INC Innovation Center | Munich

Location

Welcome to the IT Hub Munich

With its extraordinary dynamic, the Munich metropolitan region is one of Europe's leading economic areas, characterized by a pronounced diversity of industries, such as automotive, information & communications, and media. The interaction between global players and successful regional companies particularly distinguishes the region from others.

The INC Munich is located in the heart of the city at Herzogspitalstraße 24, just a short walk from Marienplatz and Karlsplatz (Stachus). The area combines historic charm with a lively business district, offering a mix of traditional Bavarian heritage and modern city life.

Surrounded by cafés, cultural landmarks, and green spaces like the Old Botanical Garden, this dynamic environment fosters creativity and collaboration.
