

Boulder County Housing Authority Housing Choice Voucher Program

TENANT BRIEFING PACKET

Updated 12/2023

PROGRAM DESCRIPTION

Housing Choice Voucher (HCV) Program

The Boulder County Housing Choice Voucher (HCV) Program, also known as Section 8, is funded by the U.S. Department of Housing and Urban Development (HUD) and administered locally by the Boulder County Housing Authority (BCHA). The program helps eligible very low-income families, older adults, and individuals with disabilities afford safe, decent, and sanitary housing in the private rental market.

Program Benefits

- **Housing Choice:** Participants can search for an eligible rental home of their choice, including apartments, townhomes, and single-family homes, throughout Boulder County and Broomfield.
- **Affordable Housing:** Participants pay a portion of their rent based on household income, while BCHA pays its approved portion directly to the landlord. Households generally contribute approximately 30–40% of their monthly adjusted income toward housing costs, depending on their circumstances.
- **Housing Quality:** BCHA inspects participating units to ensure they meet required health, safety, and housing quality standards.
- **Landlord Participation:** BCHA makes the program convenient for landlords by providing its portion of the rent through direct deposit.
- **Portability:** Participants may be able to take their voucher to another jurisdiction within the United States, subject to HUD and program requirements.

Continued Assistance

A household may continue receiving HCV assistance as long as it remains eligible and complies with program requirements, including completing required recertifications, reporting changes in household circumstances, and complying with the lease and HCV program rules.

HCV assistance is subject to HUD regulations and BCHA policies. Program requirements and tenant rent contributions may vary based on individual household circumstances.

Frequently-Asked Questions

What is the Housing Choice Voucher Program and how does it differ from Section 8?

The Housing Choice Voucher (HCV) Program and Section 8 are two different names for the same program. This is a federal assistance program to help people with low income pay their rent.

What are the benefits of the Housing Choice Voucher Program for me, as a participant?

- The program promotes housing choice; a household awarded a voucher can look for a unit within the neighborhood of your choice, within the housing authority's area
- The program promotes quality housing; units are inspected annually to ensure standards of health and safety are met
- The household contribution is approximately 30-40% of your monthly-adjusted income, with the balance paid by the housing authority to the property owner

Who is eligible for a voucher?

Households qualify for the program if their household income is 80% or less of the Area Median Income (AMI) for Boulder County or Broomfield (some programs are capped at 30% and 50% AMI). Eligible households include individuals or families with low income, including people on a fixed income, such as those who are elderly and/or have a disability.

Where can I use my voucher?

Vouchers may be used in Boulder County and Broomfield. Boulder County jurisdictions include Boulder, Erie (within Boulder County limits), Jamestown, Lafayette, Longmont, Louisville, Lyons, Nederland, Superior and Ward, and those in Unincorporated County include Allenspark, Caribou, Coal Creek (within Boulder County limits), Eldorado Springs, Gold Hill, Gunbarrel, Hygiene and Niwot.

What kind of rental units qualify for the program?

All existing rental housing may be eligible; single-family homes, condominiums, apartments, mobile homes, townhouses and duplexes. Each unit must be located within Boulder County or Broomfield, rent for below the program's payment standards, and pass a Housing Quality Standards (HQS) inspection, among other requirements.

How can I find a landlord that accepts voucher-holders?

Some landlords seeking to rent to program participants note that in their rental advertisement. BCHA also maintains a landlord list noting landlords who accept rental assistance. Please contact your case manager.

What if I have special needs due to my disability?

If you have special needs to adapt to your unit or living situation, you may request a Reasonable Accommodation (RA). Such requests may include the addition of a live-in aide, physical modifications to the unit (at your expense), the addition of a service animal, and the allowance of additional time to complete a request required of all tenants. Please note that requests are considered on a case-by-case basis, and if approved, it must also be approved by the property owner.

What are my rights and responsibilities as a tenant?

At your annual recertification, you are given a list of Family Responsibilities to sign yearly, acknowledging an understanding of your responsibilities. Tenants have the *right* to:

- Request a Reasonable Accommodation for special needs. RA requests are approved on a case-by-case basis.
- File a complaint with HUD if you believe your Fair Housing rights have been violated on the basis of race, color, religion, sex, handicap, familial status, age, national origin and/or sexual orientation.
- Privacy within the unit. A landlord must provide appropriate notice to you if they wish to enter the unit during a reasonable time of day. In emergency cases, a landlord may enter the unit without notice to make necessary repairs.
- Choose not to renew the lease at the end of the term or, in the case of a mutual agreement to rescind the lease, to move out of the unit during the lease term, provided a proper notice was given as outlined in the lease agreement.
- Request an appeal hearing for staff decisions including termination of assistance or denial of a housing request.

Tenants have the following *responsibilities*. They must:

- Allow your case manager and/or the inspector to inspect the unit at reasonable times and after reasonable notice.
- Notify your case manager and landlord in writing before moving out of the unit or terminating the lease providing at least a 30-day notice.
- Request approval from BCHA and your landlord to add a household member as an occupant to the unit.
- Not commit fraud, bribery, drug-related, violent or any other corrupt or criminal act in connection with the program.
- Not commit any serious or repeated lease violations.

How is income verified?

All income, benefits, and allowances must be documented from independent third-party sources. Households are required to report all income; unreported income may result in repayment of housing assistance, or termination of assistance.

How and when should I let you know if I have change to my income or household?

Any change in income or household composition must be reported to the BCHA within 10 days of its occurrence. Let your case manager know your employer's name and fax number. Failure to report or under-reporting any changes could result in you repaying any monies owed, or risk program termination.

What are annual recertification appointments, and why are they necessary?

Voucher-holders are required to meet with their case manager at least once a year to update income, assets and household size, and to complete required forms. The purpose of the annual recertification appointment is to ensure that the correct amount of rent is being paid based on actual income and the home is the correct size for the household.

What happens during an annual recertification appointment?

Approximately three months prior to your annual recertification date, you will receive a letter with appointment information. You will be required to attend the meeting with all household members over age 18. To this appointment, bring copies of current income and asset documentation. This is also an opportunity to get questions answered.

What if I cannot make my scheduled appointment?

Staff encourages you to make this appointment a priority in your schedule. This meeting, usually only held once per year, is required for you to continue receiving assistance. However, some circumstances, such as illness, emergencies, or being out of town, require that it be rescheduled. If so, contact your case manager.

What if I do not have transportation to meet my case manager at their office?

If you are unable to get to your appointment, ask your case manager to hold the meeting at your home.

Are landlords required to rent to program participants?

No, a landlord may choose if/when to rent to tenants receiving housing assistance.

Can BCHA provide information to a landlord about my rental history?

Staff reserves the right to release tenancy histories to an owner, as requested, with respect to such factors as payment of rent and utility bills; caring for a unit and premises; respecting the rights of others to the peaceful enjoyment of their housing; drug-related criminal activity or other criminal activity including drug trafficking; compliance with conditions of tenancy; and names, addresses and phone numbers of current and prior landlords.

Can I rent a unit from a relative?

HUD regulations prohibit BCHA from allowing a program participant to rent a unit from a relative. The only exception is for staff to determine that such a situation would provide a Reasonable Accommodation for a household member who has a special need. These decisions are addressed by a committee on a case-by-case basis.

Can I pay extra rent to my landlord if the rent amount exceeds the payment standard?

No, you must pay the full amount for rent and the utilities as outlined in your lease. The landlord may not, under any circumstance, charge or accept additional payments from any member of your household, other than that which has been approved by BCHA.

Does Boulder County provide a specific lease for its participants?

No, each landlord must provide their own lease, although BCHA may require and provide lease addendums. The initial lease must be for a one-year term, with the option to rent on a monthly basis thereafter. The lease should include names of the landlord and tenant (and all household members), unit address, lease term, monthly rent amount, how utilities are paid, which appliances are provided and other items as long as they are consistent with the laws.

How much can a landlord charge for rent?

The rent amount must not exceed BCHA's payment standard which is based on the average gross rents (including utilities) being paid in the community for modest housing units of varying sizes. Your tenant's case manager is not able to provide you with information regarding maximum rent you can charge, however they will let you know if you exceed it.

Can a landlord request a rent increase?

Each year, three months prior to the lease end date, your landlord will have an opportunity to state whether they want to extend the lease term, and if so, whether the amount will change and by how much. If they request an increase after the initial term of the lease and within the current lease period, they must provide at least 60 days written notice of any increase to your case manager. The proposed increase must not exceed the payment standards. BCHA reserves the right to deny any increase found to be unreasonable based on market conditions or delay the start of increases when proper notice has not been given.

How does the landlord get paid their rent?

The tenant is responsible for paying their rent each month and on time. If rent is late or unpaid, then the landlord has the right to enforce the lease. BCHA will directly deposit their portion of the rent on the 1st business day of each month.

How are utilities paid?

The landlord decides which utilities, if any, they will provide as a part of the rent, and which utilities the tenant(s) will pay. For tenant-paid utilities, BCHA will credit the household with a utility allowance, which is based on the average cost of utilities, size of the unit, and the location of the unit, not on the household's actual energy consumption. The utility allowance will lower the tenant's rental share and leave them with funds to assist with utility costs.

Who is responsible for paying the security deposit, and how much can a landlord collect?

The tenant pays their security deposit. The amount must be fair and reasonable, usually one month's rent amount, and in compliance with state and local laws, and must also be comparable to the deposit charged to their other tenants.

What if I have a problem with my landlord?

If you have a conflict with your landlord, you are encouraged to first speak with them about it. Contact your case manager if you need her involvement. It is important to note that your case manager may not always get involved on your behalf, but will guide you in resolving the situation. Additionally, local resources are available to help provide information and mediation for tenant-landlord issues, such as the Boulder County District Attorney's Office at 303/441-3700.

Will my landlord contact BCHA about our landlord/tenant relationship?

Your landlords should interact with you as they would with their tenant(s) who do not receive housing assistance. The only difference is that your case manager should be notified in certain circumstances such as unpaid rent, additional household members not listed on your lease, the use, sale or manufacturing of illegal drugs, or situations involving violence and/or domestic abuse. Your landlord should work directly with you on issues such as property maintenance, noise issues, pet concerns, parking issues, and property entrance agreements. If a landlord is uncertain about which issues should be brought to the attention of Boulder County, they should contact the tenant's case manager.

Can a program participant be evicted?

Yes, a tenant who is a program participant may be evicted for any lease violations. If and when a warning letter is received by the tenant, they should notify their case manager so she/he can work with them to try to remedy the situation in an effort to avoid an eviction. A landlord may not, however, evict a tenant for non-payment of the BCHA portion.

What are (some of) landlords' rights and responsibilities?

Landlords have the right to:

- Terminate tenancy under conditions outlined in the contract for such reasons as serious and repeated violations of the lease, criminal activity, destruction of property, and failure to pay the tenant portion of rent
- Refuse tenancy to an program participant as long as it does not violate Fair Housing laws
- Collect an appropriate security deposit, used in accordance with local and state laws

- Raise rent at the end of the lease term provided the case manager is given notice within the required timeframe, and that the increased amount does not exceed payment standards
- Choose not to renew a lease with an existing tenant at the end of the lease term

Landlords have the following responsibilities. They must:

- Use their own lease. BCHA may require and provide lease addendums. BCHA must receive a copy of the lease.
- Sign and return all required documentation in a timely manner.
- Sign, submit and provide updates for documentation and information as required, such as taxpayer identification information, change of address, change of name, and/or change of the building owner.
- Contact the tenant's case manager to alert them of any lease violations within the required timeframe.
- Provide copies of any eviction notices, if applicable, to the case manager at the time the notice is sent to the tenant.
- Perform all necessary maintenance to ensure the unit meets HUD's Housing Quality Standards.
- Allow the unit to be inspected at least annually and must correct all report failures within the specified time period. Failure to make repairs may result in either a halt of BCHA's portion of the rent or termination of the HAP Contract.
- Comply with Fair Housing laws.

Can I take my voucher with me if I want to move to another county/state?

After a year with BCHA, you may take your voucher to another county or state. To do this, you should contact your case manager to complete the required forms. Your case manager will transfer your paperwork to BCHA's Portability Specialist to complete the process, which includes providing documentation to the new housing authority.

What does the housing inspector look for during an annual inspection?

Each unit is inspected annually (or more, as needed) to ensure it meets HUD's Minimum Housing Quality Standards. The tenant, or an alternate person over age 18, must be present for inspections. Inspected items include building structure and exterior; plumbing, heating and electrical systems; windows, exits and hallways; and all rooms to make sure the unit is safe, clean, and in good condition. The inspector must have access to the unit, the basement, and all common areas. If repairs are required, the landlord must correct deficiencies, within a certain time period, and pass a re-inspection. If repairs are not made within the timeframe, the housing assistance payments will be halted, and in certain situations impacting health and safety, the tenant will not be able to occupy the unit.

What is the Carbon Monoxide Detector Law and does it apply to a tenant?

Effective July 1, 2009, Colorado House Bill 1091 requires homeowners and owners of rental property (single-family homes, multi-family homes) to install carbon monoxide alarms near the bedrooms (or other room lawfully used for sleeping purposes) in every home that is heated with natural gas or propane, has a gas appliance, has a fireplace, or has an attached garage. This requirement applies to every home that is sold, remodeled, repaired, or leased to a new tenant after July 1, 2009, including landlords participating in the program. For more information, please read House Bill 1091.

What is the Violence Against Women Act (VAWA) and how does it affect a participant's assistance?

The Violence Against Women Act (VAWA) is a federal law, effective 2006, to protect individuals who are victims of domestic violence by prohibiting apartment firms from evicting the resident because of criminal activity committed by a member of the victim's household.

What types of actions may lead to termination from the program?

The following are *some* actions that may lead to program termination: fraud (i.e., providing false information or documentation), non-compliance with program requirements, criminal or drug activity, unauthorized household members, non-compliance with a lease. If a program participant is terminated, they will receive a termination letter which informs them of their opportunity to present their case to the Housing Board for reinstatement. BCHA and HUD are stringent regarding program compliance and will take action as necessary.

How to Spot and Avoid Rental Scams

Protect yourself when searching for affordable housing.

Finding housing can be stressful—don't let scammers take advantage. Here are some common red flags 🚩 and how to stay safe when finding your next home.

When Searching for a Rental

1 Copycat Listings

Scammers copy real listings from sites like AffordableHousing.com and post them on Craigslist or Facebook.

🚩 If someone says "DM me" or "Drop your ZIP code," be careful. They may be trying to move the conversation off of a trusted site.

2 Prices That Seem Too Good

If the rent looks much lower than others in the area, it might be fake.

Use the Free Rent Estimator on AffordableHousing.com to compare similar listings.

3 "Landlords" Who Are Out of Town

Scammers often claim to be out of town, overseas, or in the military. They may send you a fake lockbox code, offer a self-tour, or ask for money before you've seen the home.

🚩 Never pay before seeing the property in person.

4 Requests for Upfront Payments

Be careful if someone asks you to pay before you sign a lease or view the property.

🚩 Real landlords don't ask for money through Zelle, Cash App, Venmo, Bitcoin, or gift cards.

5 Pressure to Act Fast

If someone says "Act fast!", "You're the first approved!", or "We have others waiting," don't rush.

Take time to confirm the details and make sure the listing is legitimate.

6

Strange Communication Channels

Legit landlords use professional emails or site messaging, not random texts or social media DMs.

🚩 Never send personal info (like your SSN or ID) through DMs or text.

How to Spot and Avoid Rental Scams When Searching for a Rental

7 Fake or Spoofed Websites

Some scammers pretend to be real companies or property managers. They may copy logos, use similar names, or send messages from fake emails like

affordablehousing@outlook.com

Always check the website's spelling, creation date, and contact details to make sure it's a legitimate website and email address.

8 Fake Leases or Documents

If the "lease" doesn't list a real property address or owner's name, it's likely fake. Beware of "landlords" who rush you to sign or pay without reading the terms.

You should only get keys from a verified landlord or property manager. Never from an unknown third party.

9 After You Move In

Watch out for fake maintenance requests or emails that pretend to be from your landlord or Housing Authority.

Don't send payments for repairs or share personal info unless you confirm it's from the real contact.

How to Spot and Avoid Rental Scams When Applying for Housing Assistance

1 Fake "Section 8" Websites

Some sites pretend to help with applications but only collect your personal info.

Real programs are **free** and usually end in **.gov** or trusted domains like **AffordableHousing.com**. Legit sites always name the Housing Authority managing the program and never promise "instant approval" or "guaranteed placement" or ask for a fee to get on a waiting list.

2 People Selling Vouchers or Guaranteed Placement

It's illegal to buy or sell housing vouchers. Anyone offering that is scamming you.

Ignore anyone with offers of preferred waiting list placement, voucher transfers, or fake documents (such as pay stubs or income forms).

3

Impersonators Claiming to Work for a Housing Authority

No Housing Authority employee will ever charge a fee to "get you approved."

Report anyone who claims to work for a Housing Authority and offers to sell a voucher to you for a price—this is illegal. Getting a voucher is free and no Housing Authority employee can legally guarantee your placement.

How to Stay Safe

- ☐ Never pay before seeing the home in person.
- ☐ Check the "Member Since" date on AffordableHousing.com and look for the Trusted Owner badge.
- ☐ Avoid payments by wire, Zelle, Cash App, or gift cards.

Tips for HCV Unit Search

Explore where you want to live.

With your voucher in hand, it's time to search for housing. In determining which neighborhoods you might like to live in, consider the things that are most important for your family in your new community.

Consider personal priorities and needs such as:

- ☒ Schools
- ☒ Transportation
- ☒ Access to community resources
- ☒ Grocery stores including any specialty grocery stores
- ☒ Social and family supports
- ☒ Places of worship
- ☒ When the unit is available

Start your search.

Check with the local housing authority. Participants should ask public housing agencies (PHAs) for a list of landlords that have expressed an interest in participating in the voucher program. The housing authority should also know of any local property listing services.

In addition to talking with the local housing authority, check out some of these well-known property services:

- ☒ AffordableHousing.com
- ☒ Realtor.com
- ☒ Apartments.com

Set aside time to visit units.

Be sure to visit units in person to make sure they meet your needs. Don't be afraid to ask questions.

It may be helpful to visit units during the day and also the evening as well as different days of the week.

Come prepared.

Some landlords are not familiar with the voucher program. There are resources on the landlord page at www.hud.gov/hcv to explain the benefits of the program to landlords.

Typical documents that are requested by landlords include forms of identification (such as driver's license, social security card, etc.) and a completed rental application.

It is important to have ready names and contact information for prior landlords and personal references, the Request for Tenancy Approval packet, and explanations of anything that may show up on a credit or criminal history screening.

A Good Place to Live!

Introduction

Having a good place to live is important. Through your Public Housing Agency (or PHA) the Section 8 Certificate Program and the Housing Voucher Program help you to rent a good place. You are free to choose any house or apartment you like, as long as it meets certain requirements for quality. Under the Section 8 Certificate Program, the housing cannot cost more than the Fair Market Rent. However, under the Housing Voucher Program, a family may choose to rent an expensive house or apartment and pay the extra amount. Your PHA will give you other information about both programs and the way your part of the rent is determined.

Housing Quality Standards

Housing quality standards help to insure that your home will be safe, healthy, and comfortable. In the Section 8 Certificate Program and the Housing Voucher Program there are two kinds of housing quality standards.

Things that a home must have in order approved by the PHA, and
Additional things that you should think about for the special needs of your own family. These are items that you can decide.

The Section 8 Certificate Program and Housing Voucher Program

The Section 8 Certificate Program and Housing Voucher Program allow you to *choose* a house or apartment that you like. It may be where you are living now or somewhere else. The *must have* standards are very basic items that every apartment must have. But a home that has all of the *must have* standards may still not have everything you need or would like. With the help of Section 8 Certificate Program or Housing Voucher Program, you *should* be able to afford a good home, so you should think about what you would like your home to have. You may want a big kitchen or a lot of windows or a first floor apartment. Worn wallpaper or paint may bother you. Think of these things as you are looking for a home. Please take the time to read A Good Place to Live. If you would like to stay in your present home, use this booklet to see if your home meets the housing quality standards. If you want to move, use it each time you go to look for a new house or apartment, and good luck in finding your good place to live.

Read each section carefully. After you find a place to live, you can start the *Request for Lease Approval* process. You may find a place you like that has some problems with it. Check with your PHA about what to do, since it may be possible to correct the problems.

A sink with hot and cold running water.

- A kitchen sink will not satisfy this requirement.

You should also think about:

- The size of the bathroom and the amount of privacy.
- The appearances of the toilet, sink, and shower or tub.
- The appearance of the grout and seal along the floor and where the tub meets the wall.
- The appearance of the floor and walls.
- The size of the hot water heater.
- A cabinet with a mirror.

4. Other Rooms

Other rooms that are lived in include: bedrooms, dens, halls, and finished basements or enclosed, heated porches. The requirements for other rooms that are lived in are similar to the requirements for the living room as explained below.

Other Rooms Used for Living must have:

Ceiling

A ceiling that is in good condition.

- Not acceptable are large cracks or holes that allow drafts, severe bulging, large amounts of loose or falling surface material such as plaster,

Walls

Walls that are in good condition.

- Not acceptable are large cracks or holes that allow drafts, severe bulging or leaning, large amounts of loose or falling surface material such as plaster.

Paint

- No chipping or peeling paint if you have children under the age of seven and the house or apartment was built before 1978.

Electricity in Bedrooms

Same requirement as for living room.

In All Other Rooms Used for Living: There is no specific standard for electricity, but there must be either natural illumination (a window) or an electric light fixture or outlet.

Floor

A floor that is in good condition.

- Not acceptable are large cracks or holes, missing or warped floorboards or covering that could cause someone to trip.

Lock

A lock that works on all windows and doors that can be reached from the outside, a common public hallway, a fire escape, porch or other outside place that can be reached from the ground.

Window

At least one window, which must be openable if it was designed to be opened, in every room used for sleeping. Every window must be in good condition.

- Not acceptable are windows with badly cracked, broken or missing panes, and windows that do not shut or, when shut, do not keep out the weather.

Other rooms that are not lived in may be: a utility room for washer and dryer, basement or porch. These must be checked for security and electrical hazards and other possible dangers (such as walls or ceilings in danger of falling), since these items are important for the safety of your entire apartment. You should also look for other possible dangers such as large holes in the walls, floors, or ceilings, and unsafe stairways. Make sure to look for these things in all other rooms not lived in.

You should also think about:

- What you would like to do with the other rooms:
 - Can you use them the way you want to?
- The type of locks on windows and doors:
 - Are they safe and secure?
 - Have windows that you might like to open been nailed shut?
- The condition of the windows:
 - Are there small cracks in the panes?
- The amount of weatherization windows:
 - Are there storm windows?
 - Is there weather-stripping? If you pay your own utilities, this may be important.
- The location of electric outlets and light fixtures.
- The condition of the paint and wallpaper:
 - Are they worn, faded, or dirty?
- The condition of the floors:
 - Are they scratched and worn?

5. Building Exterior, Plumbing, and Heating

The Building must have:

Roof

A roof in good condition that does not leak, with gutters and downspouts, if present, in good condition and securely attached to the building.

- Evidence of leaks can usually be seen from stains on the ceiling inside the building.

Outside Handrails

Secure handrails on any extended length of stairs (e.g. generally four or more steps) and any porches, balconies, or decks that are 30 inches or more above the ground.

Walls

Exterior walls that are in good condition, with no large holes or cracks that would let a great amount of air get inside.

Foundation

A foundation in good condition that has no serious leaks.

Water Supply

A plumbing system that is served by an approvable public or private water supply system. Ask the manager or owner.

Sewage

A plumbing system that is connected to an approvable public or private sewage disposal system. Ask the manager or owner.

Chimneys

No serious leaning or defects (such as big cracks or many missing bricks) in any chimneys.

Paint

No cracking, peeling, or chipping paint if you have children under the age of seven and the house or apartment was built before 1978.

- This includes exterior walls, stairs, decks, porches, railings, windows, and doors.

Cooling

Some windows that open, or some working ventilation or cooling equipment that can provide air circulation during warm months.

Plumbing

Pipes that are in good condition, with no leaks and no serious rust that causes the water to be discolored.

Water Heater

A water heater located, equipped, and installed in a safe manner. Ask the manager.

Heat

Enough heating equipment so that the unit can be made comfortably warm during cold months.

- Not acceptable are space heaters (or room heaters) that burn oil or gas and are not vented to a chimney. Space heaters that are vented may be acceptable if they can provide enough heat.

You should also think about:

- How well maintained the apartment is.
- The type of heating equipment.
 - Will it be able to supply enough heat for you in the winter, to all rooms used for living?
- The amount and type of weatherization and its affect on utility costs.
 - Is there insulation?
 - Are there storm windows?
 - Is there weather-stripping around the windows and doors?
- Air circulation or type of cooling equipment (if any).
 - Will the unit be cool enough for you in the summer?

