Miftaah Seminary

ABOUT THE LITE SEMINARY

Knowledge is the key ingredient needed to develop ourselves as confident Muslims in today's world. The Lite program is an on-campus, part-time Islamic Studies program hosted in different communities that covers classical scholarly teachings with a grounded explanation of the rich Islamic tradition and its application to the changing modern context.

The program is tailored for youth and professionals who want to boost their knowledge of Islam and implement their teachings. The mission of the program is to provide multiple locations where students can gather to learn Arabic, Quran, and Hadith studies from qualified scholars.

All classes are taught live, and course materials are available to students through the Miftaah Student Portal with lifetime access. The goal is to have students ultimately transfer to the Associate Program and continue their journey of learning Islamic and Arabic studies.

There are no prerequisites or qualifications needed to enroll. All of our classes are taught in a manner that engages both beginner and intermediate students of knowledge. In this way, all students are able to complete the class having increased their understanding of the topic covered.
