SERIES: THE CHOSEN ADVENTURES

We are continuing working through THE CHOSEN ADVENTURES. This is an animated series about a mischievous nine-year-old girl named Abby and her best friend, Joshua, who live in ancient Capernaum. Their lives change when they meet Jesus, who becomes their teacher and helps them see the world differently. The 1st Sunday of the month will be special services, where we invite quest speakers, and focus on the bible with the kids.