Note: You may not be able to check these items yourself, but the PHA Inspector will check them for you when the unit is inspected.

6. Health and Safety

The Building and Site must have:

Smoke Detectors

At least one working smoke detector on each level of the unit, including the basement. If any member of your family is hearing-impaired, the smoke detector must have an alarm designed for hearing-impaired persons.

Fire Exits

The building must provide an alternate means of exit in case of fire (such as fire stairs or exit through windows, with the use of a ladder if windows are above the second floor).

Elevators

Make sure the elevators are safe and work properly.

Entrance

An entrance from the outside or from a public hall, so that it is not necessary to go through anyone else's private apartment to get into the unit.

Neighborhood

No dangerous places, spaces, or things in the neighborhood such as:

- Nearby buildings that are falling down
- Unprotected cliffs or quarries
- Fire hazards
- Evidence of flooding

Garbage

No large piles of trash and garbage inside or outside the unit, or in common areas such as hallways. There must be a space to store garbage (until pickup) that is covered tightly so that rats and other animals cannot get into it. Trash should be picked up regularly.

Lights

Lights that work in all common hallways and interior stairs.

Stairs and Hallways

Interior stairs with railings, and common hallways that are safe and in good condition. Minimal cracking, peeling or chipping in these areas.

Pollution

No serious air pollution, such as exhaust fumes or sewer gas.

Rodents and Vermin

No sign of rats or large numbers of mice or vermin (like roaches).

For Manufactured Homes: Tie Downs

Manufactured homes must be placed on the site in a stable manner and be free from hazards such as sliding or wind damage.

You should also think about:

- The type of fire exit.
--Is it suitable for your family?
- How safe the house or apartment is for your family.
- The presence of screens and storm windows.
- Services in the neighborhood.
--Are there stores nearby?
--Are there schools nearby?
--Are there hospitals nearby?
--Is there transportation nearby?
- Are there job opportunities nearby?
- Will the cost of tenant-paid utilities be affordable and is the unit energy-efficient?
- Be sure to read the lead-based paint brochure given to you by the PHA or owner, especially if the housing or apartment is older (built before 1978).

Note: You may not be able to check these items listed here yourself, but the PHA inspector will check them for you when the unit is inspected.

Now that you have finished this booklet, you know that for a house or apartment to be a good place to live, it must meet two kinds of housing quality standards:

- Things it must have in order to be approved for the Section 8 Rental Certificate Program and the Rental Voucher Program.
- Additional things that you should think about for the special needs of your family.

You know that these standards apply in six areas of a house or apartment:

1. Living Room
2. Kitchen
3. Bathroom
4. Other Rooms
5. Building Exterior, Plumbing and Heating
6. Health and Safety

You know that when a house or apartment meets the housing quality standards, it will be safe, healthy, and comfortable home for your family. It will be a good place to live.

After you find a good place to live, you can begin the *Request for Lease Approval* process. When both you and the owner have signed the *Request for Lease Approval* and the PHA has received it, an official inspection will take place. The PHA will inform both you and the owner of the inspection results.

If the house or apartment passed, a lease can be signed. There may still be some items that you or the PHA would like improved. If so, you and your PHA may be able to bargain for the improvements when you sign the lease. If the owner is not willing to do the work, perhaps you can get him or her to pay for the materials and do it yourself.

If the house or apartment fails, you and/or your PHA may try to convince the owner to make the repairs so it will pass. The likelihood of the owner making the repairs may depend on how serious or costly they are.

If it fails, all repairs must be made, and the house or apartment must be re-inspected before any lease is signed. If the owner cannot or will not repair the house or apartment, even if the repairs are minor, you must look for another home. Make sure you understand why the house or apartment failed, so that you will be more successful in your next search.

Responsibilities of the Public Housing Authority:

- Ensure that all units in the Section 8 Certificate Program and the Housing Voucher Program meet the housing quality standards.
- Inspect unit in response to Request for Lease Approval, inform potential tenant and owner of results and necessary actions.
- Encourage tenants and owners to maintain units up to standards.
- Make inspection in response to tenant or owner complaint or request. Inform the tenant and owner of the results, necessary actions, and time period for compliance.
- Make annual inspection of the unit to ensure that it still meets the housing quality standards. Inform the tenant and owner of the results, necessary actions, and time period for compliance.

Responsibilities of the tenant:

- Live up to the terms of your lease.
- Do your part to keep the unit safe and sanitary.
- Cooperate with the owner by informing him or her of any necessary repairs.
- Cooperate with the PHA for initial, annual, and complaint inspections.

Responsibilities of the owner:

- Comply with the terms of the lease.
- Generally maintain the unit and keep it up to the housing quality standards outlined in this booklet.
- Cooperate with the tenant by responding promptly to requests for needed repairs.
- Cooperate with the PHA on initial, annual, and complaint inspections, including making necessary repairs.

IMPORTANT!

Lead From Paint, Dust, and Soil in and Around Your Home Can Be Dangerous if Not Managed Properly

- Children under 6 years old are most at risk for lead poisoning in your home.
- Lead exposure can harm young children and babies even before they are born.
- Homes, schools, and child care facilities built before 1978 are likely to contain lead-based paint.
- Even children who seem healthy may have dangerous levels of lead in their bodies.
- Disturbing surfaces with lead-based paint or removing lead-based paint improperly can increase the danger to your family.
- People can get lead into their bodies by breathing or swallowing lead dust, or by eating soil or paint chips containing lead.
- People have many options for reducing lead hazards. Generally, lead-based paint that is in good condition is not a hazard (see page 10).

Are You Planning to Buy or Rent a Home Built Before 1978?

Did you know that many homes built before 1978 have **lead-based paint**? Lead from paint, chips, and dust can pose serious health hazards.

- How lead gets into the body
- How lead affects health
- What you can do to protect your family
- Where to go for more information

Before renting or buying a pre-1978 home or apartment, federal law requires:

- Sellers must disclose known information on lead-based paint or lead-based paint hazards before selling a house.
- Real estate sales contracts must include a specific warning statement about lead-based paint. Buyers have up to 10 days to check for lead.
- Landlords must disclose known information on lead-based paint or lead-based paint hazards before leases take effect. Leases must include a specific warning statement about lead-based paint.

If undertaking renovations, repairs, or painting (RRP) projects in your pre-1978 home or apartment:

- Read EPA's pamphlet, *The Lead-Safe Certified Guide to Renovate Right*, to learn about the lead-safe work practices that contractors are required to follow when working in your home (see page 12).

Simple Steps to Protect Your Family from Lead Hazards

If you think your home has lead-based paint:

- Don't try to remove lead-based paint yourself.
- Always keep painted surfaces in good condition to minimize deterioration.
- Get your home checked for lead hazards. Find a certified inspector or risk assessor at [epa.gov/lead](https://www.epa.gov/lead).
- Talk to your landlord about fixing surfaces with peeling or chipping paint.
- Regularly clean floors, window sills, and other surfaces.
- Take precautions to avoid exposure to lead dust when remodeling.
- When renovating, repairing, or painting, hire only EPA- or state-approved Lead-Safe certified renovation firms.
- Before buying, renting, or renovating your home, have it checked for lead-based paint.
- Consult your health care provider about testing your children for lead. Your pediatrician can check for lead with a simple blood test.
- Wash children's hands, bottles, pacifiers, and toys often.
- Make sure children eat healthy, low-fat foods high in iron, calcium, and vitamin C.
- Remove shoes or wipe soil off shoes before entering your house.

Lead Gets into the Body in Many Ways

Adults and children can get lead into their bodies if they:

- Breathe in lead dust (especially during activities such as renovations, repairs, or painting that disturb painted surfaces).
- Swallow lead dust that has settled on food, food preparation surfaces, and other places.
- Eat paint chips or soil that contains lead.

Lead is especially dangerous to children under the age of 6.

- At this age, children's brains and nervous systems are more sensitive to the damaging effects of lead.
- Children's growing bodies absorb more lead.
- Babies and young children often put their hands and other objects in their mouths. These objects can have lead dust on them.

Women of childbearing age should know that lead is dangerous to a developing fetus.

- Women with a high lead level in their system before or during pregnancy risk exposing the fetus to lead through the placenta during fetal development.

State and Local Health and Environmental Agencies

Some states, tribes, and cities have their own rules related to lead-based paint. Check with your local agency to see which laws apply to you. Most agencies can also provide information on finding a lead abatement firm in your area, and on possible sources of financial aid for reducing lead hazards. Receive up-to-date address and phone information for your state or local contacts on the Web at epa.gov/lead, or contact the National Lead Information Center at 1-800-424-LEAD.

Other Sources of Lead, continued

- **Lead smelters** or other industries that release lead into the air.
- **Your job.** If you work with lead, you could bring it home on your body or clothes. Shower and change clothes before coming home. Launder your work clothes separately from the rest of your family's clothes.
- **Hobbies** that use lead, such as making pottery or stained glass, or refinishing furniture. Call your local health department for information about hobbies that may use lead.
- Old **toys** and **furniture** may have been painted with lead-containing paint. Older toys and other children's products may have parts that contain lead.⁴
- Food and liquids cooked or stored in **lead crystal** or **lead-glazed pottery or porcelain** may contain lead.
- Folk remedies, such as "**greta**" and "**azarcon**," used to treat an upset stomach.

Health Effects of Lead

Lead affects the body in many ways. It is important to know that even exposure to low levels of lead can severely harm children.

In children, exposure to lead can cause:

- Nervous system and kidney damage
- Learning disabilities, attention-deficit disorder, and decreased intelligence
- Speech, language, and behavior problems
- Poor muscle coordination
- Decreased muscle and bone growth
- Hearing damage

While low-lead exposure is most common, exposure to high amounts of lead can have devastating effects on children, including seizures, unconsciousness, and in some cases, death.

Although children are especially susceptible to lead exposure, lead can be dangerous for adults, too.

In adults, exposure to lead can cause:

- Harm to a developing fetus
- Increased chance of high blood pressure during pregnancy
- Fertility problems (in men and women)
- High blood pressure
- Digestive problems
- Nerve disorders
- Memory and concentration problems
- Muscle and joint pain

⁴ In 1978, the federal government banned toys, other children's products, and furniture with lead-containing paint. In 2008, the federal government banned lead in most children's products. The federal government currently bans lead in excess of 100 ppm by weight in most children's products.

Check Your Family for Lead

Get your children and home tested if you think your home has lead.

Children's blood lead levels tend to increase rapidly from 6 to 12 months of age, and tend to peak at 18 to 24 months of age.

Consult your doctor for advice on testing your children. A simple blood test can detect lead. Blood lead tests are usually recommended for:

- Children at ages 1 and 2
- Children or other family members who have been exposed to high levels of lead
- Children who should be tested under your state or local health screening plan

Your doctor can explain what the test results mean and if more testing will be needed.

Other Sources of Lead

Lead In Drinking Water

The most common sources of lead in drinking water are lead pipes, faucets, and fixtures.

Lead pipes are more likely to be found in older cities and homes built before 1986.

You can't smell or taste lead in drinking water.

To find out for certain if you have lead in drinking water, have your water tested.

Remember older homes with a private well can also have plumbing materials that contain lead.

Important Steps You Can Take to Reduce Lead In Drinking Water

- Use only cold water for drinking, cooking and making baby formula. Remember, boiling water does not remove lead from water.
- Before drinking, flush your home's pipes by running the tap, taking a shower, doing laundry, or doing a load of dishes.
- Regularly clean your faucet's screen (also known as an aerator).
- If you use a filter certified to remove lead, don't forget to read the directions to learn when to change the cartridge. Using a filter after it has expired can make it less effective at removing lead.

Contact your water company to determine if the pipe that connects your home to the water main (called a service line) is made from lead. Your area's water company can also provide information about the lead levels in your system's drinking water.

For more information about lead in drinking water, please contact EPA's Safe Drinking Water Hotline at 1-800-426-4791. If you have other questions about lead poisoning prevention, call 1-800-424-LEAD.*

Call your local health department or water company to find out about testing your water, or visit epa.gov/safewater for EPA's lead in drinking water information. Some states or utilities offer programs to pay for water testing for residents. Contact your state or local water company to learn more.

* Hearing- or speech-challenged individuals may access this number through TTY by calling the Federal Relay Service at 1-800-877-8339.

Renovating, Repairing or Painting a Home with Lead-Based Paint

If you hire a contractor to conduct renovation, repair, or painting (RRP) projects in your pre-1978 home or childcare facility (such as pre-school and kindergarten), your contractor must:

- Be a Lead-Safe Certified firm approved by EPA or an EPA-authorized state program
- Use qualified trained individuals (Lead-Safe Certified renovators) who follow specific lead-safe work practices to prevent lead contamination
- Provide a copy of EPA's lead hazard information document, *The Lead-Safe Certified Guide to Renovate Right*.

RRP contractors working in pre-1978 homes and childcare facilities must follow lead-safe work practices that:

- **Contain the work area.** The area must be contained so that dust and debris do not escape from the work area. Warning signs must be put up, and plastic or other impermeable material and tape must be used.
- **Avoid renovation methods that generate large amounts of lead-contaminated dust.** Some methods generate so much lead-contaminated dust that their use is prohibited. They are:
 - Open-flame burning or torching
 - Sanding, grinding, planing, needle gunning, or blasting with power tools and equipment not equipped with a shroud and HEPA vacuum attachment
 - Using a heat gun at temperatures greater than 1100°F
- **Clean up thoroughly.** The work area should be cleaned up daily. When all the work is done, the area must be cleaned up using special cleaning methods.
- **Dispose of waste properly.** Collect and seal waste in a heavy duty bag or sheeting. When transported, ensure that waste is contained to prevent release of dust and debris.

To learn more about EPA's requirements for RRP projects, visit epa.gov/getleadsafe, or read *The Lead-Safe Certified Guide to Renovate Right*.

Where Lead-Based Paint Is Found

In general, the older your home or childcare facility, the more likely it has lead-based paint.¹

Many homes, including private, federally-assisted, federally-owned housing, and childcare facilities built before 1978 have lead-based paint. In 1978, the federal government banned consumer uses of lead-containing paint.²

Learn how to determine if paint is lead-based paint on page 7.

Lead can be found:

- In homes and childcare facilities in the city, country, or suburbs,
- In private and public single-family homes and apartments,
- On surfaces inside and outside of the house, and
- In soil around a home. (Soil can pick up lead from exterior paint or other sources, such as past use of leaded gas in cars.)

Learn more about where lead is found at epa.gov/lead.

¹ "Lead-based paint" is currently defined by the federal government as paint with lead levels greater than or equal to 1.0 milligram per square centimeter (mg/cm²), or more than 0.5% by weight.

² "Lead-containing paint" is currently defined by the federal government as lead in new dried paint in excess of 90 parts per million (ppm) by weight.

Identifying Lead-Based Paint and Lead-Based Paint Hazards

Deteriorated lead-based paint (peeling, chipping, chalking, cracking, or damaged paint) is a hazard and needs immediate attention. **Lead-based paint** may also be a hazard when found on surfaces that children can chew or that get a lot of wear and tear, such as:

- On windows and window sills
- Doors and door frames
- Stairs, railings, banisters, and porches

Lead-based paint is usually not a hazard if it is in good condition and if it is not on an impact or friction surface like a window.

Lead dust can form when lead-based paint is scraped, sanded, or heated. Lead dust also forms when painted surfaces containing lead bump or rub together. Lead paint chips and dust can get on surfaces and objects that people touch. Settled lead dust can reenter the air when the home is vacuumed or swept, or when people walk through it. EPA currently defines the following levels of lead in dust as hazardous:

- 10 micrograms per square foot ($\mu\text{g}/\text{ft}^2$) and higher for floors, including carpeted floors
- 100 $\mu\text{g}/\text{ft}^2$ and higher for interior window sills

Lead in soil can be a hazard when children play in bare soil or when people bring soil into the house on their shoes. EPA currently defines the following levels of lead in soil as hazardous:

- 400 parts per million (ppm) and higher in play areas of bare soil
- 1,200 ppm (average) and higher in bare soil in the remainder of the yard

Remember, lead from paint chips—which you can see—and lead dust—which you may not be able to see—both can be hazards.

The only way to find out if paint, dust, or soil lead hazards exist is to test for them. The next page describes how to do this.

Reducing Lead Hazards, continued

If your home has had lead abatement work done or if the housing is receiving federal assistance, once the work is completed, dust cleanup activities must be conducted until clearance testing indicates that lead dust levels are below the following levels:

- 10 micrograms per square foot ($\mu\text{g}/\text{ft}^2$) for floors, including carpeted floors
- 100 $\mu\text{g}/\text{ft}^2$ for interior window sills
- 400 $\mu\text{g}/\text{ft}^2$ for window troughs

Abatements are designed to permanently eliminate lead-based paint hazards. However, lead dust can be reintroduced into an abated area.

- Use a HEPA vacuum on all furniture and other items returned to the area, to reduce the potential for reintroducing lead dust.
- Regularly clean floors, window sills, troughs, and other hard surfaces with a damp cloth or sponge and a general all-purpose cleaner.

Please see page 9 for more information on steps you can take to protect your home after the abatement. For help in locating certified lead abatement professionals in your area, call your state or local agency (see pages 15 and 16), epa.gov/lead, or call 1-800-424-LEAD.

Reducing Lead Hazards

Disturbing lead-based paint or removing lead improperly can increase the hazard to your family by spreading even more lead dust around the house.

- In addition to day-to-day cleaning and good nutrition, you can **temporarily** reduce lead-based paint hazards by taking actions, such as repairing damaged painted surfaces and planting grass to cover lead-contaminated soil. These actions are not permanent solutions and will need ongoing attention.
- You can minimize exposure to lead when renovating, repairing, or painting by hiring an EPA- or state-certified renovator who is trained in the use of lead-safe work practices. If you are a do-it-yourselfer, learn how to use lead-safe work practices in your home.
- To remove lead hazards permanently, you should hire a certified lead abatement contractor. Abatement (or permanent hazard elimination) methods include removing, sealing, or enclosing lead-based paint with special materials. Just painting over the hazard with regular paint is not permanent control.

Always use a certified contractor who is trained to address lead hazards safely.

- Hire a Lead-Safe Certified firm (see page 12) to perform renovation, repair, or painting (RRP) projects that disturb painted surfaces.
- To correct lead hazards permanently, hire a certified lead abatement contractor. This will ensure your contractor knows how to work safely and has the proper equipment to clean up thoroughly.

Certified contractors will employ qualified workers and follow strict safety rules as set by their state or by the federal government.

Checking Your Home for Lead

You can get your home tested for lead in several different ways:

- A lead-based paint **inspection** tells you if your home has lead-based paint and where it is located. It won't tell you whether your home currently has lead hazards. A trained and certified testing professional, called a lead-based paint inspector, will conduct a paint inspection using methods, such as:
 - Portable x-ray fluorescence (XRF) machine
 - Lab tests of paint samples
- A **risk assessment** tells you if your home currently has any lead hazards from lead in paint, dust, or soil. It also tells you what actions to take to address any hazards. A trained and certified testing professional, called a risk assessor, will:
 - Sample paint that is deteriorated on doors, windows, floors, stairs, and walls
 - Sample dust near painted surfaces and sample bare soil in the yard
 - Get lab tests of paint, dust, and soil samples
- A combination inspection and risk assessment tells you if your home has any lead-based paint and if your home has any lead hazards, and where both are located.

Be sure to read the report provided to you after your inspection or risk assessment is completed, and ask questions about anything you do not understand.

Checking Your Home for Lead, continued

In preparing for renovation, repair, or painting work in a pre-1978 home, Lead-Safe Certified renovators (see page 12) may:

- Take paint chip samples to determine if lead-based paint is present in the area planned for renovation and send them to an EPA-recognized lead lab for analysis. In housing receiving federal assistance, the person collecting these samples must be a certified lead-based paint inspector or risk assessor
- Use EPA-recognized tests kits to determine if lead-based paint is absent (but not in housing receiving federal assistance)
- Presume that lead-based paint is present and use lead-safe work practices

There are state and federal programs in place to ensure that testing is done safely, reliably, and effectively. Contact your state or local agency for more information, visit epa.gov/lead, or call **1-800-424-LEAD (5323)** for a list of contacts in your area.³

What You Can Do Now to Protect Your Family

If you suspect that your house has lead-based paint hazards, you can take some immediate steps to reduce your family's risk:

- If you rent, notify your landlord of peeling or chipping paint.
- Keep painted surfaces clean and free of dust. Clean floors, window frames, window sills, and other surfaces weekly. Use a mop or sponge with warm water and a general all-purpose cleaner. (Remember: never mix ammonia and bleach products together because they can form a dangerous gas.)
- Carefully clean up paint chips immediately without creating dust.
- Thoroughly rinse sponges and mop heads often during cleaning of dirty or dusty areas, and again afterward.
- Wash your hands and your children's hands often, especially before they eat and before nap time and bed time.
- Keep play areas clean. Wash bottles, pacifiers, toys, and stuffed animals regularly.
- Keep children from chewing window sills or other painted surfaces, or eating soil.
- When renovating, repairing, or painting, hire only EPA- or state-approved Lead-Safe Certified renovation firms (see page 12).
- Clean or remove shoes before entering your home to avoid tracking in lead from soil.
- Make sure children eat nutritious, low-fat meals high in iron, and calcium, such as spinach and dairy products. Children with good diets absorb less lead.

Part B of the Tenancy Addendum

1. Section 8 Project-Based Voucher (PBV) Program

- a. The owner is leasing the contract unit to the tenant for occupancy by the tenant's family with assistance for a tenancy under the Section 8 PBV program of the United States Department of Housing and Urban Development (HUD).
- b. The owner has entered into a Housing Assistance Payments Contract (HAP contract) with the public housing agency (PHA) under the PBV program. Under the HAP contract, the PHA will make housing assistance payments to the owner to assist the tenant in leasing the unit from the owner.

2. Lease

- a. The owner has given the PHA a copy of the lease, including any revisions agreed to by the owner and the tenant. The owner certifies that the terms of the lease are in accordance with HUD requirements and the lease includes the tenancy addendum.
- b. The tenant shall have the right to enforce the tenancy addendum against the owner. If there is any conflict between the tenancy addendum and any other provisions of the lease, the language of the tenancy addendum shall control.

3. Use of Contract Unit

- a. During the lease term, the family will reside in the contract unit with assistance under the PBV program.
- b. The composition of the household must be approved by the PHA. The family must promptly inform the PHA of the birth, adoption or court-awarded custody of a child. Other persons may not be added to the household without prior written approval of the owner and the PHA.
- c. The contract unit may be used for residence only by the PHA-approved household members. The unit must be the family's only residence. Members of the household may engage in legal profit-making activities incidental to primary use of the unit for residence by members of the family.
- d. The tenant may not sublease or let the unit.
- e. The tenant may not assign the lease or transfer the unit.

4. Rent to Owner

- a. The initial and redetermined rent to owner are established in accordance with HUD requirements.
- b. During the term of the lease (including the initial term of the lease and any extension term), the rent to owner may at no time exceed:
 - (1) The reasonable rent for the unit as most recently determined or redetermined by the PHA in accordance with HUD requirements, or
 - (2) Rent charged by the owner for comparable unassisted units in the premises.

5. Family Payment to Owner

- a. The tenant rent is the portion of the monthly rent to owner paid by the family. The PHA determines the tenant rent in accordance with HUD requirements. Any changes in the amount of the tenant rent will be effective on the date stated in a notice by the PHA to the family and the owner.
- b. Each month, the PHA will make a housing assistance payment to the owner on behalf of the family in accordance with the HAP contract. The amount of the monthly housing assistance payment will be determined by the PHA in accordance with HUD requirements for a tenancy under the Section 8 PBV program.
- c. The monthly housing assistance payment shall be credited against the monthly rent to owner for the contract unit.
- d. The tenant is not responsible for paying the portion of rent to owner covered by the PHA housing assistance payment under the HAP contract between the owner and the PHA. A PHA failure to pay the housing assistance payment to the owner is not a violation of the lease. The owner may not terminate the tenancy for nonpayment of the PHA housing assistance payment.
- e. The owner may not charge or accept, from the family or from any other source, any payment for rent of the unit in addition to the rent to owner. The rent to owner includes all housing services, maintenance, utilities and appliances to be provided and paid by the owner in accordance with the lease. The rent to owner does not include charges for non-housing services such as food, furniture or supportive services provided by the owner.
- f. The owner must immediately return any excess rent payment to the tenant.

