

**God is moving powerfully across Africa! In just the first quarter of this year, we have witnessed 38,688 salvations!** The Gospel is transforming thousands of lives across Uganda, South Sudan, and Chad.

Communities are being reached, hearts are being healed, and nations transformed through prayer, the Word, discipleship, and indigenous missionary efforts!

**Through the power of the Gospel, local leaders are being empowered** to bring lasting change, families are being restored, and hope is being reignited in places that once seemed hopeless and lost

**Together with YOU,** we are accelerating the Great Commission across Africa! Testimonies of God's love and provision are pouring in as people encounter the life-changing power of Jesus Christ.

Churches are being planted, prayer movements are growing, and indigenous missionaries are boldly taking the Gospel to the most remote and unreached areas. **God is doing something extraordinary, and this is just the beginning!**

“ While spying on a outreach program for Muslims in Chad, a young muslim man sent by his community leaders experienced an unexpected transformation. His heart opened to the Gospel message, and last week, he chose to follow Christ.

His faith journey continued this week as he joyfully declared Jesus as his Savior and was baptized, embraced by his new spiritual family.

**In Chad,** for the first time ever, church construction has begun! This marks a significant step forward in our mission to establish communities of faith and provide a physical space for worship, discipleship, and prayer. These churches will serve as beacons of hope and centers of transformation in their communities, furthering the reach of the Gospel and impacting lives for eternity.

**In Uganda,** we launched our first-ever boarding high school, expecting around 300 students, but were astonished when over 600 young people enrolled! Many of these students are already coming to Jesus, and we know this school is raising up the next generation of missionaries who will transform this nation.

**In South Sudan,** new Women's Empowerment groups have started, bringing economic, spiritual, and family empowerment to communities. These groups are giving women purpose and direction, transforming entire communities for Jesus.

**Once a spy, He is now a disciple of Christ, ready to follow Jesus and begin a new chapter of hope and transformation.**
