

Accessibility at DoIT

At DoIT, we are dedicated to providing an inclusive and accessible experience for every candidate. We want you to feel confident and empowered to bring your authentic self to every stage of the interview process. Let us know if you require accommodations to ensure this—we're here to support you!

We recognize that access needs vary widely, and what works for one person might not work for another. Whether you need specific tools, adjustments, or support, we're happy to work with you to make the process seamless. Simply reach out to us at ta@doit.com to request accommodations. All requests will remain confidential and will only be used to enhance your experience with us.

Examples of How We Can Help

- **Live captions for virtual interviews.**
 - At DoIT, we use Google Meet as our interview platform. We can enable closed captioning for our calls, which will transcribe live video/audio during interviews.
- **Extra time for interviews or assessments.**
- **Breaks between sessions.**
- **Flexibility with camera.**
 - Acknowledging you don't always need to have your camera on.
- **Support from personal attendants or service animals.**

If you have questions or need assistance, don't hesitate to contact our team—we're here to help every step of the way! Send an email to ta@doit.com, and we'll get in touch.