6. Other Fees and Charges

- a. With the exception of families receiving PBV assistance in assisted living developments (see paragraph b. below), the owner may not require the tenant or family members to pay charges for any meals or supportive services which may be provided by the owner. Nonpayment of any such charges is not grounds for termination of tenancy.
- b. In assisted living developments receiving project-based assistance, the owner may charge tenants, family members, or both for meals or supportive services. Any such charges must be specified in the lease. These charges may not be included in the rent to owner, nor may the value of meals and supportive services be included in the calculation of the reasonable rent. Non-payment of such charges is grounds for termination of the lease by the owner in assisted living developments.
- c. The owner may not charge the tenant extra amounts for items customarily included in rent to owner in the locality, or provided at no additional cost to unsubsidized tenants in the premises.

7. Maintenance, Utilities, and Other Services

a. Maintenance

- (1) The owner must maintain the unit and premises in accordance with the HQS.
- (2) Maintenance and replacement (including redecoration) must be in accordance with the standard practice for the building concerned as established by the owner.

b. Utilities and Appliances

- (1) The owner must provide all utilities needed to comply with the HQS.

(2) The owner is not responsible for a breach of the HQS caused by the tenant's failure to:

- (a) Pay for any utilities that are to be paid by the tenant.
- (b) Provide and maintain any appliances that are to be provided by the tenant.

c. **Family Damage.** The owner is not responsible for a breach of the HQS because of damages beyond normal wear and tear caused by any member of the household or by a guest.

d. **Housing Services.** The owner must provide all housing services as agreed to in the lease.

8. Termination of Tenancy by Owner

a. **Requirements.** The owner may terminate the tenancy only in accordance with the lease and HUD requirements.

b. **Grounds.** During the term of the lease (the initial term of the lease or any extension term), the owner may terminate the tenancy only because of:

- (1) Serious or repeated violation of the lease;
- (2) Violation of Federal, State, or local law that imposes obligations on the tenant in connection with the occupancy or use of the unit and the premises;
- (3) Criminal activity or alcohol abuse (as provided in paragraph c); or
- (4) Other good cause (as provided in paragraph d).

c. **Criminal Activity or Alcohol Abuse**

(1) The owner may terminate the tenancy during the term of the lease if any member of the household, a guest or another person under a resident's control commits any of the following types of criminal activity:

- (a) Any criminal activity that threatens the health or safety of, or the right to peaceful enjoyment of the premises by, other residents (including property management staff residing on the premises);
- (b) Any criminal activity that threatens the health or safety of, or the right to peaceful enjoyment of their residences by, persons residing in the immediate vicinity of the premises;
- (c) Any violent criminal activity on or near the premises; or
- (d) Any drug-related criminal activity on or near the premises.

(2) The owner may terminate the tenancy during the term of the lease if any member of the household is:

- (a) Fleeing to avoid prosecution, or custody or confinement after conviction, for a crime, or attempt to commit a crime, that is a felony under the laws of the place from which the individual flees, or that, in the case of the State of New Jersey, is a high misdemeanor; or
- (b) Violating a condition of probation or parole under Federal or State law.

(3) The owner may terminate the tenancy for criminal activity by a household member in accordance with this section if the owner determines that the household member has committed the criminal activity, regardless of whether the household member has been arrested or convicted for such activity.

(4) The owner may terminate the tenancy during the term of the lease if any member of the household has engaged in abuse of alcohol that threatens the health, safety or right to peaceful enjoyment of the premises by other residents.

d. Other Good Cause for Termination of Tenancy

(1) During the initial lease term, other good cause for termination of tenancy must be something the family did or failed to do.

(2) During the initial lease term or during any extension term, other good cause includes:

(a) Disturbance of neighbors,

(b) Destruction of property, or

(c) Living or housekeeping habits that cause damage to the unit or premises.

(3) After the initial lease term, such good cause includes the tenant's failure to accept the owner's offer of a new lease or revision.

e. Automatic Renewal of the Lease

Although the lease automatically renews (for successive definite terms or for an indefinite extension of the term, as provided for in the lease), an owner may terminate the lease for good cause.

f. Protections for Victims of Domestic Violence, Dating Violence, Sexual Assault, or Stalking

(1) Purpose: This section incorporates the protections for victims of domestic violence, dating violence, sexual assault, or stalking in accordance with subtitle N of the Violence Against Women Act of 1994, as amended (codified as amended at 42 U.S.C. 14043e et seq.) (VAWA) and implementing regulations at 24 CFR part 5, subpart L.

(2) Conflict with other Provisions: In the event of any conflict between this provision and any other provisions included in Part C of the HAP contract, this provision shall prevail.

(3) Effect on Other Protections: Nothing in this section shall be construed to supersede any provision of any Federal, State, or local law that provides greater protection than this section for victims of domestic violence, dating violence, sexual assault or stalking.

(4) Definition: As used in this section, the terms "actual and imminent threat," "affiliated individual," "bifurcate," "dating violence," "domestic violence," "sexual assault," and "stalking" are defined in HUD's regulations at 24 CFR part 5, subpart L. The terms "Household" and "Other Person Under the Tenant's Control" are defined at 24 CFR part 5, subpart A.

(5) VAWA Notice and Certification Form: The PHA shall provide the tenant with the "Notice of Occupancy Rights under VAWA" and the certification form described under 24 CFR 5.2005(a)(1) and (2).

(6) Protection for victims of Domestic Violence, Dating Violence, Sexual Assault, or Stalking:

(a) The landlord or the PHA will not deny admission to, deny assistance under, terminate from participation in, or evict the tenant on the basis of or as a direct result of the fact that the tenant is or has been a victim of domestic violence, dating violence, sexual assault, or stalking, if the tenant otherwise qualifies for admission, assistance, participation, or occupancy. 24 CFR 5.2005(b)(1).

(b) The tenant shall not be denied tenancy or occupancy rights solely on the basis of criminal activity engaged in by a member of the tenant's household or any guest or other person under the tenant's control, if the criminal activity is directly related to domestic violence, dating violence, sexual assault, or stalking, and the tenant or an affiliated individual of the tenant is the victim or the threatened victim of domestic violence, dating violence, sexual assault, or stalking. 24 CFR 5.2005(b)(2).

(c) An incident or incidents of actual or threatened domestic violence, dating violence, sexual assault, or stalking will not be construed as serious or repeated violations of the lease by the victim or threatened victim of the incident. Nor shall such incident or incidents be construed as other "good cause" for termination of the lease, tenancy, or occupancy rights of such a victim or threatened victim. 24 CFR 5.2005(c)(1) and (c)(2).

(7) **Compliance with Court Orders:** Nothing in this Addendum will limit the authority of the landlord, when notified by a court order, to comply with the court order with respect to the rights of access or control of property (including civil protection orders issued to protect a victim of domestic violence, dating violence, sexual assault, or stalking) or with respect to the distribution or possession of property among members of the tenant's household. 24 CFR 5.2005(d)(1).

(8) **Violations Not Premised on Domestic Violence, Dating Violence, Sexual Assault, or Stalking:** Nothing in this section shall be construed to limit any otherwise available authority of the landlord to evict or the public housing authority to terminate the assistance of a tenant for any violation not premised on an act of domestic violence, dating violence, sexual assault, or stalking that is in question against the tenant or an affiliated individual of the tenant. However, the landlord or the PHA will not subject the tenant, who is or has been a victim of domestic violence, dating violence, sexual assault, or stalking, to a more demanding standard than other tenants in determining whether to evict or terminate assistance. 24 CFR 5.2005(d)(2).

(9) **Actual and Imminent Threats:**

(a) Nothing in this section will be construed to limit the authority of the landlord to evict the tenant if the landlord can demonstrate that an "actual and imminent threat" to other tenants or those employed at or providing service to the property would be present if the tenant or lawful occupant is not evicted. In this context, words, gestures, actions, or other indicators will be construed as an actual and imminent threat if they meet the following standards for an actual and imminent threat: "Actual and imminent threat" refers to a physical danger that is real, would occur within an immediate time frame, and could result in death or serious bodily harm. In determining whether an individual would pose an actual and imminent threat, the factors to be considered include: the duration of the risk, the nature and severity of the potential harm, the likelihood that the potential harm will occur, and the length of time before the potential harm would occur. 24 CFR 5.2005(d)(3).

(b) If an actual and imminent threat is demonstrated, eviction should be used only when there are no other actions that could be taken to reduce or eliminate the threat, including, but not limited to, transferring the victim to a different unit, barring the perpetrator from the property, contacting law enforcement to increase police presence, developing other plans to keep the property safe, or seeking other legal remedies to prevent the perpetrator from acting on a threat. Restrictions predicated on public safety cannot be based on stereotypes, but must be tailored to particularized concerns about individual residents. 24 CFR 5.2005(d)(4).

(10) **Emergency Transfer:** A tenant who is a victim of domestic violence, dating violence, sexual assault, or stalking may request an emergency transfer in accordance with the PHA's emergency transfer plan. 24 CFR 5.2005(e). The PHA's emergency transfer plan, which must be made available upon request, must:

(a) Incorporate strict confidentiality measures to ensure that the PHA does not disclose a tenant's dwelling unit location to a person who committed or threatened to commit an act of domestic violence, dating violence, sexual assault, or stalking against the tenant;

(b) Give the victim priority to receive the next available opportunity for continued tenant-based rental assistance if they have been living in the PBV unit for one year or more. 24 CFR 983.261;

(c) Describe policies or efforts a PHA will take when the victim has been living in a unit for less than one year, or the victim seeks to move sooner than a tenant-based voucher will be available.

(d) For transfers in which the tenant would not be considered a new applicant, the PHA must ensure that a request for an emergency transfer receives, at a minimum, any applicable additional priority that is already provided to other types of emergency transfer requests. For transfers in which the tenant would be considered a new applicant, the plan must include policies for assisting a tenant with this transfer.

(11) Bifurcation: Subject to any lease termination requirements or procedures prescribed by Federal, State, or local law, if any member of the tenant's household engages in criminal activity directly relating to domestic violence, dating violence, sexual assault, or stalking, the landlord may "bifurcate" the lease, or remove that household member from the lease, without regard to whether that household member is a signatory to the lease, in order to evict, remove, or terminate the occupancy rights of that household member without evicting, removing, or otherwise penalizing the victim of the criminal activity who is also a tenant or lawful occupant. Such eviction, removal, termination of occupancy rights, or termination of assistance shall be effected in accordance with the procedures prescribed by Federal, State, and local law for the termination of leases or assistance under the Housing Choice Voucher program. 24 CFR 5.2009(a). If the Landlord bifurcates the Lease to evict, remove, or terminate assistance to a household member, and that household member is the sole tenant eligible to receive assistance, the landlord shall provide any remaining tenants or residents a period of 30 calendar days from the date of bifurcation of the lease to:

(a) Establish eligibility for the same covered housing program under which the evicted or terminated tenant was the recipient of assistance at the time of bifurcation of the lease;

(b) Establish eligibility under another covered housing program; or,

(c) Find alternative housing.

(12) Family Break-up: If the family break-up results from an occurrence of domestic violence, dating violence, sexual assault, or stalking, the PHA may offer the victim the opportunity for continued tenant-based rental assistance.

(13) Move with Continued Assistance: The public housing agency may not terminate assistance to a family or member of the family that moves out of a unit in violation of the lease, with or without prior notification to the public housing agency, if:

(a) The move was needed to protect the health or safety of the family or family member who is or has been a victim of domestic violence, dating violence, sexual assault, or stalking; and

(b) The family or member of the family reasonably believes that he or she was threatened with imminent harm from further violence if he or she remained in the dwelling unit. However, any family member that has been the victim of a sexual assault that occurred on the premises during the 90-calendar day period preceding the family's move or request to move is not required to believe that he or she was threatened with imminent harm from further violence if he or she remained in the dwelling unit. 24 CFR 983.261.

(15) Confidentiality:

- (a) The Landlord shall maintain in strict confidence any information the Tenant (or someone acting on behalf of the Tenant) submits to the Landlord concerning incidents of domestic violence, dating violence, sexual assault or stalking, including the fact that the tenant is a victim of domestic violence, dating violence, sexual assault, or stalking.
- (b) The Landlord shall not allow any individual administering assistance on its behalf, or any persons within its employ, to have access to confidential information unless explicitly authorized by the Landlord for reasons that specifically call for these individuals to have access to the information pursuant to applicable Federal, State, or local law.
- (c) The Landlord shall not enter confidential information into any shared database or disclose such information to any other entity or individual, except to the extent that the disclosure is requested or consented to in writing by the individual in a time-limited release; required for use in an eviction proceeding; or is required by applicable law.

g. Eviction by Court Action. The owner may evict the tenant only by a court action.

h. Owner Notice of Grounds

- (1) At or before the beginning of a court action to evict the tenant, the owner must give the tenant a notice that specifies the grounds for termination of tenancy. The notice may be included in or combined with any owner eviction notice.
- (2) The owner must give the PHA a copy of any owner eviction notice at the same time the owner notifies the tenant.
- (3) Eviction notice means a notice to vacate, or a complaint or other initial pleading used to begin an eviction action under State or local law.

9. PHA Termination of Assistance

The PHA may terminate program assistance for the family for any grounds authorized in accordance with HUD requirements. If the PHA terminates program assistance for the family, the lease terminates automatically.

10. Lease: Relation to HAP Contract

If the HAP contract terminates for any reason, the lease terminates automatically.

Upon termination or expiration of the HAP contract without extension, each family assisted under the contract may elect to use its assistance to remain in the same project if the family's unit complies with the inspection requirements, the rent for the unit is reasonable, and the family pays its required share of the rent and the amount, if any, by which the unit rent (including the amount for tenant-based utilities) exceeds the applicable payment standard.

11. Family Right to Move

- a. The family may terminate its lease at any time after the first year of occupancy. The family must give the owner advance written notice of intent to vacate (with a copy to the PHA) in accordance with the lease. If the family has elected to terminate the lease in this manner, the PHA must offer the family the opportunity for tenant-based rental assistance in accordance with HUD requirements.
- b. Before providing notice to terminate the lease under paragraph a, the family must first contact the PHA to request tenant-based rental assistance if the family wishes to move with continued assistance. If tenant-based rental

assistance is not immediately available upon lease termination, the PHA shall give the family priority to receive the next available opportunity for tenant-based rental assistance.

12. Security Deposit

- a. The owner may collect a security deposit from the tenant. (However, the PHA may prohibit the owner from collecting a security deposit in excess of private market practice, or in excess of amounts charged by the owner to unassisted tenants.)
- b. When the family moves out of the contract unit, the owner, subject to State and local law, may use the security deposit, including any interest on the deposit, as reimbursement for any unpaid rent payable by the tenant, any damages to the unit or any other amounts that the tenant owes under the lease.
- c. The owner must give the tenant a list of all items charged against the security deposit, and the amount of each item. After deducting the amount, if any, used to reimburse the owner, the owner must promptly refund the full amount of the unused balance to the tenant.
- d. If the security deposit is not sufficient to cover amounts the tenant owes under the lease, the owner may collect the balance from the tenant.

13. Prohibition of Discrimination

In accordance with applicable nondiscrimination and equal opportunity laws, statutes, Executive Orders, and regulations, the owner must not discriminate against any person because of race, color, religion, sex (including sexual orientation and gender identity), national origin, age, familial status, or disability in connection with the lease. Eligibility for HUD's programs must be made without regard to actual or perceived sexual orientation, gender identity, or marital status.

14. Conflict with Other Provisions of Lease

- a. The terms of the tenancy addendum are prescribed by HUD in accordance with Federal law and regulation, as a condition for Federal assistance to the tenant and tenant's family under the Section 8 PBV program.
- b. In case of any conflict between the provisions of the tenancy addendum as required by HUD, and any other provisions of the lease or any other agreement between the owner and the tenant, the requirements of the HUD-required tenancy addendum shall control.

15. Changes in Lease and Rent

- a. The tenant and the owner may not make any change in the tenancy addendum. However, if the tenant and the owner agree to any other changes in the lease, such changes must be in writing, and the owner must immediately give the PHA a copy of such changes. The lease, including any changes, must be in accordance with the requirements of the tenancy addendum.
- b. The owner must notify the PHA in advance of any proposed change in lease requirements governing the allocation of tenant and owner responsibilities for utilities. Such changes may be made only if approved by the PHA and if in accordance with the terms of the lease relating to its amendment. The PHA must redetermine reasonable rent in accordance with HUD requirements, based on any changes in the allocation of responsibility for utilities between the owner and tenant, and the redetermined reasonable rent shall be used in the calculation of the rent to owner from the effective date of the change.

Responsibilities of Households Receiving Housing Assistance

Housing Choice Voucher Program participants through the Boulder County Housing Authority (BCHA) must comply with all of the following terms of the program, their lease, and all provisions stated in this document. **Failure to comply with any of these may result in termination from the program.** Please note that all "I" statements below pertain to every household member.

ANNUAL RECERTIFICATION. I understand that once a year, prior to the anniversary date of my current lease, BCHA will review my household's eligibility for the program, including collecting current income and asset documentation, verifying current household members, and verifying program compliance, among other things.

- **SUPPLYING INFORMATION:** I understand that I must supply any information that BCHA or HUD determines to be necessary, including the submission of required evidence of citizenship or eligible immigration status. I must supply any information requested by BCHA or HUD for use in a regularly scheduled reexamination or interim reexamination of family income and composition. I must disclose and verify social security numbers and sign and submit consent forms for obtaining information. I must supply any information requested by BCHA to verify that I am living in the unit or information related to family absence from the unit.

INSPECTIONS. I understand that at least once a year, BCHA will inspect my unit to assure that it meets the U.S. Department of Housing and Urban Development's (HUD) Housing Quality Standards. I will receive reasonable prior notice of the inspection date and time. I understand that it is my responsibility to be available for this inspection, and if I am not able to be present at the inspection, I will make sure that an adult family member/neighbor over age 18 is present. I understand that BCHA may terminate my housing assistance for inspection violations caused by the tenant, household members, or guests, and for inspections not completed.

REPORT CHANGES IN INCOME. I understand that I must report *any change* in income (increase or decrease which may be due to job acceptance, job loss, pay raises/decreases, etc. to BCHA **within 10 days of the occurrence**. I understand that my late notification of an income change to my case manager may require that the income increase be processed immediately and/or that I will be required to enter into a repayment agreement with BCHA for past unreported income. I will contact my case manager to request that a verification of earnings form be sent to my previous/current/future employer to obtain this information. I also understand that it is my responsibility to ensure that the documentation has been received by my case manager.

- **ZERO OR LOW INCOME POLICY:** I understand that if my household is reporting low or zero income I will have to meet with my case manager at least once every three months and provide current information regarding my household income and expenses. I will need to bring copies of all household bills and expenses (utilities, insurance, cell phone, internet, grocery's, etc.) for the previous three months to the appointment; in addition to the three most recent months' worth of back statements, for all household members' accounts.
- **20TH OF THE MONTH POLICY:** I understand that in order to have your rent reduced for the next month due to a change in family circumstances (adding/removing a family member) or a decrease in income, all documentation regarding the change must be submitted to my case manager **on or before** the 20th day of any month. All changes must be submitted in writing with the supporting documentation.
 - For a decrease in income this can be a letter from the employer showing your last day worked or a copy of your letter of resignation to your employer.
 - Child support verifications showing a decrease in amount received.
 - Benefit award letter showing a decrease in benefits for TANF or Social Security.

UNIT OCCUPANCY. I must receive prior approval from BCHA to add another family member(s) as an occupant of the unit, and will immediately notify BCHA if any household members no longer reside in, or are temporarily absent from the unit. I understand that if I fail to obtain prior approval from BCHA to add another family member(s) that the individual(s) will be considered unauthorized resident(s). I also understand that if my

household reduces in size, my voucher size may change, and I may be required to move from my existing residence at the expiration of my lease. A guest may remain in the unit no longer than 14 consecutive days or for a total of 30 cumulative calendar days during any 12-month period. Children who are subject to a joint-custody arrangement, or for whom a family has visitation privileges that are not included as a family member due to living outside of the household more than 50 percent of the time, are not subject to the time limitations of guests, as described above. A family may request an exception to this policy for valid reasons such as caring for a relative who is recovering from a medical procedure for a period of at least 30 consecutive days. No exceptions will be made unless the family can provide documentation identifying the residence to which the guest will return.
- **ABSENT FAMILY MEMBERS:** I understand that I must promptly notify BCHA in writing whenever I or any family member is going to be away from the unit for an extended period of time longer than 180 consecutive days.

I am responsible for any damage to the unit or premises (other than damage from ordinary wear and tear), and am also responsible for my guests and their actions. I understand that I may not commit any serious or repeated violations of the lease, and that failure to comply with the terms of the lease may result in termination from the program.

- **SERIOUS OR REPEATED LEASE VIOLATIONS:** Serious and repeated lease violations will include, but not be limited to, nonpayment of rent, disturbance of neighbors, and destruction of property, living or housekeeping habits that cause damage to the unit or premises; and criminal activity. Generally, the criterion to be used will be whether or not the reason for the eviction was the fault of the tenant or guests. Any incidents of, or criminal activity related to, domestic violence, dating violence, or stalking will not be construed as serious or repeated lease violations by the victim.

RESIDENCE: I understand that I may have only one residence.

MOVE NOTIFICATION. I understand that my initial lease with a landlord is to be for a one-year term; after that, I may choose to transfer to a month-to-month lease, if approved by the landlord. I understand that I may not move to a new unit if I owe monies to a previous landlord or am not in compliance with a repayment agreement.

- **ELECTIVE MOVES:** BCHA will deny a family permission to make an elective move during the family's initial lease term. This policy applies to moves within its jurisdiction or outside it under portability. BCHA will also deny a family permission to make more than one elective move during any 12-month period. This policy applies to all assisted families residing in BCHA's jurisdiction. BCHA will consider exceptions to these policies for the following reasons: to protect the health or safety of a family member (e.g., lead-based paint hazards, domestic violence, witness protection programs), to accommodate a change in family circumstances (e.g., new employment, school attendance in a distant area), or to address an emergency situation over which a family has no control. If I desire to move while contracted in a lease, I must, first contact my caseworker for approval.
- **SECURITY DEPOSIT.** I understand that, upon moving into a new unit, a landlord may collect a security deposit, and that it is my responsibility to make sure that I anticipate and budget for this expense.

Violent criminal activity is defined as any criminal activity that has as one of its elements the use, attempted use, or threatened use of physical force against the person or property of another.

I understand that BCHA will disclose information concerning Methamphetamine use and unit contamination with all relevant individuals and agencies.

BEHAVIOR TOWARD BCHA PERSONNEL. I understand that any abusive or violent behavior towards any BCHA staff member may result in termination of my rental assistance, or denial of my application for assistance.

FRAUD, BRIBERY, CRIMINAL ACTS. I understand that I may not sublease or sublet my unit, and that I am not allowed to assign the lease or transfer the unit. I may not own or have any interest in the unit and may not rent from a family member unless a reasonable accommodation has been granted. PORTABILITY

BCHA POLICY

If neither the Head of Household nor the spouse or Co-Head of an applicant family had a domicile (legal residence) in BCHA's jurisdiction at the time the family's application for assistance was submitted, the family must live in BCHA's jurisdiction with voucher assistance for at least 12 months before requesting portability.

If you are considering such a move, you **MUST** first:

- Notify your case manager
- Sign a new voucher
- Provide the housing authority name, address, phone and fax numbers, and the person in charge of portability from the jurisdiction to which you wish to move
- Notify current landlord with a 30-day written notice of move out and copy to BCHA
- You must be in good standing with BCHA (not owing BCHA money, etc.)

BCHA will then fax the portability packet to the out of jurisdiction Housing Authority. The portability packet includes the Family Request for Portability form, required HUD forms (form 52665 and 50058), a copy of the voucher, birth certificates, and Social Security cards. On your arrival at your new location, you must contact the receiving housing authority for further appointments and instructions before looking for a new unit.

Other Housing Opportunities

Voucher families are encouraged to search for housing within the PHA's jurisdiction that includes areas of low poverty concentration. Moving from an area with a high poverty concentration to an area with a lower poverty concentration may provide advantages for families. However, finding housing in these areas that fall within BCHA's current payment standards may be more difficult.

Advantages that may appeal to families who consider moving to a lower-poverty neighborhood may include:

- Increased safety in lower-crime neighborhoods;
- Relocation from drug-trafficking areas;
- Improved schools for children;
- Proximity to jobs or job opportunities;
- Better-quality housing; and
- More responsive owners.

When considering a move, whether through Portability, to move to an area with less poverty concentration, or for other reasons, please keep in mind the costs of moving (e.g., security deposits, rental truck, storage, etc) and of obtaining transportation, proximity to work and school, finding day care, and other services in new neighborhoods. Please ask your Case Manager about resources to help make your move more successful.

Applicants, residents, and Housing Choice Voucher program participants with disabilities may request a reasonable accommodation or modification.

You do not have to use a specific form or use the words "reasonable accommodation" to make a request.

BCHA staff can help you make a request if you need assistance.

How do I request an accommodation?

