Happy Tails Community Newsletter January 2026

Our mission is to improve the lives of homeless & abused cats by nurturing them in a no-kill, cage-free environment & finding them loving, forever homes.

Heartfelt thanks to the **hundreds** of Friends of Happy Tails (FHT) who donated during our Giving Tuesday/Winter Appeal! Your kindness created second chances and reminds our cats that they are worthy of love and care.

Have you ever wondered how the Adoption Center gets so clean? We have a dedicated team of volunteers who toil, sometimes against great odds, to keep our furry tenants clean, fed and watered. The cleaners (or maid service, as the cats sometimes call them) come in about 8-10 am 7 days per week to scoop litter boxes, mop and wash bedding. Afterward, their reward is getting to know the cats and relax with them.
