ANTARCTICA

At the edge of the earth lies Antarctica: **remote, untouched, and otherworldly.** A place where time slows, silence deepens, and an endless white stretches beyond, inviting you to witness a world few will ever see.

Day 1: Buenos Aires

Arrive in Buenos Aires and settle into your hotel. Spend the day exploring the city's vibrant neighborhoods or relaxing before your journey begins.

Day 2: Buenos Aires - Ushuaia

Discover more of Buenos Aires' highlights, including Plaza de Mayo, Casa Rosada, and colorful La Boca, before flying south to Ushuaia, the world's southernmost city.

Day 3: Ushuaia

Board your expedition vessel and sail through the scenic Beagle Channel,

surrounded by towering peaks and shimmering waters, your gateway to Antarctica.

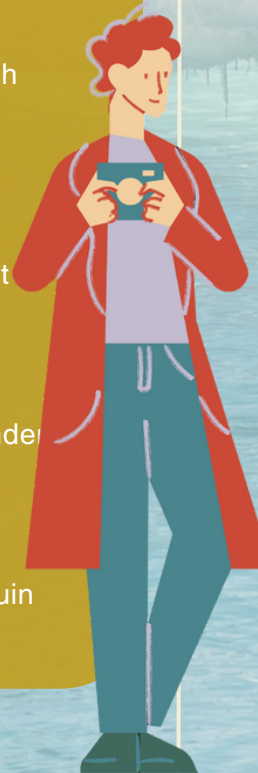

Days 4-5: Drake's Passage

Cross the legendary Drake Passage, a rite of passage for polar explorers. Spot albatrosses, petrels, and possibly whales as you enter Antarctic waters.

Days 6-11: White Continent

Explore the untouched wilderness of Antarctica, where every day brings a new adventure:

- Neumayer Channel & Wiencke Island — Zodiac cruises, kayaking, snowshoeing, and soft-climb mountaineering.
- Port Lockroy — Visit a historic British station, meet gentoo penguins, and explore Jougla Point.
- Pléneau & Petermann Islands — Watch for Adélie penguins, whales, and leopard seals as you kayak past glaciers and icebergs.
- Neko Harbour & Paradise Bay — Experience Zodiac landings and, if conditions allow, camp overnight under the Antarctic sky.
- Errera Channel — Possible visits to Danco, Cuverville, or Orne Islands, home to diverse seabirds and penguin colonies.

Days 12-13: Drake's Passage

Sail back through the Drake Passage, enjoying stunning seabird sightings.

Day 14: Ushuaia

Disembark in Ushuaia after breakfast and transfer to the airport for your onward journey, carrying memories of one of the world's most extraordinary expeditions.

Every detail is handpicked and designed around you, so you can experience Antarctica exactly as it's meant to be lived.
