### What people are saying:

"From a property owner perspective the information provided is detailed and accurate. It saves me money from running checks on my own."

Jerome J. ★★★★★

I was able to find a tenant quickly and smoothly with Affordable Housing. Also, once I needed to cancel my services it was done with no hassle!

Krissi T. ★★★★★

## The #1 affordable housing platform

Trusted by **tens of millions** of renters nationwide

## Lease smarter with Premium

### CONTACT PROSPECTS

Proactively reach out to hot leads by email and text message.

### PRE-SCREEN YOUR WAY

Control how renters apply to your property with auto-responses, custom questions and disclosures.

### LEARN MORE ABOUT YOUR APPLICANTS

Premium members can see renter scores with our advanced algorithm.

### GET NOTICED

Larger listings appear above free listings in the search results. You can also boost your listing to the top.

### SET UP A NEW LEASE

Send and eSign leases quickly using our pre-populated lease templates.

# We cover everything, from list to lease

## Introducing eLeases

List properties, find tenants, and lease without switching platforms or duplicating information.

Use our state-compliant lease templates or upload your own.

Save time and paper with automated reminders to keep everyone on track.

## About us

AffordableHousing.com is the nation's largest online marketplace for affordable housing, leveraging data-driven technology to tackle complex challenges in the U.S. housing market.

Our platform provides simple, end-to-end solutions for renters, property owners, and housing agencies, centralizing affordable housing in one place while providing millions of families a safe place to call home.
