THANK YOU, HANNA & AREA!

— Celebrating 50 Years with Lynks —

What a night to remember! On April 18, Lynks proudly celebrated our 50th Anniversary Gala, and thanks to the incredible support of our community, it was an overwhelming success.

Because of you, we raised
almost \$30,000.

What a remarkable achievement that will directly support the continued strength and sustainability of our organization.

These funds will help offset essential operating costs such as our building lease, equipment, and software, while also ensuring the continuation of vital programs and services that are not fully covered by grants. Just as importantly, this support creates space for **new and innovative projects** that respond to the evolving needs of our community.
