

Proudly partnering with NECA Victoria, Trak is a comprehensive job management app that helps you save time and money by streamlining your workflow and improving business oversight.

With Trak, you can manage your on-site safety by creating and signing off on SWMS based on your NECA accredited templates, as well as help with your scheduling, communication, reporting, profitability tracking and much more.

Trak are also offering an exclusive deal for NECA VIC members where we will set up your Trak account for you and add a range of templates and forms, normally valued at \$850, AT NO COST!

The NECA VIC Exclusive Package Includes:

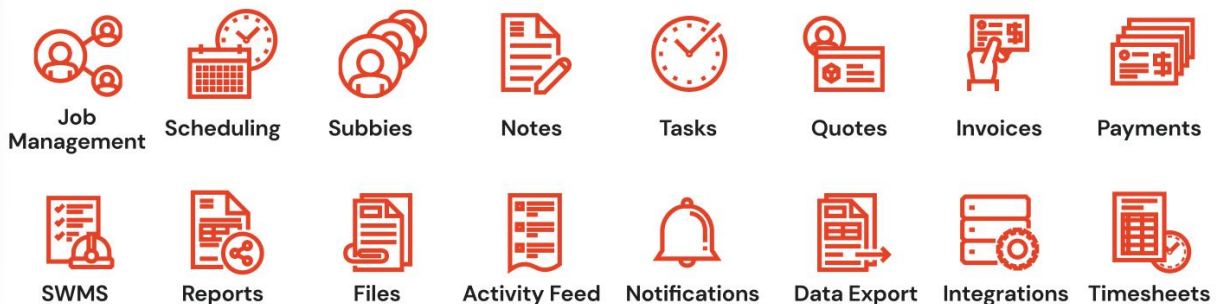

Account Set Up

- ✓ Logos
- ✓ Company Details
- ✓ Scripts & Cover Pages
- ✓ Automations

Free Templates

- ✓ NECA SWMS Templates
- ✓ Reports & Forms
- ✓ Quote Templates
- ✓ Order Templates

Trak Job Management Features

Trak also offers bespoke training packages tailored to your business that can help you get the maximum value out of the Trak platform. If you'd like to find out more, head to www.trak.co/training
