Ready, player 1? Join us for a morning of retro console gaming at Nostalgia Box, Perth!

In theme with our recent learning about caring for our native spaces at Rosalie Primary School, we have invited bee ecologist Dr. Kit Prendergast to share her expert insight into WA's own incredible biodiversity 🐝

During the session, we will be bringing recycled parts to life by making our own Mini Monsters to take home.

Come with us to Cubetown to conquer a series of immersive game rooms designed to challenge both your mind and body!

Throughout the day, we will be exploring the cultures and games of East Asian cultures, such as children's games and craft from South Korea, Japan and China!
