capacity and availability at the time of redemption. Sponsors are encouraged to register as soon as they receive their sponsor code.

To ensure inclusion in Summit marketing materials, signage, presentations, printed collateral, and digital promotions, **all payments, logos, artwork, and required materials must be received no later than October 9, 2026.**

Failure to meet submission deadlines does not relieve the sponsor of payment obligations and may result in exclusion from certain promotional materials or benefits.

Cancellations and Refunds

All cancellation requests must be submitted in writing to the Summit Coordinator, identified below.

Sponsors canceling more than one hundred twenty (120) days prior to the Summit will receive a fifty percent (50%) refund of sponsorship fees paid. No refunds will be issued for cancellations received within one hundred twenty (120) days of the Summit.

Questions regarding cancellations should be directed to Kathy Norton, Summit Coordinator, at info@sustainableagsummit.org.

Event Changes and Force Majeure

The Sustainable Agriculture Summit is scheduled as an in-person event to be held in Fort Worth, Texas, on November 18–19, 2026.

The Summit Organizers reserve the right to cancel, postpone, relocate, modify, or convert the Summit to a virtual or hybrid format due to circumstances beyond their reasonable control, including but not limited to acts of God, natural disasters, severe weather, public health emergencies, labor disputes, venue unavailability, government regulations, terrorism, civil unrest, transportation disruptions, or any other force majeure event.

In the event of such changes, sponsors agree that the Summit Organizers shall not be liable for any resulting damages, losses, or expenses. Sponsorship benefits may be adjusted accordingly, and sponsorship fees may be applied to rescheduled or modified event opportunities at the discretion of the Summit Organizers.

Sponsor Recognition and Use of Logos

Sponsors are responsible for providing all logos, artwork, advertisements, and brand guidelines in the format and by the deadlines specified by the Summit Organizers. All logos should be submitted as high-resolution EPS, vector, or equivalent files.

By submitting logos and related materials, the sponsor grants the Summit Organizers permission to use the sponsor's name, logo, and approved materials in Summit-related marketing, promotional materials, event signage, presentations, printed materials, websites, social media, and digital communications without further approval.

The Summit Organizers agree to make reasonable efforts to use sponsor materials in accordance with any provided brand guidelines.

Sponsor recognition and promotional benefits will not begin until sponsorship payment has been received in full.

Summit Attendee List

Sponsors whose packages include attendee list access will receive attendee information approximately one month prior to the Summit, one week prior to the Summit, and one week following the Summit.

Attendee lists include names, titles, companies, and email addresses of registered attendees who have not opted out of vendor communications during registration.

Sponsors agree to use attendee information solely for legitimate business purposes related to the Summit and in compliance with applicable privacy and anti-spam laws. Sponsors shall not sell, share, transfer, or otherwise disclose attendee information to any third party without the prior written consent of the Summit Organizers.

Exhibit Booth Requirements

Exhibitors are expected to complete booth setup prior to the official opening of the Summit and to **remain fully operational until the close of the Networking Hall on Thursday, November 19, 2026, at 3:00 p.m.**

Early dismantling or teardown is discouraged, as it disrupts the attendee experience and scheduled activities within the exhibit area.

The Summit Organizers reserve the right to restrict or remove exhibits that fail to comply with event requirements.

Insurance and Liability

Sponsors and exhibitors are solely responsible for obtaining appropriate insurance coverage for their property, displays, equipment, materials, and personnel during the Summit. Conduct

Sponsors, exhibitors, and their representatives are expected to conduct themselves in a professional and respectful manner throughout the Summit. The Summit Organizers reserve the right to remove any sponsor, exhibitor, or representative whose behavior is deemed disruptive, unsafe, inappropriate, or inconsistent with the professional standards and values of the Summit.
