Happy Tails Community Newsletter June 2026

Our mission is to improve the lives of homeless & abused cats by nurturing them in a no-kill, cage-free environment & finding them loving, forever homes. Our cats are examined by a veterinarian, vaccinated, spayed or neutered, receive flea and worm medicine, tested for FeLV/FIV and microchipped.

We're kicking things off this July with our first featured cat, **Roxie**, our sweet and spicy gray queen who is still searching for her forever home.

All month long, visit New Glory Brewery to enjoy their "Purrrfect Pairing" beer flights, Whiskers Wednesday specials EVERY Wednesday, and other promotions-- all benefiting Happy Tails Pet Sanctuary while helping Roxie find her perfect match! Daisy Scouts Give Back to Happy Tails

We recently had the pleasure of welcoming local Sacramento-area Daisy Girl Scout Troop 2721 to Happy Tails Pet Sanctuary for a very special visit!

After wrapping up a successful cookie season, this girl scout troop voted to use a portion of their hard-earned proceeds to give back to their community by helping our cats and kittens. They generously purchased much-needed food, litter, and supplies from our Happy Tails wish list and delivered these donations to the sanctuary May 31..

The girls were elated to learn how their gifts would directly help rescue cats in our care. During their visit, they enjoyed a tour of the sanctuary, learned about our mission, and had the opportunity to meet some of the kitties who will benefit from their kindness. We are incredibly grateful to Troop 2721 for their compassion, generosity, and for showing

that even small acts of kindness can make a big difference. Thank you for helping us continue to provide love, care, and second chances to cats in need!
