Frequently Asked Questions

Pay-Per-Report Pricing

- **What is Pay-As-You-Go pricing?**

PAYG lets you order investigations on demand with no subscription or monthly commitment. You pay a flat rate per report, only when you need it.

- **What's the difference between Instant, Advanced, and Deep Dive?**

Instant reports are fully automated and return results in under 2 minutes, great for high-volume screening and low-risk scenarios. Advanced and Deep Dive are conducted by our licensed investigators and return within an estimated 2 to 3 business days. Advanced covers the subject's current jurisdiction with a 10-year lookback. Deep Dive goes further, covering up to three jurisdictions, a 20-year lookback, multiple name variations, and all case statuses.

- **Is there a minimum order requirement?**

No. Order as few or as many reports as you need, there is no minimum.

- **Are there any fees beyond the report price?**

In some cases. Court filing fees and physical courthouse retrieval costs are passed through at cost when investigators conduct live searches. These are disclosed upfront and billed separately.

- **Can I upgrade a report after ordering it?**

Yes. Any report can be escalated to a higher tier after ordering. You pay only the price difference, not the full cost of a new report.

- **When does PAYG make sense vs. a subscription?**

PAYG is the right fit when your volume is low or unpredictable, or if you are evaluating us before committing. If you have a consistent number of checks you conduct, a subscription may make more sense for you. Reach out to sales for our recommendation.

- **How do I get started?**

Create an account, add a payment method, and you are ready to order, no setup fee, no seat charges, no contract required.
