

SQUARE BUCKETS

only from A-Roo Company

Ensure the safe and efficient delivery of fresh flowers to your market with A-Roo Company's durable and reliable buckets. Designed for wholesale distribution, our buckets are built to withstand the demands of handling, transport, and storage, offering a practical solution for flower growers, wholesalers, and distributors. These heavy-duty, leak-proof buckets are perfect for use in flower coolers, shipping, and during transportation.

The robust design features a reinforced lip, sidewall, and bottom that enhance the strength and durability of each bucket. Sturdy handles are built in for easy carrying and transporting, making them even more convenient for everyday use. Their slightly tapered shape allows for convenient nesting when not in use, optimizing storage space. The smooth black finish is easy to clean and ensures that the flowers are securely contained.

Our floral buckets are available in three standard sizes: small (9.45 x 11.42 x 13.78 in), medium (11.81 x 15.35 x 15.94 in), and large (14.17 x 19.29 x 16.93 in), offering versatile options for a range of wholesale needs. Let A-Roo Company help streamline your flower distribution with our high-quality, reusable floral buckets.
