"We couldn't be happier with the amazing list of performers we've lined up for the upcoming edition of Lucknow's Music in the Fields," comments festival Co-Chair, Ken Irwin. "At the end of every summer, we look back on LMITF weekend and start sharing ideas on how we can elevate the experience for our community and guests the next time around. The lineup is a huge part of that, and we worked hard with the whole team to make sure this year's list has something for everyone. We're can't wait to have you back at Graceland this summer for our best edition yet."

A Lucknow & District Kinsmen event, the annual three-day festival combines exciting musical performances across multiple stages with onsite camping; family-friendly games and activities; a bustling marketplace with ample food, beverage, and shopping options; and much more.

All LMITF proceeds are injected back into the town and surrounding area, supporting countless community and charitable initiatives; to date, donations have surpassed over \$2 million.

Saturday, Aug. 29th will see Koe Wetzel headlining a wide-ranging bill that also features Elle King as direct support, Corb Lund, Honeymoon Suite, and Kalsey Kulyk. Friday, Aug. 28th features high-impact co-headliners Finger Eleven and Headstones with JUNO-winning rocker JJ Wilde rounding out the evening. Kicking off the festivities on Thursday, Aug. 27th, are scorching country / rock cover outfit Tin Roof and Simply Queen, a lauded tribute to the British rock icons. Finally, returning festival favourite DJ Johnny Rivex leads a high-energy dance party each night following the main stage headliners.