BCHA's **Reasonable Accommodation Request Packet** is available to all applicants, residents, and program participants. The packet is attached, available online at [\[www.boco.org/reasonableaccommodation\]](http://www.boco.org/reasonableaccommodation), and may also be provided by the Committee Administrator, your property manager, housing specialist or resident services case manager upon request.

The request should explain:

1. The accommodation or modification you are requesting.
2. Why you need the accommodation or modification because of a disability.

What happens after I submit a request?

BCHA reviews requests on a case-by-case basis.

If additional information is needed, BCHA will let you know what information is required.

After the Reasonable Accommodation Committee reviews your request, BCHA will provide a written decision within **10 business days** of the meeting.

BCHA may:

- Approve the request.
- Approve the request with conditions.
- Ask for additional information.
- Offer an alternative to the request.
- Deny the request.

If your request is approved, BCHA will begin the process of putting the accommodation or modification in place.

What if my request is denied?

If BCHA denies your request, you will receive a written explanation.

You may:

- Submit the request again with additional information.
- Request an informal review with the BCHA Section 504/ADA Coordinator within **10 days** of the denial.
- Appeal the decision through the U.S. Department of Housing and Urban Development (HUD) or the U.S. Department of Justice.

Calculation of Income and Family Rent Portion for the Housing Choice Voucher Program

This flyer provides a basic overview of how a public housing agency (PHA) determines payment standard and calculates income and the family rent portion for Housing Choice Voucher tenants.

Q What is a payment standard and can I go over that amount?

The payment standard is the maximum monthly amount that the PHA will pay for rent plus utilities. The PHA establishes payment standards according to bedroom size. The payment standard used for a family is the lower of:

- ✓ The payment standard for the family unit size indicated on their voucher OR
- ✓ The payment standard for the size of the unit leased by the family
- ✓ People with disabilities may request a payment standard exception of up to 120% from the PHA as a reasonable accommodation to allow the rental of a unit that meets their disability-related needs.

The payment standard is not a rent limit. In some cases, you can choose a more expensive unit. But you would have to pay the difference.

Q How does the owner get paid under the Housing Choice Voucher Program?

The payment is made of two parts.

- ✓ The PHA will calculate the portion of the rent amount that you will pay the owner. Typically, this will be 30 percent of your family's monthly adjusted income. The exact amount varies depending on which utilities are your responsibility. Typically this amount is referred to as the **Family Rent Portion** or **Total Tenant Payment**.
- ✓ The PHA pays the **Housing Assistance Payment** or HAP. HAP is the difference between the **Family Rent Portion** and either the **gross rent (the cost of rent plus any tenant-paid utilities)** or the **payment standard**.

Q How does the PHA typically determine the Family Rent Portion?

1. The PHA determines your annual income.
2. The PHA determines your annual adjusted income by subtracting any mandated or other deductions.
3. The PHA divides the annual adjusted income by 12 (months) to determine your monthly adjusted income.
4. The PHA will determine which is the highest of
 - The monthly income x 10%
 - The monthly adjusted income x 30%
 - For families receiving welfare, the portion of welfare that is set aside for housing costs (in certain states)

The highest amount will be the Family Rent Portion.

How does the PHA determine an annual income?

For initial admissions or recertifications that take place in between annual recertifications—known as interim recertifications—PHAs must use anticipated income (current income) (i.e., the family's estimated income for the upcoming 12-month period).

For annual recertifications, the PHA must determine the family's income from the past 12 months. The PHA will adjust this amount for the recertification to show current income adjustments. Adjustments include changes related to interim recertifications.

PHAs may use income verification from another federal means-tested program such as a public assistance program to verify gross annual income.

What is included in my annual income?

To estimate the family's income for the upcoming 12-month period, the PHA will include:

-  All amounts from all sources not excluded in [24 CFR 5.609\(b\)](#) for each adult family member 18 years or older or the head of household or their spouse.
-  Unearned income by or on behalf of each dependent under 18 years.
-  Income from [net family assets with certain exceptions](#).

How is my annual income adjusted?

[Adjustments](#) to annual income can include required (also called "mandatory") deductions such as those for dependents, elderly or disabled households. Mandatory deductions can include [health and medical care expenses and also reasonable attendant care and auxiliary apparatus expenses](#). The medical and attendant deductions are for costs you have paid and not been repaid for. They are above certain percentages of the annual income as phased in under certain circumstances or adjusted by hardship exemptions. Another required deduction is for reasonable child-care expenses if a family member needs child care to be able to work or go to school. A PHA might establish additional deductions.

How often is family rent portion calculated?

Family rent portion is calculated at move-in and recertification. You must also report changes in income that take place. A household or family should request a PHA review their family's income between annual reviews if there are changes in a family situation or if there is a significant change in income.

Increases in income of 10% or more also require a PHA to review a household's income in an interim recertification. A series of smaller reported increases in adjusted income that equal or exceed 10% will also require a review to assess if the rent needs to be changed. Ask your PHA about any exceptions.

For more HCV tenant resources, visit HCV Applicant and Tenant Resources at <https://www.hud.gov/helping-americans/housing-choice-vouchers-tenants>.

Contact your local PHA for more information about any additional income included or excluded or additional deductions. To receive deductions or exclusions, you may need to provide proof of eligibility.

RECERTIFICATIONS – ANNUAL AND INTERIM

Annual Recertifications

You, and all program participants, are required to meet with their Case Manager annually to submit current household income and asset documentation, review your responsibilities, sign program paperwork, and answer questions. You will be notified of your meeting date and location via mail approx. 3 months prior to your anniversary date. The letter will also list paperwork you will need to bring to the meeting and documents you will need to sign prior to the meeting.

The meeting is generally held in an office located near your home and it is your responsibility to make sure you are available and able to attend. If you require a reasonable accommodation, such as a home visit, to participate in this, due to issues such as medical issues and transportation, you may request one with advanced notice.

At this meeting, your Case Manager will check-in on your current housing situation, let you know of any changes to rent that may be proposed by your current landlord, and inform you of any program updates. This is also a good opportunity for you to pose any questions or concerns about the program; provide information about any changes you may foresee to your household composition, income/employment status, etc.; and your interest in staying in or moving from your current unit.

To this meeting, you must bring the following, as applicable to your household:

- All household members over age 18
- All documentation mailed to you to sign
- Income documentation for all household members over age 18 (i.e., 1 month worth of paystubs, Social Security documentation, child support)
- Asset documentation for each household member with financial/bank accounts
- Child care expense documentation from your child care provider
- School verification for household members over 18 who attend(s) school
- Medical expense receipts (if you are eligible to submit) (i.e., receipts for paid medical appointments, over-the-counter items, prescription printouts)

Note: please bring copies of all documents you want to keep for your files.

Again, this meeting is a requirement of the program. To continue receiving rental assistance, you must attend this appointment, even if it means rearranging your schedule. If you must reschedule, please contact your Case Manager in a timely manner to reschedule. Otherwise, your Case Manager will assume that you are no longer interested in housing assistance and will send you a cancellation notice.

Interim Recertifications

Program participants must notify their Case Manager of any change in household income or family composition within 10 days of its occurrence. These changes in income or composition are likely to result in a change to your rent payments.

These changes may include:

- Changes to employment income, unemployment benefits, Social Security, child support and/or maintenance, Social Services benefits
- Changes to child care expenses
- Birth of a child
- Marriage/Divorce
- Significant Other moving in to the household
- Household Member/Significant Other leaving the household

You must notify your Case Manager of any changes to income and household composition by sending any and all documentation verifying the changes on or before the 20th of the month. It may benefit you to contact your Case Manager to confirm that they have received all required documentation.

When you report a change that decreases your rent, the new payment will be effective the first of the month following when the change was reported in writing. For example, if you report a documented decrease in your income on May 15, the decrease in your rent would be effective June 1.

When you report a change that increases your rent, you will be given at least 30 days' notice of any increase in your rent. For example, if you report a documented increase in your income on May 15, the increase in your rent would be effective July 1.

If you fail to an increase in income by the required timeline, you may be subject to repayment. If you fail to disclose a decrease in income by the required timeline, you will not benefit from the possible decrease in rent that may result from your lower income.

GUIDE TO INFORMAL HEARINGS FOR PARTICIPANTS

This Guide outlines the basic procedures for informal hearings for participants as governed by applicable law, regulations and the Boulder County Housing Authority Section 8/Housing Choice Voucher Administrative Plan (the "Plan"). It is meant as a guide only and if any provision of this Guide conflicts with the Plan, the Plan supersedes this Guide.

A copy of the Plan is available at www.bouldercountyhousing.org under "Housing Choice Vouchers" and then on the "Plans/Policies" tab or you may request a copy from staff.

1. Scheduling of a Hearing

- a. **How to Request a Hearing:** A request for an informal hearing must be made in writing and delivered to Boulder County Housing Authority ("BCHA") staff either in person or by first class mail, by the close of business, no later than 10 business days from the date of BCHA's decision or notice to terminate assistance.
- b. **Scheduling:** After receiving a proper request, BCHA will schedule and send written notice of the informal hearing to the family within 10 business days of the family's written request.
- c. **Rescheduling:** The family may request to reschedule a hearing for good cause, or if it is needed as a reasonable accommodation for a person with disabilities. Good cause is defined as an unavoidable conflict which seriously affects the health, safety or welfare of the family.

Requests to reschedule a hearing must be made verbally or in writing prior to the hearing date. At its discretion, staff may request documentation of the "good cause" prior to rescheduling the hearing.

If the family does not appear at the scheduled time, and was unable to reschedule the hearing in advance due to the nature of the conflict, the family must contact staff within 24 hours of the scheduled hearing date, excluding weekends and holidays. BCHA will reschedule the hearing only if the family can show good cause for the failure to appear, or if it is needed as a reasonable accommodation for a person with a disability.

2. Documents to be Used at the Hearing (Discovery)

- a. All documents upon which BCHA will rely for the hearing will be made available to the family for pickup 2 business days in advance of the hearing. If

BCHA does not make the document(s) available for examination on request of the family, then BCHA may not rely on the document at the hearing.

- b. The family must also submit any documents that are directly relevant to the hearing. All documents must be made available to BCHA for review no later than 2 business days in advance of the hearing. BCHA will be allowed to copy any such document at its expense. If the family does not make the document(s) available for examination, the family may not rely on the document at the hearing.

3. Representation of the Family and Right to Counsel

At its own expense, the family may be represented by a lawyer or other representative at the informal hearing.

4. The Hearing Officer

- a. The hearing will be conducted by a Hearing Officer. A Hearing Officer is a person or persons designated by BCHA. The Hearing Officer is someone who has not made or approved the decision under review or a subordinate of this person.
- b. The Hearing Officer has been trained to serve as a presiding person in housing termination hearings, and will follow the Boulder County Department of Housing and Human Services policies and procedures for hearings.
- c. The Hearing Officer will regulate the conduct of the hearing in accordance with BCHA's hearing procedures and the Plan.

5. Presentation of Evidence at the Hearing

BCHA and the family must have the opportunity to present evidence and may question any witnesses. Evidence may be considered without regard to admissibility under the rules of evidence applicable to judicial proceedings.

6. Who May Attend the Hearing

In addition to the Hearing Officer, the following applicable persons may attend:

- 1. BCHA representative(s) and any witnesses for BCHA;
- 2. BCHA's legal counsel;
- 3. The participant and any witnesses for the participant;
- 4. The participant's counsel or other representative; and
- 5. Any other person approved by BCHA as a reasonable accommodation for a person with a disability.

7. Conduct at Hearings

The Hearing Officer is responsible to manage the order of business and to ensure that hearings are conducted in a professional and businesslike manner. Attendees are expected to comply with all hearing procedures established by the Hearing Officer and guidelines for conduct. Any person demonstrating disruptive, abusive or otherwise inappropriate behavior will be excused from the hearing at the discretion of the Hearing Officer.

8. Issuance of Decision

The Hearing Officer must issue a written decision within 10 business days from the date of the hearing, stating briefly the reasons for the decision. Factual determinations relating to the individual circumstances of the family shall be based on a preponderance of the evidence presented at the hearing.

A copy of the hearing decision will be furnished promptly to the family.

9. Effect of the Decision

BCHA is not bound by a hearing decision:

- a. Concerning a matter for which BCHA is not required to provide an opportunity for an informal hearing under this Section, or that otherwise exceeds the authority of the person conducting the hearing under BCHA's hearing procedures.
- b. Contrary to HUD regulations or requirements, or otherwise contrary to Federal, State or local law.
- c. If BCHA determines that it is not bound by a hearing decision, it will notify the family within 10 business days of the determination and of the reasons for the determination.

10. Considering Circumstances

In deciding whether to terminate assistance because of action or inaction by members of the family, BCHA may consider all of the circumstances in each case, including the seriousness of the case, the extent of participation or culpability of individual family members, and the effects of denial or termination of assistance on other family members who were not involved in the action or failure.

BCHA may impose, as a condition of continued assistance for other family members, a requirement that family members who participated in or were culpable for the action or failure will not reside in the unit, BCHA may permit the other members of a participant family to continue receiving assistance.

If BCHA seeks to terminate assistance because of illegal use, or possession for personal use, of a controlled substance, or pattern of abuse of alcohol, such use or possession or pattern of abuse must have occurred within one year before the date that BCHA provides notice to the family of BCHA determination to deny or terminate assistance. In determining whether to terminate assistance for these reasons BCHA will consider evidence of whether the household member:

- a. Has successfully completed a supervised drug or alcohol rehabilitation program (as applicable) and is no longer engaging in the illegal use of a controlled substance or abuse of alcohol;
- b. Has otherwise been rehabilitated successfully and is no longer engaging in the illegal use of a controlled substance or abuse of alcohol; or
- c. Is participating in a supervised drug or alcohol rehabilitation program and is no longer engaging in the illegal use of a controlled substance or abuse of alcohol.

BOULDER COUNTY HOUSING AUTHORITY
Notice of Occupancy Rights under the Violence Against Women Act¹

To all Tenants and Applicants

The Violence Against Women Act (VAWA) provides protections for victims of domestic violence, dating violence, sexual assault, or stalking. VAWA protections are not only available to women, but are available equally to all individuals regardless of sex, gender identity, or sexual orientation.² The U.S. Department of Housing and Urban Development (HUD) is the Federal agency that oversees that **Boulder County Housing Authority Housing Choice Voucher Program and Rental Assistance Programs**, is in compliance with VAWA. This notice explains your rights under VAWA. A HUD-approved certification form is attached to this notice. You can fill out this form to show that you are or have been a victim of domestic violence, dating violence, sexual assault, or stalking, and that you wish to use your rights under VAWA.³

Protections for Applicants

If you otherwise qualify for assistance under **Boulder County Housing Authority Housing**, you cannot be denied admission or denied assistance because you are or have been a victim of domestic violence, dating violence, sexual assault, or stalking.

Protections for Tenants

If you are receiving assistance under **Boulder County Housing Authority**, you may not be denied assistance, terminated from participation, or be evicted from your rental housing because you are or have been a victim of domestic violence, dating violence, sexual assault, or stalking.

Also, if you or an affiliated individual of yours is or has been the victim of domestic violence, dating violence, sexual assault, or stalking by a member of your household or any guest, you may not be denied rental assistance or occupancy rights under **Boulder County Housing Authority**, solely on the basis of criminal activity directly relating to that domestic violence, dating violence, sexual assault, or stalking.

Affiliated individual means your spouse, parent, brother, sister, or child, or a person to whom you stand in the place of a parent or guardian (for example, the affiliated individual is in your care, custody, or control); or any individual, tenant, or lawful occupant living in your household.

Removing the Abuser or Perpetrator from the Household

BCHA may divide (bifurcate) your lease in order to evict the individual or terminate the assistance of the individual who has engaged in criminal activity (the abuser or perpetrator) directly relating to domestic violence, dating violence, sexual assault, or stalking.

If BCHA chooses to remove the abuser or perpetrator, BCHA may not take away the rights of eligible tenants to the unit or otherwise punish the remaining tenants. If the evicted abuser or perpetrator was the sole tenant to have established eligibility for assistance under the program,

¹ Despite the name of this law, VAWA protection is available regardless of sex, gender identity, or sexual orientation.

² Housing providers cannot discriminate on the basis of any protected characteristic, including race, color, national origin, religion, sex, familial status, disability, or age. HUD-assisted and HUD-insured housing must be made available to all otherwise eligible individuals regardless of actual or perceived sexual orientation, gender identity, or marital status.

BCHA must allow the tenant who is or has been a victim and other household members to remain in the unit for a period of time, in order to establish eligibility under the program or under another HUD housing program covered by VAWA, or, find alternative housing.

In removing the abuser or perpetrator from the household, BCHA must follow Federal, State, and local eviction procedures. In order to divide a lease, BCHA may, but is not required to, ask you for documentation or certification of the incidences of domestic violence, dating violence, sexual assault, or stalking.

Moving to Another Unit

Upon your request, BCHA may permit you to move to another unit, subject to the availability of other units, and still keep your assistance. In order to approve a request, BCHA may ask you to provide documentation that you are requesting to move because of an incidence of domestic violence, dating violence, sexual assault, or stalking. If the request is a request for emergency transfer, the housing provider may ask you to submit a written request or fill out a form where you certify that you meet the criteria for an emergency transfer under VAWA. The criteria are:

- (1) **You are a victim of domestic violence, dating violence, sexual assault, or stalking.** If your housing provider does not already have documentation that you are a victim of domestic violence, dating violence, sexual assault, or stalking, your housing provider may ask you for such documentation, as described in the documentation section below.
- (2) **You expressly request the emergency transfer.** Your housing provider may choose to require that you submit a form, or may accept another written or oral request.
- (3) **You reasonably believe you are threatened with imminent harm from further violence if you remain in your current unit.** This means you have a reason to fear that if you do not receive a transfer you would suffer violence in the very near future.

OR

You are a victim of sexual assault and the assault occurred on the premises during the 90-calendar-day period before you request a transfer. If you are a victim of sexual assault, then in addition to qualifying for an emergency transfer because you reasonably believe you are threatened with imminent harm from further violence if you remain in your unit, you may qualify for an emergency transfer if the sexual assault occurred on the premises of the property from which you are seeking your transfer, and that assault happened within the 90-calendar-day period before you expressly request the transfer.

BCHA will keep confidential requests for emergency transfers by victims of domestic violence, dating violence, sexual assault, or stalking, and the location of any move by such victims and their families.

BCHA's emergency transfer plan provides further information on emergency transfers, and BCHA must make a copy of its emergency transfer plan available to you if you ask to see it.

Documenting You Are or Have Been a Victim of Domestic Violence, Dating Violence, Sexual Assault or Stalking

BCHA can, but is not required to, ask you to provide documentation to “certify” that you are or have been a victim of domestic violence, dating violence, sexual assault, or stalking. Such request from BCHA must be in writing, and BCHA must give you at least 14 business days (Saturdays, Sundays, and Federal holidays do not count) from the day you receive the request to provide the documentation. BCHA may, but does not have to, extend the deadline for the submission of documentation upon your request.

You can provide one of the following to BCHA as documentation. It is your choice which of the following to submit if BCHA asks you to provide documentation that you are or have been a victim of domestic violence, dating violence, sexual assault, or stalking.

- A complete HUD-approved certification form given to you by BCHA with this notice, that documents an incident of domestic violence, dating violence, sexual assault, or stalking. The form will ask for your name, the date, time, and location of the incident of domestic violence, dating violence, sexual assault, or stalking, and a description of the incident. The certification form provides for including the name of the abuser or perpetrator if the name of the abuser or perpetrator is known and is safe to provide.
- A record of a Federal, State, tribal, territorial, or local law enforcement agency, court, or administrative agency that documents the incident of domestic violence, dating violence, sexual assault, or stalking. Examples of such records include police reports, protective orders, and restraining orders, among others.
- A statement, which you must sign, along with the signature of an employee, agent, or volunteer of a victim service provider, an attorney, a medical professional or a mental health professional (collectively, “professional”) from whom you sought assistance in addressing domestic violence, dating violence, sexual assault, or stalking, or the effects of abuse, and with the professional selected by you attesting under penalty of perjury that he or she believes that the incident or incidents of domestic violence, dating violence, sexual assault, or stalking are grounds for protection.
- Any other statement or evidence that BCHA has agreed to accept.

If you fail or refuse to provide one of these documents within the 14 business days, BCHA does not have to provide you with the protections contained in this notice.

If BCHA receives conflicting evidence that an incident of domestic violence, dating violence, sexual assault, or stalking has been committed (such as certification forms from two or more members of a household each claiming to be a victim and naming one or more of the other petitioning household members as the abuser or perpetrator), BCHA has the right to request that you provide third-party documentation within thirty 30 calendar days in order to resolve the conflict. If you fail or refuse to provide third-party documentation where there is conflicting evidence, BCHA does not have to provide you with the protections contained in this notice.

Confidentiality

BCHA must keep confidential any information you provide related to the exercise of your rights under VAWA, including the fact that you are exercising your rights under VAWA.

BCHA must not allow any individual administering assistance or other services on behalf of BCHA (for example, employees and contractors) to have access to confidential information unless for reasons that specifically call for these individuals to have access to this information under applicable Federal, State, or local law.

BCHA must not enter your information into any shared database or disclose your information to any other entity or individual. BCHA, however, may disclose the information provided if:

- You give written permission to BCHA to release the information on a time limited basis.
- BCHA needs to use the information in an eviction or termination proceeding, such as to evict your abuser or perpetrator or terminate your abuser or perpetrator from assistance under this program.
- A law requires BCHA or your landlord to release the information.

VAWA does not limit BCHA's duty to honor court orders about access to or control of the property. This includes orders issued to protect a victim and orders dividing property among household members in cases where a family breaks up.

Reasons a Tenant Eligible for Occupancy Rights under VAWA May Be Evicted or Assistance May Be Terminated

You can be evicted and your assistance can be terminated for serious or repeated lease violations that are not related to domestic violence, dating violence, sexual assault, or stalking committed against you. However, BCHA cannot hold tenants who have been victims of domestic violence, dating violence, sexual assault, or stalking to a more demanding set of rules than it applies to tenants who have not been victims of domestic violence, dating violence, sexual assault, or stalking.

The protections described in this notice might not apply, and you could be evicted and your assistance terminated, if BCHA can demonstrate that not evicting you or terminating your assistance would present a real physical danger that:

- 1) Would occur within an immediate time frame, and
- 2) Could result in death or serious bodily harm to other tenants or those who work on the property.

If BCHA can demonstrate the above, BCHA should only terminate your assistance or evict you if there are no other actions that could be taken to reduce or eliminate the threat.

Other Laws

VAWA does not replace any Federal, State, or local law that provides greater protection for victims of domestic violence, dating violence, sexual assault, or stalking. You may be entitled to additional housing protections for victims of domestic violence, dating violence, sexual assault, or stalking under other Federal laws, as well as under State and local laws.

Non-Compliance with The Requirements of This Notice

You may report a covered housing provider's violations of these rights and seek additional assistance, if needed, by contacting or filing a complaint with Boulder County Housing Authority or the Denver HUD field office.

OMB Approval No. 2577-0286
Exp. 06/30/2017

Purpose of Form: The Violence Against Women Act ("VAWA") protects applicants, tenants, and program participants in certain HUD programs from being evicted, denied housing assistance, or terminated from housing assistance based on acts of domestic violence, dating violence, sexual assault, or stalking against them. Despite the name of this law, VAWA protection is available to victims of domestic violence, dating violence, sexual assault, and stalking, regardless of sex, gender identity, or sexual orientation.

Use of This Optional Form: If you are seeking VAWA protections from your housing provider, your housing provider may give you a written request that asks you to submit documentation about the incident or incidents of domestic violence, dating violence, sexual assault, or stalking.

In response to this request, you or someone on your behalf may complete this optional form and submit it to your housing provider, or you may submit one of the following types of third-party documentation:

- (1) A document signed by you and an employee, agent, or volunteer of a victim service provider, an attorney, or medical professional, or a mental health professional (collectively, "professional") from whom you have sought assistance relating to domestic violence, dating violence, sexual assault, or stalking, or the effects of abuse. The document must specify, under penalty of perjury, that the professional believes the incident or incidents of domestic violence, dating violence, sexual assault, or stalking occurred and meet the definition of "domestic violence," "dating violence," "sexual assault," or "stalking" in HUD's regulations at 24 CFR 5.2003.
- (2) A record of a Federal, State, tribal, territorial or local law enforcement agency, court, or administrative agency; or
- (3) At the discretion of the housing provider, a statement or other evidence provided by the applicant or tenant.

