Eagle Freedom Fund II is building **Three Future Realities** that are worth fighting for and can be profitable to build

Predators are exploiting technology

There are countless online predators exploiting digital platforms, using messaging apps, social media, and gaming environments to target children.

Parents need digital protection

Parents recognize online dangers but lack the tools to detect and prevent digital exploitation.

HarmBlock by SafeToNet stops this before it starts

HarmBlock's AI-powered filtering system prevents children from viewing and recording explicit content, blocking harmful interactions before they happen.

Eagle Freedom Fund is growing at 21% per year building the **Three Future Realities**

Safe digital world for children

We envision a future where children are protected from harms in the digital world through scalable and beautiful tools.

Decimating sex trafficking industry

We envision a future where the sex trafficking industry has been decimated by profitable and scalable solutions.

Decimating labor trafficking industry

We envision a future where labor trafficking has been decimated through AI-enabled transparency, public markets advocacy, and on-the-ground solutions.
