

Investor Overview

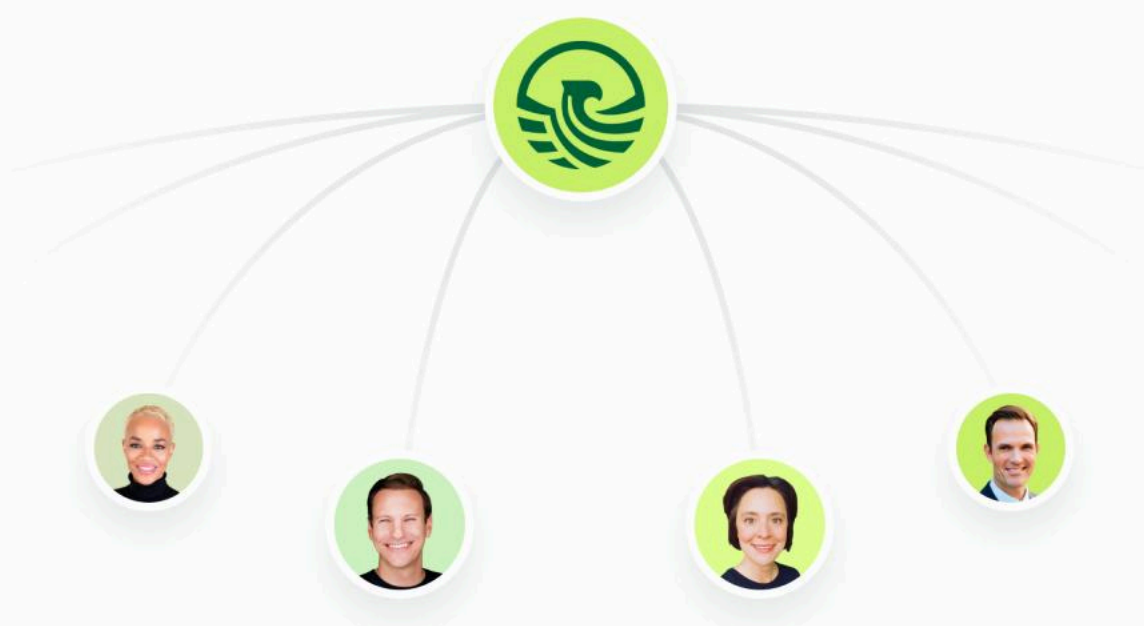

A global venture capital
firm backing the bold to
build what matters.

Eagle Venture Fund

Backing the bold.
Building what matters.

Eagle Venture Fund is a global impact venture capital firm investing in early-stage technology companies advancing human freedom, economic opportunity, and healthcare transformation.

With offices in Dallas, Zürich, and Singapore, we partner with founders who combine commercial excellence with moral clarity, entrepreneurs driven not just by profits, but by purpose.

We call this Direct Impact:

Where a company’s core business model is the impact.
The more impact delivered, the stronger the commercial performance.