Submission of Documentation: The time period to submit documentation is 14 business days from the date that you receive a written request from your housing provider asking that you provide documentation of the occurrence of domestic violence, dating violence, sexual assault, or stalking. Your housing provider may, but is not required to, extend the time period to submit the documentation, if you request an extension of the time period. If the requested information is not received within 14 business days of when you received the request for the documentation, or any extension of the date provided by your housing provider, your housing provider does not need to grant you any of the VAWA protections. Distribution or issuance of this form does not serve as a written request for certification.

Confidentiality: All information provided to your housing provider concerning the incident(s) of domestic violence, dating violence, sexual assault, or stalking shall be kept confidential and such details shall not be entered into any shared database. Employees of your housing provider are not to have access to these details unless to grant or deny VAWA protections to you, and such employees may not disclose this information to any other entity or individual, except to the extent that disclosure is: (i) consented to by you in writing in a time-limited release; (ii) required for use in an eviction proceeding or hearing regarding termination of assistance; or (iii) otherwise required by applicable law.

- Section 8 Moderate Rehabilitation (24 CFR 882)

The U.S. Department of Housing and Urban Development maintains a national repository of debts owed to Public Housing Agencies (PHAs) or Section 8 landlords and adverse information of former participants who have voluntarily or involuntarily terminated participation in one of the above-listed HUD rental assistance programs. This information is maintained within HUD's Enterprise Income Verification (EIV) system, which is used by Public Housing Agencies (PHAs) and their management agents to verify employment and income information of program participants, as well as, to reduce administrative and rental assistance payment errors. The EIV system is designed to assist PHAs and HUD in ensuring that families are eligible to participate in HUD rental assistance programs and determining the correct amount of rental assistance a family is eligible for. All PHAs are required to use this system in accordance with HUD regulations at 24 CFR 5.233.

HUD requires PHAs, which administers the above-listed rental housing programs, to report certain information at the conclusion of your participation in a HUD rental assistance program. This notice provides you with information on what information the PHA is required to provide HUD, who will have access to this information, how this information is used and your rights. PHAs are required to provide this notice to all applicants and program participants and you are required to acknowledge receipt of this notice by signing page 2. Each adult household member must sign this form.

What information about you and your tenancy does HUD collect from the PHA?

How will this information be used?

PHAs will have access to this information during the time of application for rental assistance and reexamination of family income and composition for existing participants. PHAs will be able to access this information to determine a family's suitability for initial or continued rental assistance, and avoid providing limited Federal housing assistance to families who have previously been unable to comply with HUD program requirements. If the reported information is accurate, a PHA may terminate your current rental assistance and deny your future request for HUD rental assistance, subject to PHA policy.

How long is the debt owed and termination information maintained in EIV?

HUD's record retention policies at 24 CFR Part 908 and 24 CFR Part 982 provide that the PHA may destroy your records three years from the date your participation in the program ends. To ensure the availability of your records, disputes of the original debt or termination information must be made within three years from the end of participation date; otherwise the debt and termination information will be presumed correct. Only the PHA who reported the adverse information about you can delete or correct your record. Your filing of bankruptcy will not result in the removal of debt owed or termination information from HUD's EIV system. However, if you have included this debt in your bankruptcy filing and/or this debt has been discharged by the bankruptcy court, your record will be updated to include the bankruptcy indicator, when you provide the PHA with documentation of your bankruptcy status.

Instructions for use of HAP Contract

This form of Housing Assistance Payments Contract (HAP contract) is used to provide Section 8 tenant-based assistance under the housing choice voucher program (voucher program) of the U.S. Department of Housing and Urban Development (HUD). The main regulation for this program is 24 Code of Federal Regulations Part 982.

The local voucher program is administered by a public housing agency (PHA). The HAP contract is an agreement between the PHA and the owner of a unit occupied by an assisted family. The HAP contract has three parts:

- Part A Contract information (fill-ins). See section by section instructions.
- Part B Body of contract
- Part C Tenancy addendum

Use of this form

Use of this HAP contract is required by HUD. Modification of the HAP contract is not permitted. The HAP contract must be worded in the form prescribed by HUD.

However, the PHA may choose to add the following:

Language that prohibits the owner from collecting a security deposit in excess of private market practice, or in excess of amounts charged by the owner to unassisted tenants. Such a prohibition must be added to Part A of the HAP contract.

Language that defines when the housing assistance payment by the PHA is deemed received by the owner (e.g., upon mailing by the PHA or actual receipt by the owner). Such language must be added to Part A of the HAP contract.

To prepare the HAP contract, fill in all contract information in Part A of the contract. Part A must then be executed by the owner and the PHA.

Use for special housing types

In addition to use for the basic Section 8 voucher program, this form must also be used for the following "special housing types" which are voucher program variants for special needs (see 24 CFR Part 982, Subpart M): (1) single room occupancy (SRO) housing; (2) congregate housing; (3) group home; (4) shared housing; and (5) manufactured home rental by a family that leases the manufactured home and space. When this form is used for a special housing type, the special housing type shall be specified in Part A of the HAP contract, as follows: "This HAP contract is used for the following special housing type under HUD regulations for the Section 8 voucher program: (Insert Name of Special Housing type)."

However, this form may not be used for the following special housing types: (1) manufactured home space rental by a family that owns the manufactured home and leases only the space; (2) cooperative housing; and (3) the homeownership option under Section 8(y) of the United States Housing Act of 1937 (42 U.S.C. 1437f(y)).

Part B of HAP Contract: Body of Contract

1. Purpose

- a. This is a HAP contract between the PHA and the owner. The HAP contract is entered to provide assistance for the family under the Section 8 voucher program (see HUD program regulations at 24 Code of Federal Regulations Part 982).
- b. The HAP contract only applies to the household and contract unit specified in Part A of the HAP contract.
- c. During the HAP contract term, the PHA will pay housing assistance payments to the owner in accordance with the HAP contract.
- d. The family will reside in the contract unit with assistance under the Section 8 voucher program. The housing assistance payments by the PHA assist the tenant to lease the contract unit from the owner for occupancy by the family.

2. Lease of Contract Unit

- a. The owner has leased the contract unit to the tenant for occupancy by the family with assistance under the Section 8 voucher program.
- b. The PHA has approved leasing of the unit in accordance with requirements of the Section 8 voucher program.
- c. The lease for the contract unit must include word-for-word all provisions of the tenancy addendum required by HUD (Part C of the HAP contract).
- d. The owner certifies that:
 - (1) The owner and the tenant have entered into a lease of the contract unit that includes all provisions of the tenancy addendum.
 - (2) The lease is in a standard form that is used in the locality by the owner and that is generally used for other unassisted tenants in the premises.
 - (3) The lease is consistent with State and local law.
- e. The owner is responsible for screening the family's behavior or suitability for tenancy. The PHA is not responsible for such screening. The PHA has no liability or responsibility to the owner or other persons for the family's behavior or the family's conduct in tenancy.

3. Maintenance, Utilities, and Other Services

- a. The owner must maintain the contract unit and premises in accordance with the housing quality standards (HQS).
- b. The owner must provide all utilities needed to comply with the HQS.
- c. If the owner does not maintain the contract unit in accordance with the HQS, or fails to provide all utilities needed to comply with the HQS, the PHA may exercise any available remedies. PHA remedies

for such breach include recovery of overpayments, suspension of housing assistance payments, abatement or other reduction of housing assistance payments, termination of housing assistance payments, and termination of the HAP contract. The PHA may not exercise such remedies against the owner because of an HQS breach for which the family is responsible, and that is not caused by the owner.

- d. The PHA shall not make any housing assistance payments if the contract unit does not meet the HQS, unless the owner corrects the defect within the period specified by the PHA and the PHA verifies the correction. If a defect is life threatening, the owner must correct the defect within no more than 24 hours. For other defects, the owner must correct the defect within the period specified by the PHA.
- e. The PHA may inspect the contract unit and premises at such times as the PHA determines necessary, to ensure that the unit is in accordance with the HQS.
- f. The PHA must notify the owner of any HQS defects shown by the inspection.
- g. The owner must provide all housing services as agreed to in the lease.

Term of HAP Contract

a. **Relation to lease term.** The term of the HAP contract begins on the first day of the initial term of the lease and terminates on the last day of the term of the lease (including the initial lease term and any extensions).

b. **When HAP contract terminates.**

- (1) The HAP contract terminates automatically if the lease is terminated by the owner or the tenant.
- (2) The PHA may terminate program assistance for the family for any grounds authorized in accordance with HUD requirements. If the PHA terminates program assistance for the family, the HAP contract terminates automatically.
- (3) If the family moves from the contract unit, the HAP contract terminates automatically.
- (4) The HAP contract terminates automatically 180 calendar days after the last housing assistance payment to the owner.
- (5) The PHA may terminate the HAP contract if the PHA determines, in accordance with HUD requirements, that available program funding is not sufficient to support continued assistance for families in the program.
- (6) The HAP contract terminates automatically upon the death of a single member household, including single member households with a live-in aide.

- (7) The PHA may terminate the HAP contract if the PHA determines that the contract unit does not provide adequate space in accordance with the HQS because of an increase in family size or a change in family composition.
- (8) If the family breaks up, the PHA may terminate the HAP contract, or may continue housing assistance payments on behalf of family members who remain in the contract unit.
- (9) The PHA may terminate the HAP contract if the PHA determines that the unit does not meet all requirements of the HQS, or determines that the owner has otherwise breached the HAP contract.

5. Provision and Payment for Utilities and Appliances

- a. The lease must specify what utilities are to be provided or paid by the owner or the tenant.
- b. The lease must specify what appliances are to be provided or paid by the owner or the tenant.
- c. Part A of the HAP contract specifies what utilities and appliances are to be provided or paid by the owner or the tenant. The lease shall be consistent with the HAP contract.

6. Rent to Owner: Reasonable Rent

- a. During the HAP contract term, the rent to owner may at no time exceed the reasonable rent for the contract unit as most recently determined or redetermined by the PHA in accordance with HUD requirements.
- b. The PHA must determine whether the rent to owner is reasonable in comparison to rent for other comparable unassisted units. To make this determination, the PHA must consider:
 - (1) The location, quality, size, unit type, and age of the contract unit; and
 - (2) Any amenities, housing services, maintenance and utilities provided and paid by the owner.
- c. The PHA must redetermine the reasonable rent when required in accordance with HUD requirements. The PHA may redetermine the reasonable rent at any time.
- d. During the HAP contract term, the rent to owner may not exceed rent charged by the owner for comparable unassisted units in the premises. The owner must give the PHA any information requested by the PHA on rents charged by the owner for other units in the premises or elsewhere.

7. PHA Payment to Owner

- a. When paid
 - (1) During the term of the HAP contract, the PHA must make monthly housing assistance payments to the owner on behalf of the family at the beginning of each month.
 - (2) The PHA must pay housing assistance payments promptly when due to the owner.
 - (3) If housing assistance payments are not paid promptly when due after the first two calendar months of the HAP contract term, the PHA shall pay the owner penalties if all of the following circumstances apply: (i) Such penalties are in accordance with generally accepted practices and law, as applicable in the local housing market,

governing penalties for late payment of rent by a tenant; (ii) It is the owner's practice to charge such penalties for assisted and unassisted tenants; and (iii) The owner also charges such penalties against the tenant for late payment of family rent to owner. However, the PHA shall not be obligated to pay any late payment penalty if HUD determines that late payment by the PHA is due to factors beyond the PHA's control. Moreover, the PHA shall not be obligated to pay any late payment penalty if housing assistance payments by the PHA are delayed or denied as a remedy for owner breach of the HAP contract (including any of the following PHA remedies: recovery of overpayments, suspension of housing assistance payments, abatement or reduction of housing assistance payments, termination of housing assistance payments and termination of the contract).

- (4) Housing assistance payments shall only be paid to the owner while the family is residing in the contract unit during the term of the HAP contract. The PHA shall not pay a housing assistance payment to the owner for any month after the month when the family moves out.

- b. **Owner compliance with HAP contract.** Unless the owner has complied with all provisions of the HAP contract, the owner does not have a right to receive housing assistance payments under the HAP contract.

c. Amount of PHA payment to owner

(1) The amount of the monthly PHA housing assistance payment to the owner shall be determined by the PHA in accordance with HUD requirements for tenancy under the voucher program.

(2) The amount of the PHA housing assistance payment is subject to change during the HAP contract term in accordance with HUD requirements. The PHA must notify the family and the owner of any changes in the amount of the housing assistance payment.

- (3) The housing assistance payment for the first month of the HAP contract term shall be prorated for a partial month.

- d. **Application of payment.** The monthly housing assistance payment shall be credited against the monthly rent to owner for the contract unit.

e. Limit of PHA responsibility

- (1) The PHA is only responsible for making housing assistance payments to the owner in accordance with the HAP contract and HUD requirements for a tenancy under the voucher program.
- (2) The PHA shall not pay any portion of the rent to owner in excess of the housing assistance payment. The PHA shall not pay any other claim by the owner against the family.

- f. **Overpayment to owner.** If the PHA determines that the owner is not entitled to the housing assistance payment or any part of it, the PHA, in addition to other remedies, may deduct the amount of the overpayment from any amounts due the owner (including amounts due under any other Section 8 assistance contract).

8. Owner Certification

During the term of this contract, the owner certifies that:

- a. The owner is maintaining the contract unit and premises in accordance with the HQS.

- e. The family does not own or have any interest in the contract unit.
- f. To the best of the owner's knowledge, the members of the family reside in the contract unit, and the unit is the family's only residence.
- g. The owner (including a principal or other interested party) is not the parent, child, grandparent, grandchild, sister, or brother of any member of the family, unless the PHA has determined (and has notified the owner and the family of such determination) that approving rental of the unit, notwithstanding such relationship, would provide reasonable accommodation for a family member who is a person with disabilities.

9. Prohibition of Discrimination. In accordance with applicable equal opportunity statutes, Executive Orders, and regulations:

- a. The owner must not discriminate against any person because of race, color, religion, sex, national origin, age, familial status, or disability in connection with the HAP contract.

(5) If the owner has engaged in any drug-related criminal activity or any violent criminal activity.

- b. If the PHA determines that a breach has occurred, the PHA may exercise any of its rights and remedies under the HAP contract, or any other available rights and remedies for such breach. The PHA shall notify the owner of such determination, including a brief statement of the reasons for the determination. The notice by the PHA to the owner may require the owner to take corrective action, as verified or determined by the PHA, by a deadline prescribed in the notice.
- c. The PHA's rights and remedies for owner breach of the HAP contract include recovery of overpayments, suspension of housing assistance payments, abatement or other reduction of housing assistance payments, termination of housing assistance payments, and termination of the HAP contract.
- d. The PHA may seek and obtain additional relief by judicial order or action, including specific performance, other injunctive relief or order for damages.
- e. Even if the family continues to live in the contract unit, the PHA may exercise any rights and remedies for owner breach of the HAP contract.
- f. The PHA's exercise or non-exercise of any right or remedy for owner breach of the HAP contract is not a waiver of the right to exercise that or any other right or remedy at any time.

11. PHA and HUD Access to Premises and Owner's Records

- a. The owner must provide any information pertinent to the HAP contract that the PHA or HUD may reasonably require.
- b. - c. The HAP contract may not be assigned to a new owner that is debarred, suspended or subject to a limited denial of participation under HUD regulations (see 24 Code of Federal Regulations Part 24).
- d. The HAP contract may not be assigned to a new owner if HUD has prohibited such assignment because:
 - (1) The Federal government has instituted an administrative or judicial action against the owner or proposed new owner for violation of the Fair Housing Act or other Federal equal opportunity requirements, and such action is pending; or
 - (2) A court or administrative agency has determined that the owner or proposed new owner violated

the Fair Housing Act or other Federal equal opportunity requirements.

- e. The HAP contract may not be assigned to a new owner if the new owner (including a principal or other interested party) is the parent, child, grandparent, grandchild, sister or brother of any member of the family, unless the PHA has determined (and has notified the family of such determination) that approving the assignment, notwithstanding such relationship, would provide reasonable accommodation for a family member who is a person with disabilities.
- f. The PHA may deny approval to assign the HAP contract if the owner or proposed new owner (including a principal or other interested party):
 - (1) Has violated obligations under a housing assistance payments contract under Section 8;
 - (2) Has committed fraud, bribery or any other corrupt or criminal act in connection with any Federal housing program;
 - (3) Has engaged in any drug-related criminal activity or any violent criminal activity;

 - (b) Threatens the health or safety of other residents, employees of the PHA, or of other employees or other persons engaged in management of the housing;
 - (c) Threatens the health or safety of, or the right to peaceful enjoyment of their residents by, persons residing in the immediate vicinity of the premises; or

 - (6) Has a history or practice of renting units that fail to meet State or local housing codes; or
 - (7) Has not paid State or local real estate taxes, fines or assessments.

15. Foreclosure. In the case of any foreclosure, the immediate successor in interest in the property pursuant to the foreclosure shall assume such interest subject to the lease between the prior owner and the tenant and to the HAP contract between the prior owner and the PHA for the occupied unit. This provision does not affect any State or local law that provides longer time periods or other additional protections for tenants. **This provision will sunset on December 31, 2012 unless extended by law.**

16. **Written Notices.** Any notice by the PHA or the owner in connection with this contract must be in writing.

17. **Entire Agreement: Interpretation**

**Housing Assistance Payments Contract
(HAP Contract)
Section 8 Tenant-Based Assistance
Housing Choice Voucher Program**

U.S. Department of Housing
and Urban Development
Office of Public and Indian Housing

Part C of HAP Contract: Tenancy Addendum

1. Section 8 Voucher Program

- a. The owner is leasing the contract unit to the tenant for occupancy by the tenant's family with assistance for a tenancy under the Section 8 housing choice voucher program (voucher program) of the United States Department of Housing and Urban Development (HUD).
- b. The owner has entered into a Housing Assistance Payments Contract (HAP contract) with the PHA under the voucher program. Under the HAP contract, the PHA will make housing assistance payments to the owner to assist the tenant in leasing the unit from the owner.

2. Lease

- a. The owner has given the PHA a copy of the lease, including any revisions agreed by the owner and the tenant. The owner certifies that the terms of the lease are in accordance with all provisions of the HAP contract and that the lease includes the tenancy addendum.
- b. The tenant shall have the right to enforce the tenancy addendum against the owner. If there is any conflict between the tenancy addendum and any other provisions of the lease, the language of the tenancy addendum shall control.

3. Use of Contract Unit

- a. During the lease term, the family will reside in the contract unit with assistance under the voucher program.
- b. The composition of the household must be approved by the PHA. The family must promptly inform the PHA of the birth, adoption or court-awarded custody of a child. Other persons may not be added to the household without prior written approval of the owner and the PHA.
- c. The contract unit may only be used for residence by the PHA-approved household members. The unit must be the family's only residence. Members of the household may engage in legal profit making activities incidental to primary use of the unit for residence by members of the family.
- d. The tenant may not sublease or let the unit.
- e. The tenant may not assign the lease or transfer the unit.

4. Rent to Owner

- a. The initial rent to owner may not exceed the amount approved by the PHA in accordance with HUD requirements.
- b. Changes in the rent to owner shall be determined by the provisions of the lease. However, the owner may not raise the rent during the initial term of the lease.

- c. During the term of the lease (including the initial term of the lease and any extension term), the rent to owner may at no time exceed:
 - (1) The reasonable rent for the unit as most recently determined or redetermined by the PHA in accordance with HUD requirements, or
 - (2) Rent charged by the owner for comparable unassisted units in the premises.

5. Family Payment to Owner

- a. The family is responsible for paying the owner any portion of the rent to owner that is not covered by the PHA housing assistance payment.
- b. Each month, the PHA will make a housing assistance payment to the owner on behalf of the family in accordance with the HAP contract. The amount of the monthly housing assistance payment will be determined by the PHA in accordance with HUD requirements for a tenancy under the Section 8 voucher program.
- c. The monthly housing assistance payment shall be credited against the monthly rent to owner for the contract unit.
- d. The tenant is not responsible for paying the portion of rent to owner covered by the PHA housing assistance payment under the HAP contract between the owner and the PHA. A PHA failure to pay the housing assistance payment to the owner is not a violation of the lease. The owner may not terminate the tenancy for nonpayment of the PHA housing assistance payment.
- e. The owner may not charge or accept, from the family or from any other source, any payment for rent of the unit in addition to the rent to owner. Rent to owner includes all housing services, maintenance, utilities and appliances to be provided and paid by the owner in accordance with the lease.
- f. The owner must immediately return any excess rent payment to the tenant.

6. Other Fees and Charges

- a. Rent to owner does not include cost of any meals or supportive services or furniture which may be provided by the owner.
- b. The owner may not require the tenant or family members to pay charges for any meals or supportive services or furniture which may be provided by the owner. Nonpayment of any such charges is not grounds for termination of tenancy.
- c. The owner may not charge the tenant extra amounts for items customarily included in rent to owner in the locality, or provided at no additional cost to unsubsidized tenants in the premises.

7. Maintenance, Utilities, and Other Services

- a. **Maintenance**

VOID

- (1) The owner must maintain the unit and premises in accordance with the HQS.
- (2) Maintenance and replacement (including redecoration) must be in accordance with the standard practice for the building concerned as established by the owner.

b. Utilities and appliances

- (1) The owner must provide all utilities needed to comply with the HQS.
- (2) The owner is not responsible for a breach of the HQS caused by the tenant's failure to:
 - (a) Pay for any utilities that are to be paid by the tenant.
 - (b) Provide and maintain any appliances that are to be provided by the tenant.

c. Family damage. The owner is not responsible for a breach of the HQS because of damages beyond normal wear and tear caused by any member of the household or by a guest.

d. Housing services. The owner must provide all housing services as agreed to in the lease.

8. Termination of Tenancy by Owner

a. Requirements. The owner may only terminate the tenancy in accordance with the lease and HUD requirements.

b. Grounds. During the term of the lease (the initial term of the lease or any extension term), the owner may only terminate the tenancy because of:

- (1) Serious or repeated violation of the lease;
- (2) Violation of Federal, State, or local law that imposes obligations on the tenant in connection with the occupancy or use of the unit and the premises;
- (3) Criminal activity or alcohol abuse (as provided in paragraph c); or
- (4) Other good cause (as provided in paragraph d).

c. Criminal activity or alcohol abuse.

- (1) The owner may terminate the tenancy during the term of the lease if any member of the household, a guest or another person under a resident's control commits any of the following types of criminal activity:
 - (a) Any criminal activity that threatens the health or safety of, or the right to peaceful enjoyment of the premises by, other residents (including property management staff residing on the premises);
 - (b) Any criminal activity that threatens the health or safety of, or the right to peaceful enjoyment of their residences by, persons residing in the immediate vicinity of the premises;
 - (c) Any violent criminal activity on or near the premises; or
 - (d) Any drug-related criminal activity on or near the premises.

(2) The owner may terminate the tenancy during the term of the lease if any member of the household is:

- (a) Fleeing to avoid prosecution, or custody or confinement after conviction, for a crime, or attempt to commit a crime, that is a felony under the laws of the place from which the individual flees, or that, in the case of the State of New Jersey, is a high misdemeanor; or
- (b) Violating a condition of probation or parole under Federal or State law.

(3) The owner may terminate the tenancy for criminal activity by a household member in accordance with this section if the owner determines that the household member has committed the criminal activity, regardless of whether the household member has been arrested or convicted for such activity.

(4) The owner may terminate the tenancy during the term of the lease if any member of the household has engaged in abuse of alcohol that threatens the health, safety or right to peaceful enjoyment of the premises by other residents.

d. Other good cause for termination of tenancy

(1) During the initial lease term, other good cause for termination of tenancy must be something the family did or failed to do.

(2) During the initial lease term or during any extension term, other good cause may include:

- (a) Disturbance of neighbors;
- (b) Destruction of property; or
- (c) Cleaning or housekeeping habits that cause damage to the unit or premises.

(3) After the initial lease term, such good cause may include:

- (a) The tenant's failure to accept the owner's offer of a new lease or revision;
- (b) The owner's desire to use the unit for personal or family use or for a purpose other than use as a residential rental unit; or
- (c) A business or economic reason for termination of the tenancy (such as sale of the property, renovation of the unit, the owner's desire to rent the unit for a higher rent).

(5) The examples of other good cause in this paragraph do not preempt any State or local laws to the contrary.

(6) In the case of an owner who is an immediate successor in interest pursuant to foreclosure during the term of the lease, requiring the tenant to vacate the property prior to sale shall not constitute other good cause, except that the owner may terminate the tenancy effective on the date of transfer of the unit to the owner if the owner: (a) will occupy the unit as a primary residence; and (b) has provided the tenant a notice to vacate at least 90 days before the effective date of such notice. This

provision shall not affect any State or local law that provides for longer time periods or additional protections for tenants. **This provision will sunset on December 31, 2012 unless extended by law.**

e. Protections for Victims of Abuse.

