STAGE: EARLY STAGE (SERIES PRE-SEED TO SERIES A)

IT GENERATION

IT Generation is an educational project that offers free education in IT specialties for Ukrainians.

Within the pilot project, 2K+ students will become IT specialists. The project will be scaled in the future to help more Ukrainians.
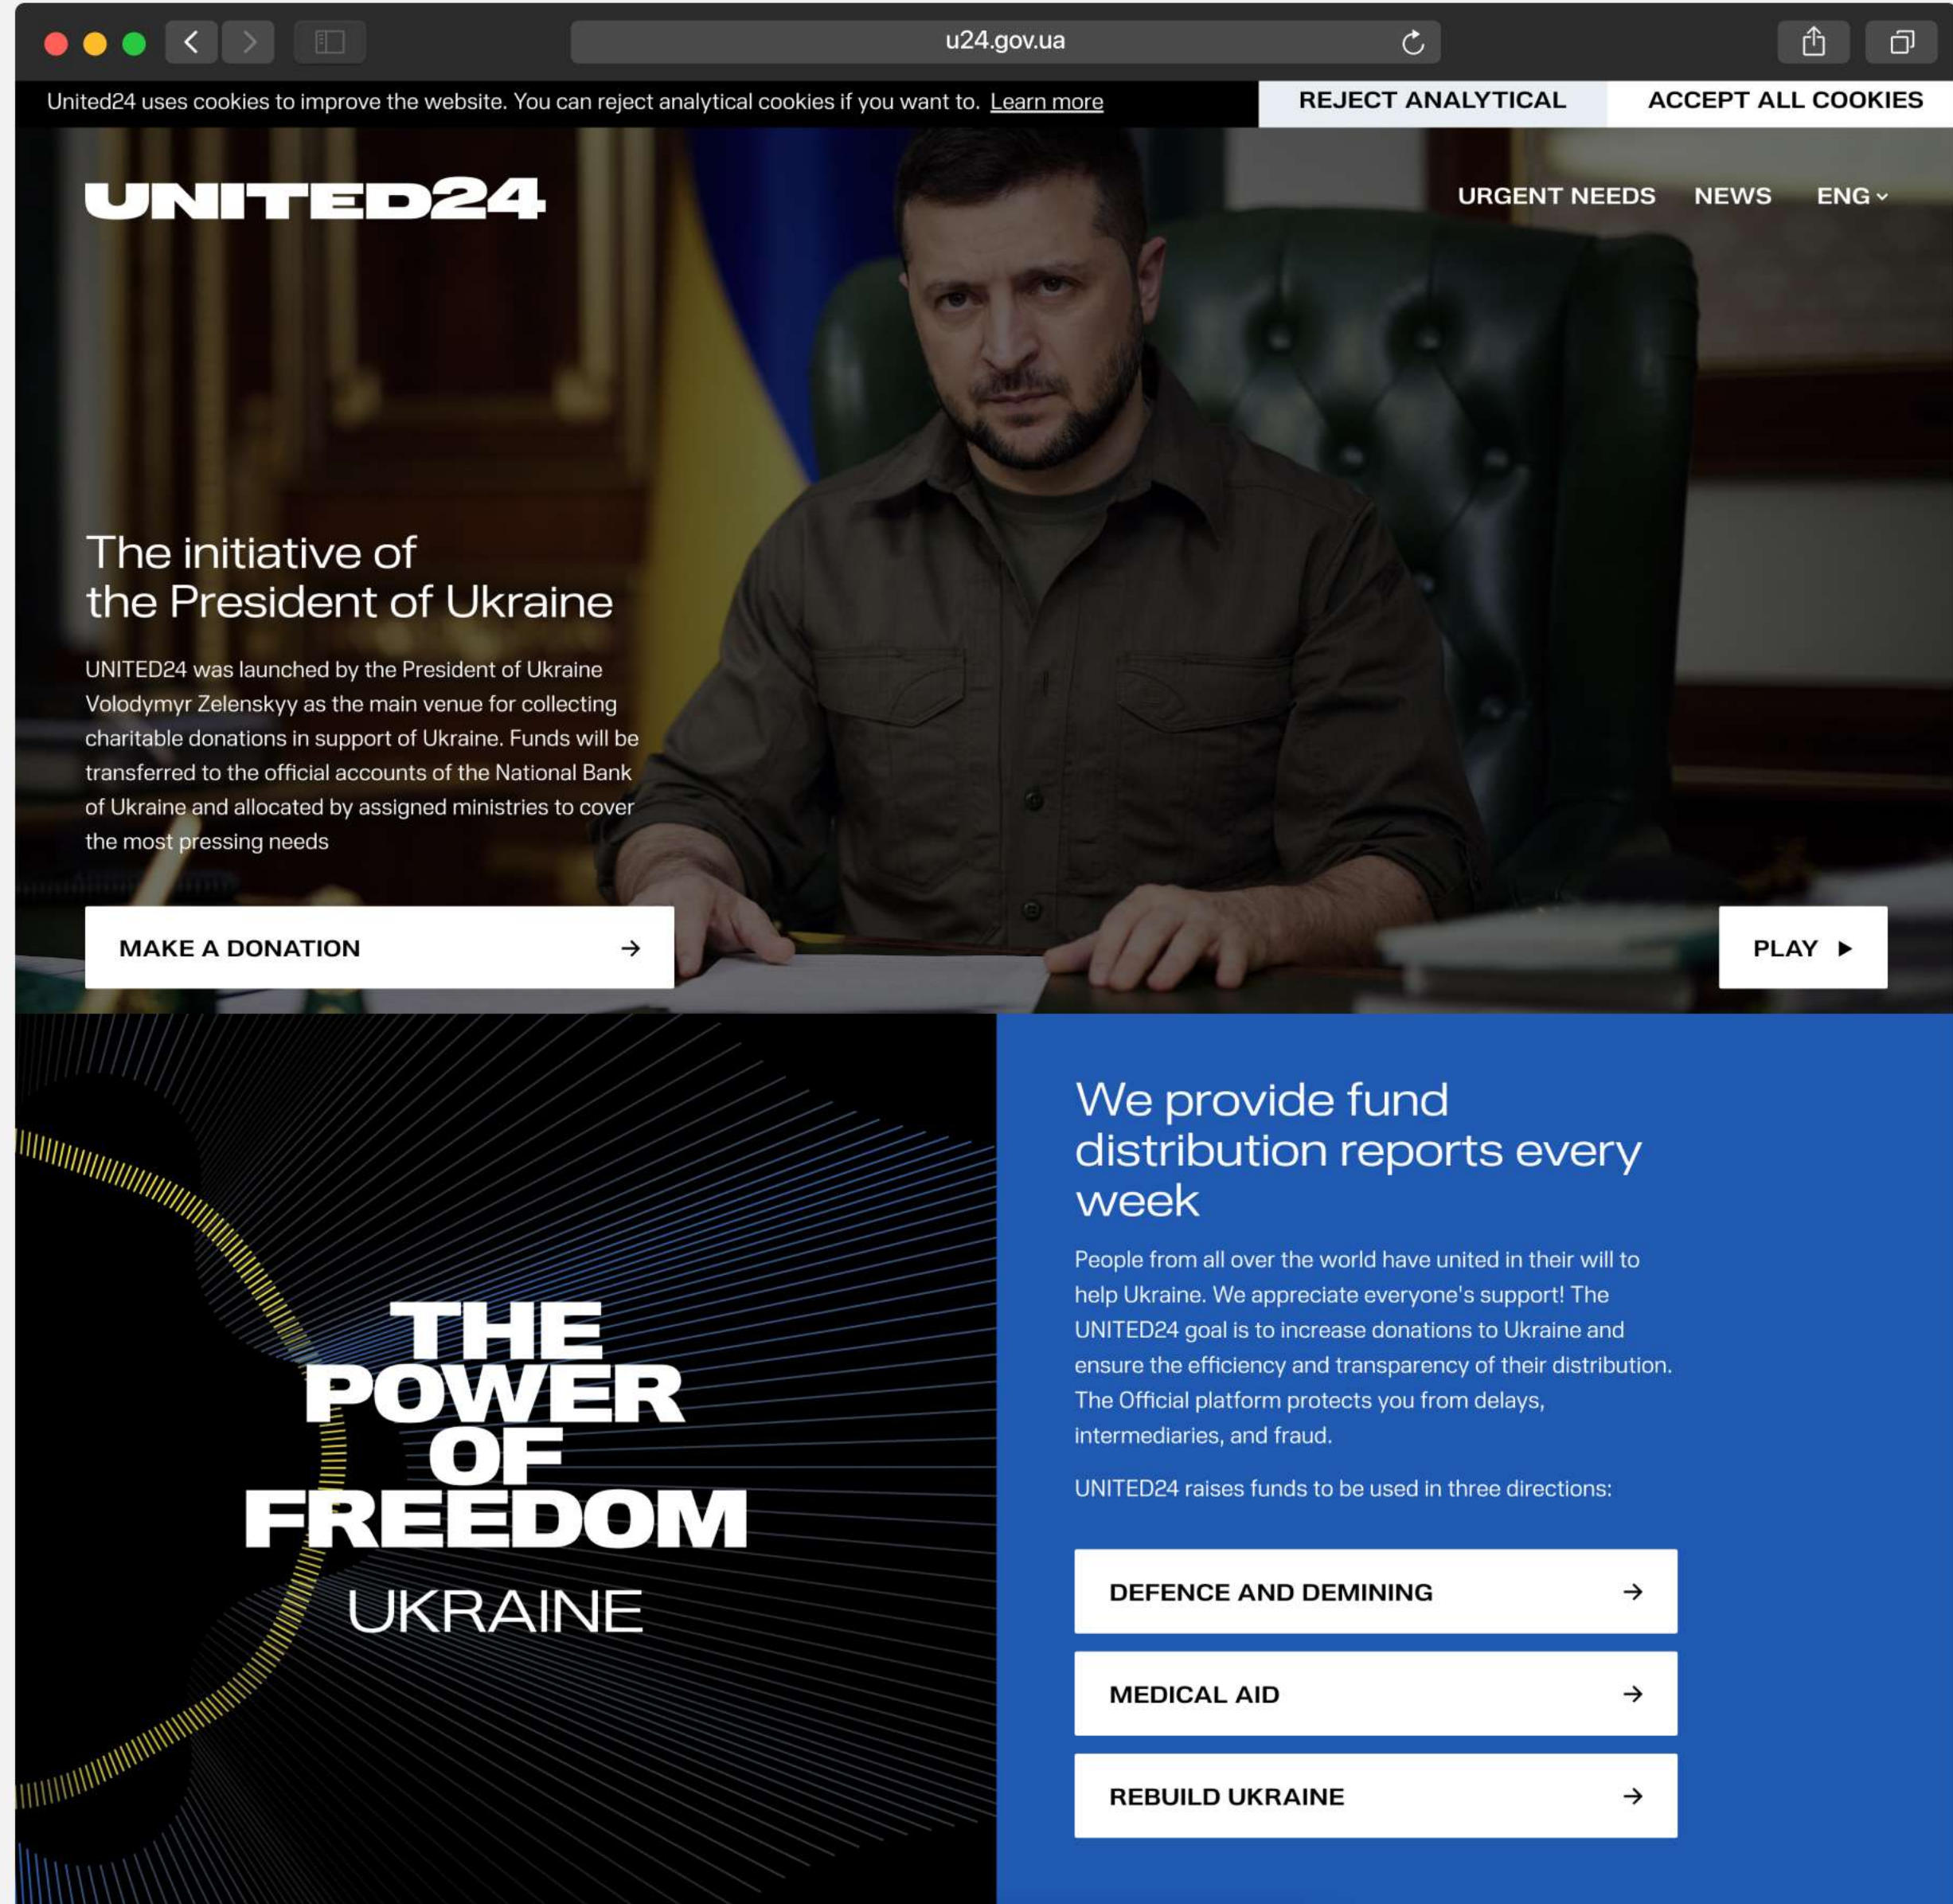

GOALS:

- to help Ukrainians who have lost their jobs master a new profession and start a career in IT
- to partially solved the problem of personnel shortage in IT
- to promote the development of edtech as an important segment of IT personnel training
