So far, I am truly blessed being a part of this associate program. I always wanted to learn more about my religion and our prophets. Miftaah is doing wonderful job by proving this opportunity for all. I am student, Mother of 4 kids and I still wanted to manage some time just to be a student of miftaah, from where I will have chance to learn more about my deen.

I love Miftaah Lite for its flexibility and convenience. The content we have learned thus far has left me wanting to join other programs like Miftaah Seekers or do the Associates program. The scholars are extremely knowledgeable and have approached the subjects in a way that makes you want to learn more.

Miftaah's Knowledge Retreat was life-changing, it was exactly what my heart and soul needed before Ramadan. We often get caught up with life's chaos, but during those 5 days, you find yourself focusing on the most important aspects of life-- Islam and Allah SWT's mercy. I learned a lot about myself and created feasible next steps for my personal Islamic journey through the lectures from all the wonderful speakers, as well as the intense and intimate discussions I had with my fellow sisters. At the knowledge retreat, you will find yourself meeting people from all ages and walks of life. The Muftis and Sheikhs also take the time to talk to you and address your concerns directly. You even get the added bonus of some comedy!

After completing 8 courses from the Miftaah + MYNA Seminary program, students are encouraged to transfer to the Miftaah Online Program.

The Miftaah Online program is so valuable for people who don't live near the campus. The Miftaah scholars are truly inspiring and are well-grounded in their subjects. The learning management system is also very organized. I look forward to every class as a source of bringing something new into my life and becoming a better Muslim. After completing my Hifz, I was searching for Tafseer classes that I could take while going to college. Alhamdulillah, I am so thankful to Allah for guiding me to Miftaah Institute in 2020 through our local scholar. Ever since then, my family and I have been benefiting from Miftaah conferences, as well as the Ramadan and Summer programs. Alhamdulillah, we have also had the opportunity to attend an in-person event that was hosted in our local area of Lawrenceville, GA. InshaAllah my family and I look forward to visiting the Miftaah Campus when we are in Michigan!

From start to finish, the event was a shining example of what can happen when passionate organizers and talented speakers come together to create an inspiring and educational experience. The venue was beautiful, and the atmosphere was warm and welcoming, making it easy for attendees to relax and focus on the discussion. The speakers were truly impressive. Each one brought their unique perspective and expertise to the conversation, creating a diverse and well-rounded event that left attendees feeling informed and inspired. As someone who attended the event with their family, including two daughters, it's heartening to hear that everyone learned so much. It's not always easy to find events that are appropriate for all ages and backgrounds, but the organizers of this event did an exceptional job of catering to a diverse audience.

Alhamdulillah, I had the opportunity to attend the conference on Prophetic Perseverance by Miftaah in Edmonton and I was amazed by the quality and diversity of the presentations. The speakers were all experts in their fields, and they shared their insights, challenges, and solutions with clarity and enthusiasm. I learned a lot from their experiences and gained new perspectives on how to be better Muslimah. The conference was well-organized, interactive, and inspiring. I highly recommend anyone who is interested in learning about the challenges Muslims in the western lands are facing to attend any future events organized by Miftaah. You will be enlightened.

THIS WAS ONE OF THE BEST EXPERIENCES OF MY LIFE ALHAMDULILLAH. I CRIED AT LEAST ONCE EVERY DAY BECAUSE OF HOW EACH AND EVERY SPEAKER TOUCHED MY HEART WITH THEIR WORDS. IT WAS A VERY EMOTIONAL EXPERIENCE WHERE I HAVE BEEN LEFT IMPACTED FOR THE BETTER EVEN AFTER RETURNING HOME.

The timeline of Prophet Yusuf's AS life was beautifully covered and explained within a concise amount of time. The analogies and the workbook made it easier to comprehend the lessons from the story.
