

THE TRAFFIC NIGHTMARE ALONG THE ALLEN AND EGLINTON AREA – NOVEMBER 8, 2022

Traffic in the Allen Road and Eglinton area has never been worse, with unprecedented congestion and disruption, and an incredible volume of stalled cars, from morning till night.

Whether you are a resident or a commuter, you are affected by Metrolinx/Crosslinx delays and the mismanagement of the LRT.

Please voice your concern and show your support by signing this petition containing a list of immediate demands that will be sent to Metrolinx, Crosslinx, the City and the Province. Relief is possible if Metrolinx/Crosslinks do the right thing!

Please SIGN by November 18th. DO NOT DONATE if prompted.
