STEPS TO CREATE A VISION

1

LINE UP!

Take your place at the starting line. Make sure you're in a place where you can launch yourself toward success.

GET YOUR WESLEY!

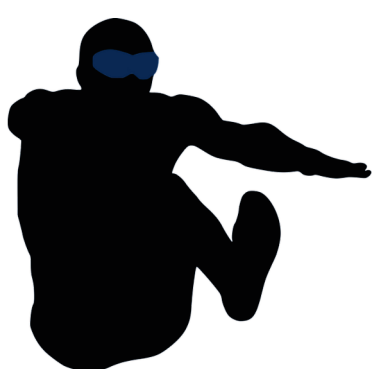

Seek guidance, information, or even a full-fledged mentor. A real ally will always have your back.

2

3

FOLLOW THE CLAPS!

Don't get distracted. When you're crafting your vision, stay focused on the prize.

JUMP!

You won't get anywhere if you don't take action. Identify the specific steps that will propel you toward your goal.