- (1) An incident or incidents of actual or threatened domestic violence, dating violence, or stalking will not be construed as serious or repeated violations of the lease or other "good cause" for termination of the assistance, tenancy, or occupancy rights of such a victim.
- (2) Criminal activity directly relating to abuse, engaged in by a member of a tenant's household or any guest or other person under the tenant's control, shall not be cause for termination of assistance, tenancy, or occupancy rights if the tenant or an immediate member of the tenant's family is the victim or threatened victim of domestic violence, dating violence, or stalking.
- (3) Notwithstanding any restrictions on admission, occupancy, or terminations of occupancy or assistance, or any Federal, State or local law to the contrary, a PHA, owner or manager may "bifurcate" a lease, or otherwise remove a household member from a lease, without regard to whether a household member is a signatory to the lease, in order to evict, remove, terminate occupancy rights, or terminate assistance to any individual who is a tenant or lawful occupant and who engages in criminal acts of physical violence against family members or others. This action may be taken without evicting, removing, terminating assistance to, or otherwise penalizing the victim of the violence who is also a tenant or lawful occupant. Such eviction, removal, termination of occupancy rights, or termination of assistance shall be effected in accordance with the procedures prescribed by Federal, State, and local law for the termination of leases or assistance under the housing choice voucher program.
- (4) Nothing in this section may be construed to limit the authority of a public housing agency, owner, or manager, when notified, to honor court orders addressing rights of access or control of the property, including civil protection orders issued to protect the victim and issued to address the distribution or possession of property among the household members in cases where a family breaks up.
- (5) Nothing in this section limits any otherwise available authority of an owner or manager to evict or the public housing agency to terminate assistance to a tenant for any violation of a lease not premised on the act or acts of violence in question against the tenant or a member of the tenant's household, provided that the owner, manager, or public housing agency does not subject an individual who is or has been a victim of domestic violence, dating violence, or stalking to a

more demanding standard than other tenants in determining whether to evict or terminate.

- (6) Nothing in this section may be construed to limit the authority of an owner or manager to evict, or the public housing agency to terminate assistance, to any tenant if the owner, manager, or public housing agency can demonstrate an actual and imminent threat to other tenants or those employed at or providing service to the property if the tenant is not evicted or terminated from assistance.
- (7) Nothing in this section shall be construed to supersede any provision of any Federal, State, or local law that provides greater protection than this section for victims of domestic violence, dating violence, or stalking.

f. Eviction by court action. The owner may only evict the tenant by a court action.

g. Owner notice of grounds

- (1) At or before the beginning of a court action to evict the tenant, the owner must give the tenant a notice that specifies the grounds for termination of tenancy. The notice may be included in or combined with any owner eviction notice.
- (2) The owner must give the PHA a copy of any owner eviction notice at the same time the owner notifies the tenant.
- (3) Eviction notice means a notice to vacate, or a complaint or other initial pleading used to begin an eviction action under State or local law.

9. Lease Termination: HAP Contract

If the HAP contract terminates for any reason, the lease terminates automatically.

10. PHA Termination of Assistance

The PHA may terminate program assistance for the family for any grounds authorized in accordance with HUD requirements. If the PHA terminates program assistance for the family, the lease terminates automatically.

11. Family Move Out

The tenant must notify the PHA and the owner before the family moves out of the unit.

12. Security Deposit

- a. The owner may collect a security deposit from the tenant. (However, the PHA may prohibit the owner from collecting a security deposit in excess of private market practice, or in excess of amounts charged by the owner to unassisted tenants. Any such PHA-required restriction must be specified in the HAP contract.)
- b. When the family moves out of the contract unit, the owner, subject to State and local law, may use the security deposit, including any interest on the deposit, as reimbursement for any unpaid rent payable by the tenant, any damages to the unit or any other amounts that the tenant owes under the lease.

- c. The owner must give the tenant a list of all items charged against the security deposit, and the amount of each item. After deducting the amount, if any, used to reimburse the owner, the owner must promptly refund the full amount of the unused balance to the tenant.
- d. If the security deposit is not sufficient to cover amounts the tenant owes under the lease, the owner may collect the balance from the tenant.

13. Prohibition of Discrimination

In accordance with applicable equal opportunity statutes, Executive Orders, and regulations, the owner must not discriminate against any person because of race, color, religion, sex, national origin, age, familial status or disability in connection with the lease.

14. Conflict with Other Provisions of Lease

- a. The terms of the tenancy addendum are prescribed by HUD in accordance with Federal law and regulation, as a condition for Federal assistance to the tenant and tenant's family under the Section 8 voucher program.
- b. In case of any conflict between the provisions of the tenancy addendum as required by HUD, and any other provisions of the lease or any other agreement between the owner and the tenant, the requirements of the HUD-required tenancy addendum shall control.

15. Changes in Lease or Rent

- a. The tenant and the owner may not make any change in the tenancy addendum. However, if the tenant and the owner agree to any other change in the lease, such changes must be in writing, and the owner must immediately give the PHA a copy of such changes. The lease, including any changes, must be in accordance with the requirements of the tenancy addendum.
- b. In the following cases, tenant-based assistance shall not be continued unless the PHA has approved a new tenancy in accordance with program requirements and has executed a new HAP contract with the owner:
 - (1) If there are any changes in lease requirements governing tenant or owner responsibilities for utilities or appliances;
 - (2) If there are any changes in lease provisions governing the term of the lease;
 - (3) If the family moves to a new unit, even if the unit is in the same building or complex.
- c. PHA approval of the tenancy, and execution of a new HAP contract, are not required for agreed changes in the lease other than as specified in paragraph b.
- d. The owner must notify the PHA of any changes in the amount of the rent to owner at least sixty days before any such changes go into effect, and the amount of the rent to owner following any such agreed change may not exceed the reasonable rent for the unit as most recently determined or redetermined by the PHA in accordance with HUD requirements.

Any notice under the lease by the tenant to the owner or by the owner to the tenant must be in writing.

Boulder County Housing Authority Illegal Drug Policy Manual

Purpose: The residential units owned by the Boulder County Housing Authority (BCHA) are intended to provide a safe place to live and raise families. It is BCHA's intent to maintain a safe and drug-free community, assist families in their progress toward sobriety, stability, and well-being, protect program participants from threats to person and property, and protect BCHA's assets.

This policy consists of four overarching parts to provide a healthy housing environment when combined with BCHA's other policies and rules: 1) testing units for methamphetamine contamination and taking appropriate action; 2) screening applicants use of methamphetamine and other dangerous controlled substances, and denying admission for specified reasons; 3) terminating assistance to tenants who violate these rules; and 4) reporting methamphetamine use and contamination.

Policy: This policy is effective immediately. BCHA may modify this policy at any time and will evaluate the impact of the policy after one year.

Disclosure: This policy shall be included in each program participant's intake packet and each participant that is 15 years of age or older shall be required to read and sign a policy synopsis.

I. Testing BCHA-Owned Units

A. Initial Testing

1. By year end 2016, BCHA will evaluate and make a recommendation regarding testing each housing unit it owns upon turnover for methamphetamine contamination. See 6 CCR 1014-3.
2. Effective immediately, BCHA will conduct testing at move out for units under BCHA's management that are brand new construction or rehab construction that have only had one tenant in it to date.
3. If the unit tests positive for methamphetamine, BCHA must look for evidence to determine whether the exiting tenant was responsible for the contamination. Credible evidence need not be admissible in court but must be sufficiently reliable. 24 C.F.R. § 982.555(e)(5). Credible evidence includes:
 - a. Criminal charges or convictions for methamphetamine-related activity;
 - b. Arrest reports in the last twelve months for methamphetamine-related activity;
 - c. Methamphetamine or methamphetamine-related paraphernalia in the unit;

- d. Reports from neighbors of methamphetamine-related activity;
 - e. Reports that tenant entered into drug rehabilitation potentially related to methamphetamine use;
 - f. Reports from HHS that they received information about a tenant's methamphetamine use;
 - g. Any results of a hair follicle test, if applicable; and
 - h. Other evidence that BCHA determines is sufficiently reliable.
- 4. If the evidence shows a reasonable likelihood that the exiting tenant or a guest or family member caused the contamination, BCHA shall bill the responsible tenant for the full cost of the testing and cleanup.
 - 5. If evidence does not show a reasonable likelihood that the exiting tenant caused the contamination, BCHA shall pay for the testing and cleanup of the unit.
 - 6. If the unit tests negative for methamphetamine, BCHA shall pay for the testing.

B. Ongoing Testing

- 1. At each turnover of its housing units, BCHA shall test the unit for methamphetamine contamination.
 - a. After the initial test, each unit that tests negative or is properly decontaminated is considered clean.
 - b. Once a unit is clean, if that unit subsequently tests positive for methamphetamines BCHA may presume that the current or exiting tenant caused the contamination unless there is reasonable likelihood that a tenant of a neighboring unit caused the contamination.
- 2. BCHA shall also test units for methamphetamine contamination upon reliable indication of methamphetamine manufacture, production, or use in the unit.
 - a. Reliable indicia include, but are not limited to:
 - i. Criminal convictions in the last twelve months for methamphetamine-related activity;
 - ii. Arrest reports in the last twelve months for methamphetamine-related activity;
 - iii. Methamphetamine or methamphetamine-related paraphernalia in the unit;
 - iv. Reports from neighbors of methamphetamine-related activity;
 - v. Reports that tenant entered into drug rehabilitation potentially related to methamphetamine use;

- vi. Reports from HHS that they received information about a tenant's methamphetamine use;
 - vii. Any results of a hair follicle test, if applicable; and
 - viii. Other evidence that BCHA determines is sufficiently reliable.
- b. If a unit is contaminated, BCHA will encourage the tenant to submit to a drug test. Where drug testing is otherwise required, such as under the terms of a court order or probation, BCHA shall seek to obtain results from any such testing.
 - c. To the extent possible, BCHA shall provide 24-hour notice to a tenant that it will be testing the unit for methamphetamine contamination.
 - d. BCHA shall ensure that a licensed professional as required by 6 CCR 1014-3 conducts the testing.

C. Cleanup

- 1. If a unit owned by BCHA tests positive for methamphetamines, BCHA will ensure that a licensed professional properly cleans the unit according to 6 CCR 1014-3 before renting the unit to another tenant or allowing the current tenant to return.
- 2. If a unit owned by BCHA tests positive for methamphetamines while a tenant is still living there, BCHA may attempt to provide the tenant notice that s/he will be locked out of the unit while the unit is properly cleaned.
- 3. BCHA must allow a tenant ten days after lockout to secure his/her personal property. However, the tenant or person securing the property on behalf of the tenant must be state-certified so the property will be properly cleaned and not cause further contamination. C.R.S. 25-18.5-103, -104.
 - a. If there is evidence as listed above that the tenant caused the contamination, BCHA shall initiate termination proceedings (see Part III) and eviction, as appropriate.
 - b. If there is sufficient evidence that the tenant, a guest of tenant or any other person under the tenant's control did not cause the contamination, BCHA may pay for the tenant's accommodations at a location chosen by BCHA during the cleanup. The tenant must continue to pay for his/her utilities and submit proof of payment to BCHA each month.
 - c. If the unit tested clean prior to the current tenant's occupancy, BCHA may presume that the tenant caused the contamination unless the tenant proves otherwise. BCHA shall initiate eviction and termination proceedings (see Part III), and will bill the tenant

for the costs of testing and remediation up to the amount of BCHA's out-of-pocket expenses.

II. Screening Applicants

A. Mandatory Denial of Admission to Housing Assistance Programs and BCHA Units

1. In order to prevent drug-related activities that threaten the health or safety of others, HUD requires that BCHA deny admission to applicants who:
 - a. Have been convicted of manufacturing or producing methamphetamine on the premises of federally-assisted housing or in any other location. 24 CFR 982.553(b)(1)(ii)(C); 24 CFR 982.553(a)(2)(ii).
 - b. Are currently engaging in illegal use of a drug. 24 CFR 982.663(b)(1)(ii)(A).
 - i. For purposes of this policy, "currently engaging" means that the applicant has engaged in illegal use of:
 - I. Meth in the last 12 months;
 - A. Provided, however, that if the applicant was using meth prior to incarceration and has been incarcerated in the last 12 months, the applicant will be considered to be "currently engaging" unless he or she has at least six months post incarceration with no use of an illegal drug.
 - II. A controlled substance other than meth in the last six months.
 - c. Have been evicted from public housing or had assistance terminated for drug-related criminal activity in the last three years. 24 CFR 982.552(c) & 982.553(a)(i).
 - i. BCHA may make an exception if:
 - I. The evicted household member successfully completed a supervised drug rehabilitation program approved by BCHA; or
 - II. The circumstances leading to eviction no longer exist such as that person is no longer a member of the household.
2. Pursuant to HUD regulations, BCHA shall also deny admission to applicants who:
 - b. Have engaged in sale or distribution of drugs in the last three years. 24 CFR 982.553(a)(2)(ii)

- c. Have engaged in the use, possession, or any other drug-related criminal activity not listed above in the last six months. 24 CFR 982.553(a)(2)(ii).
- d. BCHA may review applications to be denied on the grounds of (1) or (2) of this subsection on a case-by-case basis and make an exception if:
 - i. The relevant household member successfully completed a supervised drug rehabilitation program approved by BCHA or
 - ii. The relevant household member is no longer a member of the household.
 - iii. The length of time the tenant has been sober;
 - iv. The tenant's participation with case management services;
 - v. The tenant agrees to participate in drug treatment and testing; or
 - vi. Any other factor the BCHA deems relevant.

B. Procedures

1. BCHA shall obtain criminal conviction records from law enforcement agencies for applicants age 16 and older where minor may have been charged as an adult. BCHA may not charge the applicants for the background check. 24 CFR 960.204(a)(1).
2. Where applicable, BCHA shall obtain consent forms from each adult household member to request information from drug abuse treatment facilities, including whether the facility has reasonable cause to believe that the person is currently engaging in drug activity. 24 CFR 960.205.
3. If BCHA denies admission based on a criminal record, it must provide the applicant and the subject of the record a copy of the record. BCHA must also give the applicant an opportunity to dispute the record through informal review. 24 CFR 982.553(d)
4. Informal Review for the Housing Choice Voucher Program (Section 8) and TBRA (24 CFR 982.554)
 - a. See Section 8 Admin Plan, Sec. 16.2.
5. Rejection Procedures for BCHA Developments
 - a. See Tenant Selection Plan.
6. Informal Review for BCHA Developments
 - a. If an affordable housing applicant is denied, BCHA may provide an opportunity for informal review. The applicant may submit new mitigating information that BCHA will review within ten days. BCHA is not required to hold a unit during the review process, but

may accept the applicant for the next available unit or may affirm denial.

III. Terminating Assistance of Participants

- A. BCHA shall terminate participation in the housing program if a tenant, guest, or any other person under the tenant's control:
 - 1. Is convicted of or engages in manufacturing or producing methamphetamines either on or off the premises while living in county housing or receiving county assistance 24 CFR 982.553(b), 24 CFR 966.51, C.R.S. 13-40-101 et seq;
 - 2. Is convicted of or engages in the illegal use of methamphetamine or other methamphetamine-related activity.
- B. BCHA will terminate participation in the housing program pursuant to 24 CFR 982.553(b) if a tenant, guest, or any other person under the tenant's control:
 - 1. Is convicted of or engages in illegal drug activity that is not related to methamphetamine;
 - 2. Begins using any illegal drug other than methamphetamine.
- C. BCHA may consider the following mitigating circumstances in determining whether to terminate participation under III(B):
 - 1. The tenant successfully completed a supervised drug rehabilitation program approved by BCHA;
 - 2. The relevant household member is no longer a member of the household;
 - 3. The length of time the tenant has been sober;
 - 4. The tenant's participation in case management;
 - 5. The tenant agrees to participate in drug treatment and testing; or
 - 6. Any other factor the BCHA deems relevant.
- D. When terminating assistance for illegal drug activity, when the unit is owned by BCHA, BCHA may implement the formal eviction process. C.R.S. 13-40-101 et seq.
 - 1. If the unit is not owned by BCHA, BCHA shall terminate assistance and may recommend that the owner evict the tenant.
- E. Informal Hearing Process for the Housing Choice Voucher Program (Section 8 and TBRA)
 - 1. BCHA will give a participant the opportunity for an informal hearing if it decides to terminate assistance due to illegal drug activity by providing prompt written notice that the participant may request a hearing within ten business days of the notification.
 - 2. See Section 8 Admin Plan, Sec. 16.3.
- F. Termination Procedure for Public Housing

The termination is effective three days after the notice is served. C.R.S. 13-40-107.5.
 - c. BCHA must prove a substantial violation by a preponderance of the evidence. C.R.S. 13-40-107.5.

1. Submit an insurance claim form to Risk Management using the current Boulder County Housing Authority Claim/Incident Report;
2. Provide Public Health with a copy of the results of testing.
3. Report to Family and Children Services if children are involved.
 - a. BCHA shall also make a referral to Family and Children Services if it has suspicion of methamphetamine use or other potential abuse or neglect issues including unsafe, unsanitary, or drug paraphernalia present.

B. If BCHA has knowledge of a tenant's use of methamphetamine in a BCHA owned unit or in a unit that is not owned by BCHA but is occupied by a BCHA/HHS program participant (HCV, HSP, TBRA, VASH, and similar), at its discretion, BCHA may notify the appropriate parties including:

ABOUT
METH
USE**

Not Even Once.

But Especially Not Here.

Health Effects on User

Meth Contamination

while its manufacture gets the most attention, meth use (smoke) contaminates homes, too

meth can contaminate every surface and item in your home and/or vehicle

even ONE use can leave smoke residue that persists for years

contaminants become airborne when disturbed, and remain until properly cleaned

contamination can impact neighboring homes when units are connected

decontaminating a home can cost tens of thousands of dollars

Impacts on Parenting

Other Consequences

You may be forced to throw away all of your personal possessions.

Using or allowing someone to use meth in your home puts every person and every item in your home at risk. You may be putting your neighbors at risk, too.

You may be asked to leave your home immediately - for a long period of time, or even permanently.

Testing and decontaminating a home is costly and takes time.

Child protection and law enforcement may get involved.

What You Should Know About EIV

A Guide for Applicants & Tenants of Public Housing & Section 8 Programs

What is EIV? The Enterprise Income Verification (EIV) system is a web-based computer system that contains employment and income information of individuals who participate in HUD rental assistance programs. All Public Housing Agencies (PHAs) are required to use HUD's EIV system.

What information is in EIV and where does it come from? HUD obtains information about you from your local PHA, the Social Security Administration (SSA), and U.S. Department of Health and Human Services (HHS).

HHS provides HUD with wage and employment information as reported by employers; and unemployment compensation information as reported by the State Workforce Agency (SWA).

SSA provides HUD with death, Social Security (SS) and Supplemental Security Income (SSI) information.

What is the EIV information used for? Primarily, the information is used by PHAs (and management agents hired by PHAs) for the following purposes to:

1. Confirm your name, date of birth (DOB), and Social Security Number (SSN) with SSA.
2. Verify your reported income sources and amounts.
3. Confirm your participation in only one HUD rental assistance program.
4. Confirm if you owe an outstanding debt to any PHA.
5. Confirm any negative status if you moved out of a subsidized unit (in the past) under the Public Housing or Section 8 program.
6. Follow up with you, other adult household members, or your listed emergency contact regarding deceased household members.

EIV will alert your PHA if you or anyone in your household has used a false SSN, failed to report complete and accurate income information, or is receiving rental assistance at another address.

Remember, you may receive rental assistance at only one home!

EIV will also alert PHAs if you owe an outstanding debt to any PHA (in any state or U.S. territory) and any negative status when you voluntarily or involuntarily moved out of a subsidized unit under the Public Housing or Section 8 program. This information is used to determine your eligibility for rental assistance at the time of application.

The information in EIV is also used by HUD, HUD's Office of Inspector General (OIG), and auditors to ensure that your family and PHAs comply with HUD rules.

Overall, the purpose of EIV is to identify and prevent fraud within HUD rental assistance programs, so that limited taxpayer's dollars can assist as many eligible

families as possible. EIV will help to improve the integrity of HUD rental assistance programs.

Is my consent required in order for information to be obtained about me? Yes, your consent is required in order for HUD or the PHA to obtain information about you. By law, you are required to sign one or more consent forms. When you sign a form HUD-9886 (*Federal Privacy Act Notice and Authorization for Release of Information*) or a PHA consent form (which meets HUD standards), you are giving HUD and the PHA your consent for them to obtain information about you for the purpose of determining your eligibility and amount of rental assistance. The information collected about you will be used only to determine your eligibility for the program, unless you consent in writing to authorize additional uses of the information by the PHA.

Note: If you or any of your adult household members refuse to sign a consent form, your request for initial or continued rental assistance may be denied. You may also be terminated from the HUD rental assistance program.

What are my responsibilities? As a tenant (participant) of a HUD rental assistance program, you and each adult household member must disclose complete and accurate information to the PHA, including full name, SSN, and DOB; income information; and certify that your reported household composition (household members), income, and expense information is true to the best of your knowledge.

Remember, you must notify your PHA if a household member dies or moves out. You must also obtain the PHA's approval to allow additional family members or friends to move in your home **prior** to them moving in.

What are the penalties for providing false information? Knowingly providing false, inaccurate, or incomplete information is **FRAUD** and a **CRIME**.

If you commit fraud, you and your family may be subject to any of the following penalties:

1. Eviction
2. Termination of assistance
3. Repayment of rent that you should have paid had you reported your income correctly
4. Prohibited from receiving future rental assistance for a period of up to 10 years
5. Prosecution by the local, state, or Federal prosecutor, which may result in you being fined up to \$10,000 and/or serving time in jail.

Protect yourself by following HUD reporting requirements. When completing applications and reexaminations, you must include all sources of income you or any member of your household receives.

If you have any questions on whether money received should be counted as income or how your rent is determined, **ask your PHA**. When changes occur in your household income, **contact your PHA immediately** to determine if this will affect your rental assistance.

What do I do if the EIV information is incorrect? Sometimes the source of EIV information may make an error when submitting or reporting information about you. If you do not agree with the EIV information, let your PHA know.

If necessary, your PHA will contact the source of the information directly to verify disputed income information. Below are the procedures you and the PHA should follow regarding incorrect EIV information.

Debts owed to PHAs and termination information reported in EIV originates from the PHA who provided you assistance in the past. If you dispute

this information, contact your former PHA directly in writing to dispute this information and provide any documentation that supports your dispute. If the PHA determines that the disputed information is incorrect, the PHA will update or delete the record from EIV.

Employment and wage information reported in EIV originates from the employer. If you dispute this information, contact the employer in writing to dispute and request correction of the disputed employment and/or wage information. Provide your PHA with a copy of the letter that you sent to the employer. If you are unable to get the employer to correct the information, you should contact the SWA for assistance.

Unemployment benefit information reported in EIV originates from the SWA. If you dispute this information, contact the SWA in writing to dispute and request correction of the disputed unemployment benefit information. Provide your PHA with a copy of the letter that you sent to the SWA.

Death, SS and SSI benefit information reported in EIV originates from the SSA. If you dispute this information, contact the SSA at (800) 772-1213, or visit their website at: www.socialsecurity.gov. You may need to visit your local SSA office to have disputed death information corrected.

Additional Verification. The PHA, with your consent, may submit a third party verification form to the provider (or reporter) of your income for completion and submission to the PHA. You may also provide the PHA with third party documents (i.e. pay stubs, benefit award letters, bank statements, etc.) which you may have in your possession.

Identity Theft. Unknown EIV information to you can be a sign of identity theft. Sometimes someone else may use your SSN, either on purpose or by accident. So, if you suspect someone is using your SSN, you should check your Social Security records to ensure your income is calculated correctly (call SSA at (800) 772-1213); file an identity theft complaint with your local police department or the Federal Trade Commission (call FTC at (877) 438-4338, or you may visit their website at: <http://www.ftc.gov>). Provide your PHA with a copy of your identity theft complaint.

Where can I obtain more information on EIV and the income verification process? Your PHA can provide you with additional information on EIV and the income verification process. You may also read more about EIV and the income verification process on HUD's Public and Indian Housing EIV web pages at: <http://www.hud.gov/offices/plh/programs/ph/rhiip/uiv.cfm>.

Boulder County Housing Authority

PO Box 471

Boulder, CO 80306

Authority: Section 904 of the Stewart B. McKinney Homeless Assistance Amendments Act of 1988, as amended by Section 903 of the Housing and Community Development Act of 1992 and Section 3003 of the Omnibus Budget Reconciliation Act of 1993. This law is found at 42 U.S.C. 3544. This law requires you to sign a consent form authorizing: (1) HUD, and the Housing Agency/Authority (HA) to request verification of salary and wages from current or previous employers; (2) HUD and the HA to request wage and unemployment compensation claim information from the state agency responsible for keeping that information; and (3) HUD to request certain tax return information from the U.S. Social Security Administration and the U.S. Internal Revenue Service.

