What Our Students' Are Saying...

”

The seekers program changed my life. I have a new perspective on life, the way I handle hardships, and the way I view the deen. Coming from out of state was daunting at first, but **Miftaah knows how to make you feel welcome into the community**. I understand so much more of the Quran, **I feel more connected in prayer**, but most of all I have a deeper connection with the Prophet SAW and Allah.

Muhammad H. - Seekers Student

”

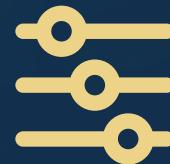

When I started the Quran Ascension Program, **I did not realize how much knowledge I would have gained by it**. My instructor Sister Maysaa is very thorough and she constantly reviews all the content. She is a very dedicated instructor and she takes her time and explains everything. She also cares very much about her students and how much we are remembering.

What Our Students' Are Saying...

”

From my first day at Miftaah, I felt a sense of purpose and belonging. **Miftaah embodies a spirit of quiet dedication to service and students with a focus on genuine growth, deepening understanding, and reviving the faith.** Knowledge is a beautiful thing and we are blessed that Allah has chosen us to be beneficiaries of it here at Miftaah Alhamdullilah.

Nadra Shami - Associate Year 3

”

Alhamdulillah, I had a wonderful experience. I already recommended this course to my best friend. In shā' Allāh, I want to continue taking courses with Miftaah Institute. What I loved most was the non-pressure approach when it comes to assignments, quizzes, and exams. **My instructor was very approachable and explained the course content in a simple, clear way.**

What Our Attendees' Are Saying...

”

The conference was my first ever and what a wholesome spiritual experience!
Miftaah had a diverse panel of speakers who were all very knowledgeable and shared excellent and practical advice. Topics were all very relevant to young adults (eg. Mental health) but also to the general Muslim population.

This was an excellent, inspiring and motivating seerah experience with some of the best scholars of our time! It gave us an insight of life before and at the time of our beloved Rasool Allah Muhammad S.A.W. It was perfectly paced and interactive. **We were sitting on the edges of our seats when Badr and Uhud events were narrated!**
