ONE DAY, ONE MISSION

ELEVATE EMERGENCY CARE

Your mission, should you choose to accept it...

Emergency nurses know what it takes to complete a mission - and this year's Illinois ENA Spring Symposium is built for maximum impact. In one powerful day, we bring you cutting-edge education, innovative ideas, and the strong professional community that fuels emergency nursing across Illinois.

Our theme, "One Day, One Mission - Elevate Emergency Care" sets the tone: focused, bold and dedicated to strengthening the care we deliver every day. Your objective is simple - show up, level up, and leave inspired.

Here's what awaits you:

- High-energy, evidence-based sessions.
- Practical strategies you can use on your very next shift.
- Meaningful connection with peers who understand the work like no one else.
- Exhibitors showcasing tools and technologies that support outstanding emergency care.

And don't forget - your mission isn't complete without joining us for the Welcome Breakfast and Awards Celebration. Be sure to select this event during registration so you don't miss the chance to honor your colleagues and kick off the day with inspiration.

If you're ready to sharpen your skills, strengthen your practice, and join forces with Emergency Nurses from across the state, this Symposium is your assignment.

Complete the mission. Register today. We'll be ready for you!
