

Entrepreneur Template Invitation

Dear

We are delighted that you are going to visit our class to tell us all about the business world and your experience as an entrepreneur.

There are pupils in the class and they are very interested in hearing the story about how you started your business and how it has developed. What were the challenges you encountered along the way and how did you overcome those challenges? The pupils would also appreciate any advice that you might have to help them with their Junior Entrepreneur Project. The project they have chosen is

JEP is a real-life entrepreneurship skills programme for primary school children, it nurtures independence, creativity and problem solving, and engages pupils of all abilities, helping them to appreciate their own unique skills, and successfully create a real business through teamwork.

If you have any requirements in terms of equipment for your visit to the classroom, please let me know.

We are really looking forward to your visit.

Yours sincerely,

Class Teacher
