

GLOBAL UPDATE BY PASTOR HOLLY

Peru (AIDIA, Luis Cervantes, director):

So, this is cool. The translation team is helping out with another version of Quechua in the city of Puno (south Peru, situated on Lake Titicaca). Puno is a regional hub. Along with the translation work will eventually come pastoral training and development, and the development of kids and youth leaders and Sunday school-type programs. I have no idea what the faith situation is like there, but this opportunity will mean more good things for the growth of the Kingdom.

Alliance Chrétienne et Missionnaire de Rimouski:

This coming weekend (May 29-30) this church is hosting a singles and marrieds conference. Friday night is the seminar for the singles and the marrieds will have their time on Saturday. Pray for the Holy Spirit to have the room to speak to each individual. Pray for the speakers and how they present. Pray for the reception of truth and for conviction and repentance to happen if needed. Pray for deepening in relationships.

WELCOME!

May 24, 2026

Welcome to CAC!

You may have noticed that there is a fenced off section on the south side of our parking lot this morning filled with equipment. Some time ago, BC Hydro asked if they could use part of our property as a staging post for their work in our community, and we were happy to oblige. But it got me thinking: as a church, we want to bless our community in general and we want our church to be a staging post for all of us to bless our communities in particular- and so over these next few weeks, as you see the equipment sitting there, why don't you pray that God would use you to do some good work in your community - wherever that might be.

We're glad you're here.

Pastor Matt
