Aerials Fit'n'Fun Gymnastics Center has been host to literally thousands of parties since 1998. In fact, some of our very first party children are now parents bringing their own kids for Fit'n'Fun activities that are available only at Aerials.

The foundation of everything we do at Aerials is geared around instruction and physical activity for all. All party activities are staff directed and lead by an instructor to ensure fun and safety.

The gym area is specifically for the children and the parents of the birthday child. All others are invited to wait and watch the fun from the lobby.

"We really enjoyed the party and have every intention of carrying on in the Summer and Fall sessions.

Thanks for keeping a fabulous energetic place like Aerial's around for energetic kids like mine."

"Thanks again for a great running and smoothly operated party. It was absolutely refreshing to have the attentive Staff and the willingness to help. They also handled our large group of 20 kids ranging in age from 2 1/2 to 9!! They were nothing but professional and able to run the activities very smoothly. It is very refreshing to sit and watch a party you have worked very hard to make special for my child."

"10's all around!!! We've had several parties there and they are always fantastic! You guys were the BEST... thank you!!!"

"We had a great experience . . . The lead instructor was fantastic. We had our daughter's 4th birthday party there and returned for her 6th.

We will most certainly return."

"My son thoroughly enjoyed his party! All the guests' parents were impressed and liked it a lot. I

had multiple people thank me for introducing them to your facility. I am sure you will be getting more party bookings coming your way!"