Section 104 of the Housing Opportunity and Modernization Act of 2016. The relevant provisions are found at 42 U.S.C. 1437n. This law requires you to sign a consent form authorizing the HA to request verification of any financial record from any financial institutions as defined in the Right to Financial Privacy Act (12 U.S.C. 3401)), whenever the HA determines the record is needed to determine an applicant's or participant's eligibility for assistance or level of benefits.

Purpose: In signing this consent form, you are authorizing HUD and the above-named HA to request income information from the sources listed on the form. HUD and the HA need this information to verify your household's income, in order to ensure that you are eligible for assisted housing benefits and that these benefits are set at the correct level. HUD and the HA may participate in computer matching programs with these sources in order to verify your eligibility and level of benefits.

Uses of Information to be Obtained: HUD is required to protect the income information it obtains in accordance with the Privacy Act of 1974, 5 U.S.C. 552a. HUD may disclose information (other than tax return information) for certain routine uses, such as to other government agencies for law enforcement purposes, to Federal agencies for employment suitability purposes and to HAs for the purpose of determining housing assistance. The HA is also required to protect the income information it obtains in accordance with any applicable State privacy law. HUD and HA employees may be subject to penalties for unauthorized disclosures or improper uses of the income information that is obtained based on the consent form. **Private owners may not request or receive information authorized by this form.**

Who Must Sign the Consent Form: Each member of your family who is 18 years of age or older must sign the consent form. Additional signatures must be obtained from new adult members joining the family or whenever members of the family become 18 years of age.

Persons who apply for or receive assistance under the following programs are required to sign this consent form:

Public Housing

Housing Choice Voucher

Section 8 Moderate Rehabilitation

Failure to Sign Consent Form: Your failure to sign the consent form may result in the denial of eligibility or termination of assisted housing benefits, or both. Denial of eligibility or termination of benefits is subject to the HA's grievance procedures and Section 8 informal hearing procedures.

Revocation of consent: If you revoke consent, the PHA will be unable to verify your information, although the data matches between HUD and other agencies will continue to automatically occur in the Enterprise Income Verification (EIV) System if the family is not terminated from the program.

Sources of Information to be Obtained

State Wage Information Collection Agencies. (This consent is limited to wages and unemployment compensation I have received when I have received assisted housing benefits.)

U.S. Social Security Administration (HUD only) (This consent is limited to the wage and self-employment information and payments of retirement income as referenced at Section 6103(l)(7)(A) of the Internal Revenue Code.)

U.S. Internal Revenue Service (HUD only) (This consent is limited to unearned income [i.e., interest and dividends].)

Information may also be obtained directly from: (a) current and former employers concerning salary and wages; and (b) financial institutions as defined in the Right to Financial Privacy Act (12 U.S.C. 3401), whenever the HA determines the record is needed to determine an applicant's or participant's eligibility for assistance or level of benefits. I understand that income information obtained from these sources will be used to verify information that I provide in determining eligibility for assisted housing programs and the level of benefits. Therefore, this consent form only authorizes release directly from employers and financial institutions of information.

Consent: I consent to allow HUD or the HA to request and obtain income information from the sources listed on this form for the purpose of verifying my eligibility and level of benefits under HUD's assisted housing programs. I understand that HAs that receive income information under this consent form cannot use it to deny, reduce or terminate assistance without first independently verifying what the amount was, whether I actually had access to the funds and when the funds were received. In addition, I must be given an opportunity to contest those determinations.

This consent form remains effective until the earliest of (i) the rendering of a final adverse decision for an assistance applicant; (ii) the cessation of a participant's eligibility for assistance from HUD and the PHA; or (iii) The express revocation by the assistance applicant or recipient (or applicable family member) of the authorization, in a written notification to HUD or the PHA.

The information collection requirements contained in this form were submitted to the Office of Management and Budget (OMB) under the Paperwork Reduction Act of 1995 (44 U.S.C. 3501-3520). The public reporting burden is estimated at 15 minutes per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. Section 644 of the Housing and Community Development Act of 1992 (42 U.S.C. 13604) imposed on HUD the obligation to require housing providers participating in HUD's assisted housing programs to provide any individual or family applying for occupancy in HUD-assisted housing with the option to include in the application for occupancy the name, address, telephone number, and other relevant information of a family member, friend, or person associated with a social, health, advocacy, or similar organization. The objective of providing such information is to facilitate contact by the housing provider with the person or organization identified by the tenant to assist in providing any delivery of services or special care to the tenant and assist with resolving any tenancy issues arising during the tenancy of such tenant. This supplemental application information is to be maintained by the housing provider and maintained as confidential information. Providing the information is basic to the operations of the HUD Assisted-Housing Program and is voluntary. It supports statutory requirements and program and management controls that prevent fraud, waste and mismanagement. In accordance with the Paperwork Reduction Act, an agency may not conduct or sponsor, and a person is not required to respond to, a collection of information, unless the collection displays a currently valid OMB control number.

Privacy Statement: Public Law 102-550, authorizes the Department of Housing and Urban Development (HUD) to collect all the information (except the Social Security Number (SSN)) which will be used by HUD to protect disbursement data from fraudulent actions.

BOULDER COUNTY HOUSING AUTHORITY

Responsibilities of Households Receiving Housing Assistance

Housing Choice Voucher Program participants through the Boulder County Housing Authority (BCHA) must comply with all of the following terms of the program, their lease, and all provisions stated in this document. **Failure to comply with any of these may result in termination from the program.** Please note that all "I" statements below pertain to every household member.

ANNUAL RECERTIFICATION. I understand that once a year, prior to the anniversary date of my current lease, BCHA will review my household's eligibility for the program, including collecting current income and asset documentation, verifying current household members, and verifying program compliance, among other things.

- **SUPPLYING INFORMATION:** I understand that I must supply any information that BCHA or HUD determines to be necessary, including the submission of required evidence of citizenship or eligible immigration status. I must supply any information requested by BCHA or HUD for use in a regularly scheduled reexamination or interim reexamination of family income and composition. I must disclose and verify social security numbers and sign and submit consent forms for obtaining information. I must supply any information requested by BCHA to verify that I am living in the unit or information related to family absence from the unit.

INSPECTIONS. I understand that at least once a year, BCHA will inspect my unit to assure that it meets the U.S. Department of Housing and Urban Development's (HUD) Housing Quality Standards. I will receive reasonable prior notice of the inspection date and time. I understand that it is my responsibility to be available for this inspection, and if I am not able to be present at the inspection, I will make sure that an adult family member/neighbor over age 18 is present. I understand that BCHA may terminate my housing assistance for inspection violations caused by the tenant, household members, or guests, and for inspections not completed.

REPORT CHANGES IN INCOME. I understand that I must report *any change* in income (increase or decrease which may be due to job acceptance, job loss, pay raises/decreases, etc. to BCHA **within 10 days of the occurrence**. I understand that my late notification of an income change to my case manager may require that the income increase be processed immediately and/or that I will be required to enter into a repayment agreement with BCHA for past unreported income. I will contact my case manager to request that a verification of earnings form be sent to my previous/current/future employer to obtain this information. I also understand that it is my responsibility to ensure that the documentation has been received by my case manager.

- **ZERO OR LOW INCOME POLICY:** I understand that if my household is reporting low or zero income I will have to meet with my case manager at least once every three months and provide current information regarding my household income and expenses. I will need to bring copies of all household bills and expenses (utilities, insurance, cell phone, internet, grocery's, etc.) for the previous three months to the appointment; in addition to the three most recent months' worth of back statements, for all household members' accounts.
- **20TH OF THE MONTH POLICY:** I understand that in order to have your rent reduced for the next month due to a change in family circumstances (adding/removing a family member) or a decrease in income, all documentation regarding the change must be submitted to my case manager **on or before** the 20th day of any month. All changes must be submitted in writing with the supporting documentation.
 - For a decrease in income this can be a letter from the employer showing your last day worked or a copy of your letter of resignation to your employer.
 - Child support verifications showing a decrease in amount received.
 - Benefit award letter showing a decrease in benefits for TANF or Social Security.

UNIT OCCUPANCY. I must receive prior approval from BCHA to add another family member(s) as an occupant of the unit, and will immediately notify BCHA if any household members no longer reside in, or are temporarily absent from the unit. I understand that if I fail to obtain prior approval from BCHA to add another family member(s) that the individual(s) will be considered unauthorized resident(s). I also understand that if my

household reduces in size, my voucher size may change, and I may be required to move from my existing residence at the expiration of my lease. I understand that I must notify BCHA in writing within 10 days of occurrence if any of the following changes occur: birth of a baby, an adoption or court awarded custody.

- **GUEST POLICY:** A "guest" is a person temporarily staying in the unit with the consent of a member of the household who has express or implied authority to so consent. A guest may remain in the unit no longer than 14 consecutive days or for a total of 30 cumulative calendar days during any 12-month period. Children who are subject to a joint-custody arrangement, or for whom a family has visitation privileges that are not included as a family member due to living outside of the household more than 50 percent of the time, are not subject to the time limitations of guests, as described above. A family may request an exception to this policy for valid reasons such as caring for a relative who is recovering from a medical procedure for a period of at least 30 consecutive days. No exceptions will be made unless the family can provide documentation identifying the residence to which the guest will return.
- **ABSENT FAMILY MEMBERS:** I understand that I must promptly notify BCHA in writing whenever I or any family member is going to be away from the unit for an extended period of time longer than 180 consecutive days.

LEASE COMPLIANCE. I understand that it is my responsibility to make sure that my household's portion of the rent will be made on or before the first day of each month; utilities will be paid on time; I will provide and maintain any appliance that the owner is not required to provide under the lease; and that I will keep my unit and common areas clean. I am responsible for any damage to the unit or premises (other than damage from ordinary wear and tear), and am also responsible for my guests and their actions. I understand that I may not commit any serious or repeated violations of the lease, and that failure to comply with the terms of the lease may result in termination from the program.

- **SERIOUS OR REPEATED LEASE VIOLATIONS:** Serious and repeated lease violations will include, but not be limited to, nonpayment of rent, disturbance of neighbors, and destruction of property, living or housekeeping habits that cause damage to the unit or premises; and criminal activity. Generally, the criterion to be used will be whether or not the reason for the eviction was the fault of the tenant or guests. Any incidents of, or criminal activity related to, domestic violence, dating violence, or stalking will not be construed as serious or repeated lease violations by the victim.

RESIDENCE: I understand that I may have only one residence.

MOVE NOTIFICATION. I understand that my initial lease with a landlord is to be for a one-year term; after that, I may choose to transfer to a month-to-month lease, if approved by the landlord. If I choose to move, I understand that a written notice to both the landlord and BCHA is required. I understand that I may not move to a new unit if I owe monies to a previous landlord or am not in compliance with a repayment agreement.

- **ELECTIVE MOVES:** BCHA will deny a family permission to make an elective move during the family's initial lease term. This policy applies to moves within its jurisdiction or outside it under portability. BCHA will also deny a family permission to make more than one elective move during any 12-month period. This policy applies to all assisted families residing in BCHA's jurisdiction. BCHA will consider exceptions to these policies for the following reasons: to protect the health or safety of a family member (e.g., lead-based paint hazards, domestic violence, witness protection programs), to accommodate a change in family circumstances (e.g., new employment, school attendance in a distant area), or to address an emergency situation over which a family has no control. If I desire to move while contracted in a lease, I must, first contact my caseworker for approval.
- **SECURITY DEPOSIT.** I understand that, upon moving into a new unit, a landlord may collect a security deposit, and that it is my responsibility to make sure that I anticipate and budget for this expense.

DRUG-RELATED CRIMINAL ACTIVITY/ABUSE OF ALCOHOL/VIOLENT CRIMINAL ACTIVITY.

I understand that no member of my household may engage in any drug-related ("controlled substances") activities, abuse of alcohol or any violent criminal activity.

Currently Engaged in is defined as any use of any controlled substances other than methamphetamines during the previous six months. Methamphetamine use will be considered as current within the previous twelve months.

Abuse of alcohol in a way that threatens the health, safety, or right to peaceful enjoyment of other residents and persons residing in the immediate vicinity of the premises may also result in termination of housing assistance.

Violent criminal activity is defined as any criminal activity that has as one of its elements the use, attempted use, or threatened use of physical force against the person or property of another.

I understand that BCHA will disclose information concerning Methamphetamine use and unit contamination with all relevant individuals and agencies.

BACKGROUND REPORTS. I authorize, through my signature, that BCHA may check police records at any time(s) during my participation in program.

- BCHA will consider all credible evidence, including but not limited to, any record of arrests, and/or convictions of household members related to drug-related or violent criminal activity, and any eviction or notice to evict based on drug-related or violent criminal activity.

BEHAVIOR TOWARD BCHA PERSONNEL. I understand that any abusive or violent behavior towards any BCHA staff member may result in termination of my rental assistance, or denial of my application for assistance.

FRAUD, BRIBERY, CRIMINAL ACTS. I understand that I may not sublease or sublet my unit, and that I am not allowed to assign the lease or transfer the unit. I may not own or have any interest in the unit and may not rent from a family member unless a reasonable accommodation has been granted. Members of my household may not receive a Housing Choice Voucher while receiving another housing subsidy, either for the same or another unit.

What You Should Know About EIV

A Guide for Applicants & Tenants of Public Housing & Section 8 Programs

What is EIV? The Enterprise Income Verification (EIV) system is a web-based computer system that contains employment and income information of individuals who participate in HUD rental assistance programs. All Public Housing Agencies (PHAs) are required to use HUD's EIV system.

What information is in EIV and where does it come from? HUD obtains information about you from your local PHA, the Social Security Administration (SSA), and U.S. Department of Health and Human Services (HHS).

HHS provides HUD with wage and employment information as reported by employers, and unemployment compensation information as reported by the State Workforce Agency (SWA).

SSA provides HUD with death, Social Security (SS) and Supplemental Security Income (SSI) information.

What is the EIV information used for? Primarily, the information is used by PHAs (and management agents hired by PHAs) for the following purposes to:

1. Confirm your name, date of birth (DOB), and Social Security Number (SSN) with SSA.
2. Verify your reported income sources and amounts.
3. Confirm your participation in only one HUD rental assistance program.
4. Confirm if you owe an outstanding debt to any PHA.
5. Confirm any negative status if you moved out of a subsidized unit (in the past) under the Public Housing or Section 8 program.
6. Follow up with you, other adult household members, or your listed emergency contact regarding deceased household members.

EIV will alert your PHA if you or anyone in your household has used a false SSN, failed to report complete and accurate income information, or is receiving rental assistance at another address.

Remember, you may receive rental assistance at only one home!

EIV will also alert PHAs if you owe an outstanding debt to any PHA (in any state or U.S. territory) and any negative status when you voluntarily or involuntarily moved out of a subsidized unit under the Public Housing or Section 8 program. This information is used to determine your eligibility for rental assistance at the time of application.

The information in EIV is also used by HUD, HUD's Office of Inspector General (OIG), and auditors to ensure that your family and PHAs comply with HUD rules.

Overall, the purpose of EIV is to identify and prevent fraud within HUD rental assistance programs, so that limited taxpayer's dollars can assist as many eligible

families as possible. EIV will help to improve the integrity of HUD rental assistance programs.

Is my consent required in order for information to be obtained about me? Yes, your consent is required in order for HUD or the PHA to obtain information about you. By law, you are required to sign one or more consent forms. When you sign a form HUD-9886 (*Federal Privacy Act Notice and Authorization for Release of Information*) or a PHA consent form (which meets HUD standards), you are giving HUD and the PHA your consent for them to obtain information about you for the purpose of determining your eligibility and amount of rental assistance. The information collected about you will be used only to determine your eligibility for the program, unless you consent in writing to authorize additional uses of the information by the PHA.

Note: If you or any of your adult household members refuse to sign a consent form, your request for initial or continued rental assistance may be denied. You may also be terminated from the HUD rental assistance program.

What are my responsibilities? As a tenant (participant) of a HUD rental assistance program, you and each adult household member must disclose complete and accurate information to the PHA, including full name, SSN, and DOB; income information; and certify that your reported household composition (household members), income, and expense information is true to the best of your knowledge.

Remember, you must notify your PHA if a household member dies or moves out. You must also obtain the PHA's approval to allow additional family members or friends to move in your home **prior** to them moving in.

What are the penalties for providing false information? Knowingly providing false, inaccurate, or incomplete information is **FRAUD** and a **CRIME**.

If you commit fraud, you and your family may be subject to any of the following penalties:

1. Eviction
2. Termination of assistance
3. Repayment of rent that you should have paid had you reported your income correctly
4. Prohibited from receiving future rental assistance for a period of up to 10 years
5. Prosecution by the local, state, or Federal prosecutor, which may result in you being fined up to \$10,000 and/or serving time in jail.

Protect yourself by following HUD reporting requirements. When completing applications and reexaminations, you must include all sources of income you or any member of your household receives.

If you have any questions on whether money received should be counted as income or how your rent is determined, **ask your PHA**. When changes occur in your household income, **contact your PHA immediately** to determine if this will affect your rental assistance.

What do I do if the EIV information is incorrect? Sometimes the source of EIV information may make an error when submitting or reporting information about you. If you do not agree with the EIV information, let your PHA know.

If necessary, your PHA will contact the source of the information directly to verify disputed income information. Below are the procedures you and the PHA should follow regarding incorrect EIV information.

Debts owed to PHAs and termination information reported in EIV originates from the PHA who provided you assistance in the past. If you dispute

this information, contact your former PHA directly in writing to dispute this information and provide any documentation that supports your dispute. If the PHA determines that the disputed information is incorrect, the PHA will update or delete the record from EIV.

Employment and wage information reported in EIV originates from the employer. If you dispute this information, contact the employer in writing to dispute and request correction of the disputed employment and/or wage information. Provide your PHA with a copy of the letter that you sent to the employer. If you are unable to get the employer to correct the information, you should contact the SWA for assistance.

Unemployment benefit information reported in EIV originates from the SWA. If you dispute this information, contact the SWA in writing to dispute and request correction of the disputed unemployment benefit information. Provide your PHA with a copy of the letter that you sent to the SWA.

Death, SS and SSI benefit information reported in EIV originates from the SSA. If you dispute this information, contact the SSA at (800) 772-1213, or visit their website at: www.socialsecurity.gov. You may need to visit your local SSA office to have disputed death information corrected.

Additional Verification. The PHA, with your consent, may submit a third party verification form to the provider (or reporter) of your income for completion and submission to the PHA. You may also provide the PHA with third party documents (i.e. pay stubs, benefit award letters, bank statements, etc.) which you may have in your possession.

Identity Theft. Unknown EIV information to you can be a sign of identity theft. Sometimes someone else may use your SSN, either on purpose or by accident. So, if you suspect someone is using your SSN, you should check your Social Security records to ensure your income is calculated correctly (call SSA at (800) 772-1213); file an identity theft complaint with your local police department or the Federal Trade Commission (call FTC at (877) 438-4338, or you may visit their website at: <http://www.ftc.gov>). Provide your PHA with a copy of your identity theft complaint.

Where can I obtain more information on EIV and the income verification process? Your PHA can provide you with additional information on EIV and the income verification process. You may also read more about EIV and the income verification process on HUD's Public and Indian Housing EIV web pages at: <http://www.hud.gov/offices/plh/programs/ph/rhiip/uiv.cfm>.

1. Housing Choice Voucher Program

- A. The public housing agency (PHA) has determined that the above named family (item 5) is eligible to participate in the housing choice voucher program. Under this program, the family chooses a decent, safe and sanitary unit to live in. If the owner agrees to lease the unit to the family under the housing choice voucher program, and if the PHA approves the unit, the PHA will enter into a housing assistance payments (HAP) contract with the owner to make monthly payments to the owner to help the family pay the rent.
- B. The PHA determines the amount of the monthly housing assistance payment to be paid to the owner. Generally, the monthly housing assistance payment by the PHA is the difference between the applicable payment standard and 30 percent of monthly adjusted family income. In determine the maximum initial housing assistance payment for the family, the PHA will use the payment standard in effect on the date the tenancy is approved by the PHA. The family may choose to rent a unit for more than the payment standard, but this choice does not change the amount of the PHA's assistance payment. The actual amount of the PHA's assistance payment will be determined using the gross rent for the unit selected by the family.

2. Voucher

- A. When issuing this voucher the PHA expects that if the family finds an approval unit, the PHA will have the money available to enter into a HAP contract with the owner. However, the PHA is under no obligation to the family, to any owner, or to any other person, to approve a tenancy. The PHA does not have any liability to any party by the issuance of this voucher.
- B. The voucher does not give the family any right to participate in the PHA's housing choice voucher program. The family becomes participant in the PHA's housing choice voucher program when the HAP contract between the PHA and the owner takes effect.
- C. During the initial or any extended term of this voucher, the PHA may require the family to report progress in leasing a unit at such intervals and times as determined by the PHA.

3. PHA Approval or Disapproval of Unit or Lease

- A. When the family finds a suitable unit where the owner is willing to participate in the program, the family must give the PHA the request for tenancy approval (of the form supplied by the PHA), signed by the owner and the family, and a copy of the lease, including the HUD-prescribed tenancy addendum. **Note: Both documents must be given to the PHA no later than the expiration date stated in item 3 or 4 on top of page one of this voucher.**
- B. The family must submit these documents in the manner that is required by the PHA. PHA policy may prohibit the family from submitting more than one request for tenancy approval at a time.
- C. The lease must include, word-for-word, all provisions of the tenancy addendum required by HUD and supplied by the PHA. This is done by adding the HUD tenancy addendum to the lease used by the owner. If there is a difference between any provisions of the HUD tenancy addendum and any provisions of the owner's lease, the provision of the HUD tenancy addendum shall control.
- D. After receiving the request for tenancy approval and a copy of the lease, the PHA will inspect the unit. The PHA may not give approval for the family to lease the unit or execute the HAP contract until the PHA has determined that all the following program requirements are met: the unit is eligible; the unit has been inspected by the PHA and passes the housing quality standards (HQS); the rent is reasonable; and the landlord and tenant have executed the lease including the HUD-prescribed tenancy addendum.
- E. If the PHA approves the unit, the PHA will notify the family and the owner, and will furnish two copies of the HAP contract to the owner.
 1. The owner and the family must execute the lease.
 2. The owner must sign both copies of the HAP contract and must furnish to the PHA a copy of the executed lease and both copies of the executed HAP contract.
 3. The PHA will execute the HAP contract and return an executed copy to the owner.
- F. If the PHA determined that the unit or lease cannot be approved for any reason, the PHA will notify the owner and the family that:
 1. The proposed unit or lease is disapproved for specified reasons, and
 2. If the conditions requiring disapproval are remedied to the satisfaction of the PHA on or before the date specified by the PHA, the unit or lease will be approved.

4. Obligations of the Family

- A. When the family's unit is approved and the HAP contract is executed, the family must follow the rules listed below in order to continue participating in the housing choice voucher program.
- B. The family must:
 1. Supply any information that the PHA or HUD determined to be necessary including evidence of citizenship or eligible immigration status, and information for use in a regularly schedule reexamination or interim reexamination of family income and composition.

2. Disclose and verify social security numbers and sign and submit consent forms for obtaining information.
 3. Supply any information requested by the PHA to verify that the family is living in the unit or information related to family absence from the unit.
 4. Promptly notify the PHA in writing when the family is away from the unit for an extended period of time in accordance with PHA policies.
 5. Allow the PHA to inspect the unit at reasonable times and after reasonable notice.
 6. Notify the PHA and the owner in writing before moving out of the unit or terminating the lease.
 7. Use the assisted unit for residence by the family. The unit must be the family's only residence.
 8. Promptly notify the PHA in writing of the birth, adopting, or court-awarded custody of a child.
 9. Request PHA written approval to add any other family member as an occupant of the unit.
 10. Promptly notify the PHA in writing if any family member no longer lives in the unit. Give the PHA a copy of any owner eviction notice.
 11. Pay utility bills and provide and maintain any appliances that the owner is not required to provide under the lease.
- C. Any information the family supplies must be true and complete.
- D. The family (including each family member) must not:
1. Own or have any interest in the unit (other than in a cooperative, or the owner of a manufactured home leasing a manufactured home space).
 2. Commit any serious or repeated violation of the lease.
 3. Commit fraud, bribery or any other corrupt or criminal act in connection with the program.
 4. Engage in drug-related criminal activity or violent criminal activity or other criminal activity that threatens the health, safety or right to peaceful enjoyment of other residents and persons residing in the immediate vicinity of the premises.
 5. Sublease or let the unit or assign the lease or transfer the unit.
 6. Receive housing choice voucher program housing assistance while receiving another housing subsidy, for the same unit or a different unit under any other Federal, State, or local housing assistance program.
 7. Damage the unit or premises (other than damage from ordinary wear and tear) or permit any guest to damage the unit or premises.
 8. Receive housing choice voucher program housing assistance while residing in a unit owned by a parent, child, grandparent, grandchild, sister, or brother of any member of the family, unless the PHA has determined (and has notified the owner and the family of such determination) that approving rental of the unit, notwithstanding such relationship, would provide reasonable accommodation for a family member who is a person with disabilities.
 9. Engage in abuse of alcohol in a way that threatens the health, safety or right to peaceful enjoyment of the other residents and persons residing in the immediate vicinity of the premises.

