Mallorca Golf Courses 2026

June 23rd Cadepera: Built on 2000 year old farmland. Flat holes leading up to the last six holes that climb into the mountains. Spectacular views on the northeast side of the island! Course by Dan Maples, United States legendary golf course designer.

June 24th Son Gual: Private Club “Takes #1 Spot in European Rankings” Golf Digest: Tour quality golf course near Palma.

June 25th Canyamel: Designed by Jose Gancedo, known as “The Picasso of Golf.” Imaginative course in the eastern mountains, with great views of the Mediterranean Sea and Menorca Island. “One of the most beautiful courses on the island.” Three golf clinics with Jake Chanen for an additional \$150. Free driving range use June 22–29 at the Protur Sa Coma. Cost for all three courses, greens fees, shared cart, and round trip transfers from the Protur Sa Coma: 495 euro per person (2025 rates). 2026 rates available early 2026. Golf club rental 35 euro for each course. Limited to the first 18 players. Optional tours and excursions are not included in the cost.
