Milton

At Milton, we take great joy in bringing your special moments to life. Whether it's a long table in the courtyard for a milestone celebration, a fireside gathering in our Private Dining Room, or a children's cooking class filled with laughter and flour-dusted hands. From birthdays and engagements to intimate dinners and team lunches, no occasion is too big or too small.

Whatever you're dreaming of, we're here to make it memorable, with beautiful food, generous pours, and the kind of thoughtful hospitality that makes you feel right at home.

The Courtyard

Our courtyard can host up to 40 guests and shifts effortlessly with the seasons. On balmy summer evenings, it's open-air and full of life; in the cooler months, we draw the awnings, light the heaters, and create something intimate and cosy. It's a beautiful, flexible space, whether you're imagining a seated long lunch or a relaxed standing affair, we'll help you make it your own.

Fire Room

Tucked away behind the dining room, our Fire Room is a private space made for intimate gatherings. With room for up to 10 guests around the table and the fire gently burning beside you, it's a space that adapts to the mood; lively, laughter-filled celebrations or calm, candlelit dinners with family and close friends. Warm, welcoming and all yours for the night.
