

	Title: Environmental Policy	Issued: 19.06.24.	Issue No. 2
	Document No: EMS01	Author: P. Bailey	1 Page

It is the policy of Auto Marine Cables Ltd to protect the local environment and contribute to the global goal of reducing the effects of climate change by minimising the environmental impacts of our activities, products and services. To achieve this goal the company shall:

- Comply with applicable legal and other requirements which relate to the company's environmental aspects.
- Consider the risks and opportunities relating to environmental issues in all business strategies and initiatives, including those of our suppliers, stakeholders and other interested parties.
- Setting environmental targets and regularly review progress against them at management review, internal and external audit.
- Auto Marine Cables senior management are committed to ensure that protection of the environment is firmly embedded in both the company's and all the employees' culture and will endeavour to influence its suppliers and customers in a similar strategic environmental manner.
- Prevent pollution, reduce waste, increase recycling and minimise the consumption of energy and natural resources.
- Educate, train and motivate employees to carry out tasks in an environmentally responsible manner and ensure that a continuous professional development strategy remains core to our business goals.
- Offer advice to customers for end of life disposal of the products we supply.
- Develop and implement an Environmental Management System (EMS) that complies with the International Standard ISO 14001:2015.

The company is committed to continual improvement of environmental performance. This policy will be communicated to all staff, contractors and suppliers, and will be available to the public through selected media.

Signed (MD): 	Print Name: Brent Collins	Date: 2 nd July 2025
