<i>Visiting</i>	
<i>There may be times when it is difficult to visit on a regular basis or you are unable to visit at all. The Crematorium now offers a service for those that may like their Memorial plaque or headstone and the ground around it, cleaned and tidied prior to their visit.</i>	£11.00
We also offer a service for those that may not be able to visit but would like to lay flowers at a loved one's Memorial. Just send your flowers to the Crematorium, by prior arrangement with one of our admin team. We will ensure the Memorial cleaned and the ground around it tended. We will then photograph the plot with your flowers in place and e-mail you the picture.	£17.00

Additional Information

Purchasing a Grave

- Graves may not be purchased in advance.
A burial plot may only be purchased following the death of an individual, and solely for the purpose of their interment.
- Only the applicant/s for the deceased may purchase the grave.
Graves cannot be bought on behalf of living persons or reserved for future use.

Resident and Non-Resident Fees

- Single fees apply when the deceased has lived within the local area boundaries for the past 12 months.
- Double fees will apply if the deceased was not a resident of the local area at the time of death.
- Residency status applies to the *deceased*, not the applicant or family.

Burial Rights and Grave Depth

- Somerset Council recognises "Perpetuity" as a 50 - 100 year Burial Right dependent upon initial purchase, counted from the date of the *last burial* within the grave.
- All new graves are sold with a double-depth Burial Right, wherever possible.
- The first interment within a new grave will always be prepared at double depth, whenever possible.
- The Council reserves the right to remove any headstone that obstructs a new interment. Removal will be carried out by a qualified Monumental Mason and will take place up to three 3 working days prior to the scheduled interment. The headstone will be reinstated within three 5 working days following the interment. The Applicant for the Burial and Memorial Rights of the Headstone being removed shall be informed in writing at the earliest opportunity. All works are fully insured, and the cost of removal and reinstatement is the responsibility of the Applicant for the interment.

Note

- All grave purchases are subject to the conditions stated in this policy and any supplementary Cemetery regulations.
- The Council reserves the right to amend fees, procedures, or regulations in line with legislative or operational changes.

Cemetery Policy

Somerset Council is currently developing a comprehensive Cemetery Policy, which will cover all regulations, operational standards, and service commitments for Cemetery management across the authority.

The full policy is in progress and is scheduled to be published in 2026/27. In the interim, the guidance provided reflects the Council's current operating practices for grave purchase, burial rights, and associated fees.