5. Illegal Discrimination

If the family has reason to believe that, in its search for suitable housing, it has been discriminated against on the basis of age, race, color, religion, sex (including sexual orientation and gender identity), disability, national origin, or familial status, the family may file a housing discrimination complaint with any HUD Field Office in person, by mail, or by telephone. The PHA will give the family information on how to fill out and file a complaint.

6. Expiration and Extension of Voucher

The voucher will expire on the date stated in item 3 on the top of page one of the voucher unless the family requests an extension in writing and the PHA grants a written extension of the voucher in which case the voucher will expire on the date stated in item 4. At its discretion, the PHA may grant a family's request for one or more extensions of the initial term.

If the family needs and requests an extension of the initial voucher term as a reasonable accommodation, in accordance with part 8 of this title, to make the program accessible to a family member who is a person with disabilities, the PHA must extend the voucher term up to the term reasonably required for that purpose.

APPLYING FOR HUD HOUSING ASSISTANCE?

**THINK ABOUT THIS...
IS FRAUD WORTH IT?**

Do You Realize...

If you commit fraud to obtain assisted housing from HUD, you could be:

- **Evicted** from your apartment or house.
- **Required to repay** all overpaid rental assistance you received.
- **Fined** up to \$10,000.
- **Imprisoned** for up to five years.
- **Prohibited** from receiving future assistance.
- **Subject** to State and local government penalties.

Do You Know...

You are committing fraud if you sign a form knowing that you provided false or misleading information.

The information you provide on housing assistance application and recertification forms will be checked. The local housing agency, HUD, or the Office of Inspector General will check the income and asset information you provide with other Federal, State, or local governments and with private agencies. Certifying false information is fraud.

So Be Careful!

When you fill out your application and yearly recertification for assisted housing from HUD make sure your answers to the questions are accurate and honest. You must include:

All sources of income and changes in income you or any members of your household receive, such as wages, welfare payments, social security and veterans' benefits, pensions, retirement, etc.

Any money you receive on behalf of your children, such as child support, AFDC payments, social security for children, etc.

Any increase in income, such as wages from a new job or an expected pay raise or bonus.

All assets, such as bank accounts, savings bonds, certificates of deposit, stocks, real estate, etc., that are owned by you or any member of your household.

All income from assets, such as interest from savings and checking accounts, stock dividends, etc.

Any business or asset (your home) that you sold in the last two years at less than full value.

The names of everyone, adults or children, relatives and non-relatives, who are living with you and make up your household.

(Important Notice for Hurricane Katrina and Hurricane Rita Evacuees: HUD's reporting requirements may be temporarily waived or suspended because of your circumstances. Contact the local housing agency before you complete the housing assistance application.)

Ask Questions

If you don't understand something on the application or recertification forms, always ask questions. It's better to be safe than sorry.

Watch Out for Housing Assistance Scams!

- Don't pay money to have someone fill out housing assistance application and recertification forms for you.
- Don't pay money to move up on a waiting list.
- Don't pay for anything that is not covered by your lease.
- Get a receipt for any money you pay.
- Get a written explanation if you are required to pay for anything other than rent (maintenance or utility charges).

Report Fraud

If you know of anyone who provided false information on a HUD housing assistance application or recertification or if anyone tells you to provide false information, report that person to the HUD Office of Inspector General Hotline. You can call the Hotline toll-free Monday through Friday, from 10:00 a.m. to 4:30 p.m., Eastern Time, at 1-800-347-3735. You can fax information to (202) 708-4829 or e-mail it to Hotline@hudoig.gov. The EIV system is designed to assist PHAs and HUD in ensuring that families are eligible to participate in HUD rental assistance programs and determining the correct amount of rental assistance a family is eligible for. All PHAs are required to use this system in accordance with HUD regulations at 24 CFR 5.233.

HUD requires PHAs, which administers the above-listed rental housing programs, to report certain information at the conclusion of your participation in a HUD rental assistance program. This notice provides you with information on what information the PHA is required to provide HUD, who will have access to this information, how this information is used and your rights. How will this information be used?

PHAs will have access to this information during the time of application for rental assistance and reexamination of family income and composition for existing participants. PHAs will be able to access this information to determine a family's suitability for initial or continued rental assistance, and avoid providing limited Federal housing assistance to families who have previously been unable to comply with HUD program requirements. If the reported information is accurate, a PHA may terminate your current rental assistance and deny your future request for HUD rental assistance, subject to PHA policy.

How long is the debt owed and termination information maintained in EIV?

Debt owed and termination information will be maintained in EIV for a period of up to ten (10) years from the end of participation date or such other period consistent with State Law.

What are my rights?

In accordance with the Federal Privacy Act of 1974, as amended (5 USC 552a) and HUD regulations pertaining to its implementation of the Federal Privacy Act of 1974 (24 CFR Part 16), you have the following rights:

1. To have access to your records maintained by HUD, subject to 24 CFR Part 16.
2. To have an administrative review of HUD's initial denial of your request to have access to your records maintained by HUD.
3. To have incorrect information in your record corrected upon written request.
4. To file an appeal request of an initial adverse determination on correction or amendment of record request within 30 calendar days after the issuance of the written denial.
5. To have your record disclosed to a third party upon receipt of your written and signed request.

What do I do if I dispute the debt or termination information reported about me?

If you disagree with the reported information, you should contact in writing the PHA who has reported this information about you. The PHA's name, address, and telephone numbers are listed on the Debts Owed and Termination Report. You have a right to request and obtain a copy of this report from the PHA. Inform the PHA why you dispute the information and provide any documentation that supports your dispute. HUD's record retention policies at 24 CFR Part 908 and 24 CFR Part 982 provide that the PHA may destroy your records three years from the date your participation in the program ends. To ensure the availability of your records, disputes of the original debt or termination information must be made within three years from the end of participation date; otherwise the debt and termination information will be presumed correct. Only the PHA who reported the adverse information about you can delete or correct your record. Your filing of bankruptcy will not result in the removal of debt owed or termination information from HUD's EIV system. However, if you have included this debt in your bankruptcy filing and/or this debt has been discharged by the bankruptcy court, your record will be updated to include the bankruptcy indicator, when you provide the PHA with documentation of your bankruptcy status.

The PHA will notify you in writing of its action regarding your dispute within 30 days of receiving your written dispute. If the PHA determines that the disputed information is incorrect, the PHA will update or delete the record. If the PHA determines that the disputed information is correct, the PHA will provide an explanation as to why the information is correct.

- Section 8 Housing Choice Voucher, including the Disaster Housing Assistance Program (24 CFR 982)
- Section 8 Moderate Rehabilitation (24 CFR 882)
- Project-Based Voucher (24 CFR 983)

The U.S. Department of Housing and Urban Development maintains a national repository of debts owed to Public Housing Agencies (PHAs) or Section 8 landlords and adverse information of former participants who have voluntarily or involuntarily terminated participation in one of the above-listed HUD rental assistance programs. This information is maintained within HUD's Enterprise Income Verification (EIV) system, which is used by Public Housing Agencies (PHAs) and their management agents to verify employment and income information of program participants, as well as, to reduce administrative and rental assistance payment errors. The EIV system is designed to assist PHAs and HUD in ensuring that families are eligible to participate in HUD rental assistance programs and determining the correct amount of rental assistance a family is eligible for. All PHAs are required to use this system in accordance with HUD regulations at 24 CFR 5.233.

HUD requires PHAs, which administers the above-listed rental housing programs, to report certain information at the conclusion of your participation in a HUD rental assistance program. This notice provides you with information on what information the PHA is required to provide HUD, who will have access to this information, how this information is used and your rights. PHAs are required to provide this notice to all applicants and program participants and you are required to acknowledge receipt of this notice by signing page 2. Each adult household member must sign this form.

What information about you and your tenancy does HUD collect from the PHA?

The following information is collected about each member of your household (family composition): full name, date of birth, and Social Security Number.

The following adverse information is collected once your participation in the housing program has ended, whether you voluntarily or involuntarily move out of an assisted unit:

1. Amount of any balance you owe the PHA or Section 8 landlord (up to \$500,000) and explanation for balance owed (i.e. unpaid rent, retroactive rent (due to unreported income and/ or change in family composition) or other charges such as damages, utility charges, etc.); and
2. Whether or not you have entered into a repayment agreement for the amount that you owe the PHA; and
3. Whether or not you have defaulted on a repayment agreement; and

Who will have access to the information collected?

This information will be available to HUD employees, PHA employees, and contractors of HUD and PHAs.

How will this information be used?

PHAs will have access to this information during the time of application for rental assistance and reexamination of family income and composition for existing participants. PHAs will be able to access this information to determine a family's suitability for initial or continued rental assistance, and avoid providing limited Federal housing assistance to families who have previously been unable to comply with HUD program requirements. If the reported information is accurate, a PHA may terminate your current rental assistance and deny your future request for HUD rental assistance, subject to PHA policy.

How long is the debt owed and termination information maintained in EIV?

Debt owed and termination information will be maintained in EIV for a period of up to ten (10) years from the end of participation date or such other period consistent with State Law.

What are my rights?

In accordance with the Federal Privacy Act of 1974, as amended (5 USC 552a) and HUD regulations pertaining to its implementation of the Federal Privacy Act of 1974 (24 CFR Part 16), you have the following rights:

1. To have access to your records maintained by HUD, subject to 24 CFR Part 16.
2. To have an administrative review of HUD's initial denial of your request to have access to your records maintained by HUD.
3. To have incorrect information in your record corrected upon written request.
4. To file an appeal request of an initial adverse determination on correction or amendment of record request within 30 calendar days after the issuance of the written denial.
5. To have your record disclosed to a third party upon receipt of your written and signed request.

What do I do if I dispute the debt or termination information reported about me?

If you disagree with the reported information, you should contact in writing the PHA who has reported this information about you. The PHA's name, address, and telephone numbers are listed on the Debts Owed and Termination Report. You have a right to request and obtain a copy of this report from the PHA. Inform the PHA why you dispute the information and provide any documentation that supports your dispute. HUD's record retention policies at 24 CFR Part 908 and 24 CFR Part 982 provide that the PHA may destroy your records three years from the date your participation in the program ends. To ensure the availability of your records, disputes of the original debt or termination information must be made within three years from the end of participation date; otherwise the debt and termination information will be presumed correct. Only the PHA who reported the adverse information about you can delete or correct your record.

Your filing of bankruptcy will not result in the removal of debt owed or termination information from HUD's EIV system. However, if you have included this debt in your bankruptcy filing and/or this debt has been discharged by the bankruptcy court, your record will be updated to include the bankruptcy indicator, when you provide the PHA with documentation of your bankruptcy status.

The PHA will notify you in writing of its action regarding your dispute within 30 days of receiving your written dispute. If the PHA determines that the disputed information is incorrect, the PHA will update or delete the record. If the PHA determines that the disputed information is correct, the PHA will provide an explanation as to why the information is correct.

LEASE ADDENDUM FOR DRUG-FREE HOUSING

In consideration of the execution or renewal of a lease of the dwelling unit identified in the lease, Owner or the designated representative of the Owner and Tenant agree as follows:

1. Tenant, any member of the tenant's household, or a guest or other person under the tenant's control shall not engage in criminal activity, including drug-related criminal activity, on or near property premises. 5. Tenant, any member of the tenant's household, or a guest or other person under the tenant's control shall not engage in acts of violence or threats of violence, including, but not limited to, the unlawful discharge of firearms on or near property premises.
6. VIOLATION OF THE ABOVE PROVISIONS SHALL BE A MATERIAL VIOLATION OF THE LEASE AND GOOD CAUSE FOR TERMINATION OF TENANCY. A single violation of any of the provisions of this added addendum shall be deemed a serious violation and a material non-compliance with the lease. It is understood and agreed that a single violation shall be good cause for termination of the lease. Unless otherwise provided by law, proof of violation shall not require criminal conviction, but shall be by a preponderance of the evidence.

Landlord Assurance Fund

Helping Landlords in Boulder County Recoup Damage Costs for Rental Assistance Supported Tenants

The Landlord Assurance Fund (LAF) helps landlords in Boulder County recoup damage costs for rental assistance supported tenants. The fund acts as a “safety net” for the first three years of tenancy for all landlords who accept federal, state, and local Boulder County housing vouchers and other types of rental assistance.

Owners may make a LAF claim for their housing unit if:

- The unit is in Boulder County
- Between \$500 and \$2,500 (while funds are available) of eligible damage was caused to the unit while the unit was being leased using a federal, state or local housing voucher
- The lease that was in place while the eligible damage was caused had an effective date of March 1, 2023 or later
- The claim is for damages that were caused by tenant within three years of initial move in; exceptions can be made on a case-by-case basis

The following damages and conditions are not covered by the LAF:

- Uncollected security deposit
- Damage to common areas or other units
- Attorney's fees/court costs
- Infestations
- Mold
- Damage covered by insurance policies (note: the insurance deductible may be covered)
- Units other than the one under contract
- Damage committed more than three years after the effective date of the applicable lease
- Damage not directly linked to the family's occupancy (such as forces of nature)
- Lost rental income
- Any utility cost and/or rental arrears

To File a claim: <https://bouldercounty.formstack.com/forms/laf>

The full amount of the collected security deposit and any available insurance coverage must be used to cover unpaid amounts before a LAF claim can be filed.

Funding for LAF is provided by the following partners: Boulder County, Boulder County Housing Authority, Boulder Housing Partners, City of Boulder

Future developments. Information about developments affecting Form W-9 (such as legislation enacted after we release it) is at www.irs.gov/w9.

Purpose of Form

An individual or entity (Form W-9 requester) who is required to file an information return with the IRS must obtain your correct taxpayer identification number (TIN) which may be your social security number (SSN), individual taxpayer identification number (ITIN), adoption taxpayer identification number (ATIN), or employer identification number (EIN), to report on an information return the amount paid to you, or other amount reportable on an information return. Examples of information returns include, but are not limited to, the following:

- Form 1099-INT (interest earned or paid)
- Form 1099-DIV (dividends, including those from stocks or mutual funds)
- Form 1099-MISC (various types of income, prizes, awards, or gross proceeds)
- Form 1099-B (stock or mutual fund sales and certain other transactions by brokers)
- Form 1099-S (proceeds from real estate transactions)
- Form 1099-K (merchant card and third party network transactions)

- Form 1098 (home mortgage interest), 1098-E (student loan interest), 1098-T (tuition)
- Form 1099-C (canceled debt)
- Form 1099-A (acquisition or abandonment of secured property)

Use Form W-9 only if you are a U.S. person (including a resident alien), to provide your correct TIN.

If you do not return Form W-9 to the requester with a TIN, you might be subject to backup withholding. See *What is backup withholding?* on page 2.

By signing the filled-out form, you:

1. Certify that the TIN you are giving is correct (or you are waiting for a number to be issued);
2. Certify that you are not subject to backup withholding; or
3. Claim exemption from backup withholding if you are a U.S. exempt payee. If applicable, you are also certifying that as a U.S. person, your allocable share of any partnership income from a U.S. trade or business is not subject to the withholding tax on foreign partners' shares of effectively connected income; and
4. Certify that FATCA code(s) entered on this form (if any) indicating that you are exempt from the FATCA reporting, is correct. See *What is FATCA reporting?* on page 2 for further information.

Note. If you are a U.S. person and a requester gives you a form other than Form W-9 to request your TIN, you must use the requester's form if it is substantially similar to this Form W-9.

Definition of a U.S. person. For federal tax purposes, you are considered a U.S. person if you are:

- An individual who is a U.S. citizen or U.S. resident alien;
- A partnership, corporation, company, or association created or organized in the United States or under the laws of the United States;
- An estate (other than a foreign estate); or
- A domestic trust (as defined in Regulations section 301.7701-7).

Special rules for partnerships. Partnerships that conduct a trade or business in the United States are generally required to pay a withholding tax under section 1446 on any foreign partners' share of effectively connected taxable income from such business. Further, in certain cases where a Form W-9 has not been received, the rules under section 1446 require a partnership to presume that a partner is a foreign person, and pay the section 1446 withholding tax. Therefore, if you are a U.S. person that is a partner in a partnership conducting a trade or business in the United States, provide Form W-9 to the partnership to establish your U.S. status and avoid section 1446 withholding on your share of partnership income.

In the cases below, the following person must give Form W-9 to the partnership for purposes of establishing its U.S. status and avoiding withholding on its allocable share of net income from the partnership conducting a trade or business in the United States:

- In the case of a disregarded entity with a U.S. owner, the U.S. owner of the disregarded entity and not the entity;
- In the case of a grantor trust with a U.S. grantor or other U.S. owner, generally, the U.S. grantor or other U.S. owner of the grantor trust and not the trust; and
- In the case of a U.S. trust (other than a grantor trust), the U.S. trust (other than a grantor trust) and not the beneficiaries of the trust.

Foreign person. If you are a foreign person or the U.S. branch of a foreign bank that has elected to be treated as a U.S. person, do not use Form W-9. Instead, use the appropriate Form W-8 or Form 8233 (see Publication 515, Withholding of Tax on Nonresident Aliens and Foreign Entities).

Nonresident alien who becomes a resident alien. Generally, only a nonresident alien individual may use the terms of a tax treaty to reduce or eliminate U.S. tax on certain types of income. However, most tax treaties contain a provision known as a "saving clause." Exceptions specified in the saving clause may permit an exemption from tax to continue for certain types of income even after the payee has otherwise become a U.S. resident alien for tax purposes.

If you are a U.S. resident alien who is relying on an exception contained in the saving clause of a tax treaty to claim an exemption from U.S. tax on certain types of income, you must attach a statement to Form W-9 that specifies the following five items:

1. The treaty country. Generally, this must be the same treaty under which you claimed exemption from tax as a nonresident alien.
2. The treaty article addressing the income.
3. The article number (or location) in the tax treaty that contains the saving clause and its exceptions.
4. The type and amount of income that qualifies for the exemption from tax.
5. Sufficient facts to justify the exemption from tax under the terms of the treaty article.

Example. Article 20 of the U.S.-China income tax treaty allows an exemption from tax for scholarship income received by a Chinese student temporarily present in the United States. Under U.S. law, this student will become a resident alien for tax purposes if his or her stay in the United States exceeds 5 calendar years. However, paragraph 2 of the first Protocol to the U.S.-China treaty (dated April 30, 1984) allows the provisions of Article 20 to continue to apply even after the Chinese student becomes a resident alien of the United States. A Chinese student who qualifies for this exception (under paragraph 2 of the first protocol) and is relying on this exception to claim an exemption from tax on his or her scholarship or fellowship income would attach to Form W-9 a statement that includes the information described above to support that exemption.

If you are a nonresident alien or a foreign entity, give the requester the appropriate completed Form W-8 or Form 8233.

Backup Withholding

What is backup withholding? Persons making certain payments to you must under certain conditions withhold and pay to the IRS 28% of such payments. This is called "backup withholding." Payments that may be subject to backup withholding include interest, tax-exempt interest, dividends, broker and barter exchange transactions, rents, royalties, nonemployee pay, payments made in settlement of payment card and third party network transactions, and certain payments from fishing boat operators. Real estate transactions are not subject to backup withholding.

You will not be subject to backup withholding on payments you receive if you give the requester your correct TIN, make the proper certifications, and report all your taxable interest and dividends on your tax return.

Payments you receive will be subject to backup withholding if:

1. You do not furnish your TIN to the requester,
2. You do not certify your TIN when required (see the Part II instructions on page 3 for details),

3. The IRS tells the requester that you furnished an incorrect TIN,

4. The IRS tells you that you are subject to backup withholding because you did not report all your interest and dividends on your tax return (for reportable interest and dividends only), or

5. You do not certify to the requester that you are not subject to backup withholding under 4 above (for reportable interest and dividend accounts opened after 1983 only).

Certain payees and payments are exempt from backup withholding. See Exempt payee code on page 3 and the separate instructions for the Requester of Form W-9 for more information.

Also see *Special rules for partnerships above*.

What is FATCA reporting?

The Foreign Account Tax Compliance Act (FATCA) requires a participating foreign financial institution to report all United States account holders that are specified United States persons. Certain payees are exempt from FATCA reporting. See *Exemption from FATCA reporting* code on page 3 and the instructions for the Requester of Form W-9 for more information.

Updating Your Information

You must provide updated information to any person to whom you claimed to be an exempt payee if you are no longer an exempt payee and anticipate receiving reportable payments in the future from this person. For example, you may need to provide updated information if you are a C corporation that elects to be an S corporation, or if you no longer are tax exempt. In addition, you must furnish a new Form W-9 if the name or TIN changes for the account; for example, if the grantor of a grantor trust dies.

Penalties

Failure to furnish TIN. If you fail to furnish your correct TIN to a requester, you are subject to a penalty of \$50 for each such failure unless your failure is due to reasonable cause and not to willful neglect.

Civil penalty for false information with respect to withholding. If you make a false statement with no reasonable basis that results in no backup withholding, you are subject to a \$500 penalty.

Criminal penalty for falsifying information. Willfully falsifying certifications or affirmations may subject you to criminal penalties including fines and/or imprisonment.

Misuse of TINs. If the requester discloses or uses TINs in violation of federal law, the requester may be subject to civil and criminal penalties.

Specific Instructions

Line 1

You must enter one of the following on this line; **do not** leave this line blank. The name should match the name on your tax return.

If this Form W-9 is for a joint account, list first, and then circle, the name of the person or entity whose number you entered in Part I of Form W-9.

a. **Individual.** Generally, enter the name shown on your tax return. If you have changed your last name without informing the Social Security Administration (SSA) of the name change, enter your first name, the last name as shown on your social security card, and your new last name.

Note. ITIN applicant: Enter your individual name as it was entered on your Form W-7 application, line 1a. This should also be the same as the name you entered on the Form 1040/1040A/1040EZ you filed with your application.

b. **Sole proprietor or single-member LLC.** Enter your individual name as shown on your 1040/1040A/1040EZ on line 1. You may enter your business, trade, or "doing business as" (DBA) name on line 2.

c. **Partnership, LLC that is not a single-member LLC, C Corporation, or S Corporation.** Enter the entity's name as shown on the entity's tax return on line 1 and any business, trade, or DBA name on line 2.

d. **Other entities.** Enter your name as shown on required U.S. federal tax documents on line 1. This name should match the name shown on the charter or other legal document creating the entity. You may enter any business, trade, or DBA name on line 2.

e. **Disregarded entity.** For U.S. federal tax purposes, an entity that is disregarded as an entity separate from its owner is treated as a "disregarded entity." See Regulations section 301.7701-2(c)(2)(iii). Enter the owner's name on line 1. The name of the entity entered on line 1 should never be a disregarded entity. The name on line 1 should be the name shown on the income tax return on which the income should be reported. For example, if a foreign LLC that is treated as a disregarded entity for U.S. federal tax purposes has a single owner that is a U.S. person, the U.S. owner's name is required to be provided on line 1. If the direct owner of the entity is also a disregarded entity, enter the first owner that is not disregarded for federal tax purposes. Enter the disregarded entity's name on line 2, "Business name/disregarded entity name." If the owner of the disregarded entity is a foreign person, the owner must complete an appropriate Form W-8 instead of a Form W-9. This is the case even if the foreign person has a U.S. TIN.

FAILED INSPECTIONS:

If a unit fails the initial inspection, all non-life-threatening failed items must be corrected within 30 days or less. All life-threatening failed items must be corrected prior to subsidy being paid on the unit.

If it fails an annual inspection, failed items must be corrected for the subsidy to continue. The owner or property manager is required to repair items within 30 days or less as specified in the inspection report. However, if the failed item is considered life-threatening, federal law requires the repair to be made within 24 hours.

Additional time may be granted in cases where extensive repairs are needed. If a unit fails the initial inspection more than once, BCHA will not inspect the unit again for that tenant.

If the tenant is responsible for damages the tenant causes. You may require the tenant to repair or pay for the repair of items the tenant has damaged. You would give the tenant written notice, explaining which items they are to repair and when, with a copy provided to BCHA. If tenants fail to repair damages they caused their Housing Choice vouchers may be terminated.

If items that failed inspection are not repaired in the required time, BCHA may begin withholding housing assistance payments. The tenant cannot be held responsible for the BCHA's portion of the rent. When the repairs have been made and the unit passes the final HQS inspection, BCHA will resume housing assistance payments, prorated from the date of the inspection.
