

Dress Code Update for next year 2026-2027

We will continue to use Lanier Goods Co at 212 Grogan Drive, STE 500 Dawsonville, GA 30534. 770-2838489

We have some PE (\$15) and Spirit wear (\$22) school jacket (\$65) in the school office. Approved T-shirts and spirit wear may only be purchased through the school office or through Lanier Goods Co. The school polo and oxford shirt may be purchased through Lanier Goods Co or get an outside vendor approved for blue, black, white, and pink polos. Hoodies must be bought through Lanier Goods Co only. Outside vendors are not allowed for hoodies.

The students will be required to wear a polo shirt with the school logo. We will no longer be wearing shirts of their choice. The polo can be purchased from the uniform company for a very reasonable price with the logo already on it. It takes about two weeks to get the order completed from them. Every day Monday through Thursday all students will wear a polo shirt with the school logo or spirit wear shirt from the school office.

- The shorts are to be solid black, blue, or khaki color and fingertip length or longer.
- The skirts are still black, blue, or khaki color and fingertip length or longer.
- The pants are to be solid in color, black, blue, or khaki and can be a color choice that matches the polo or school spirit wear you are wearing. Pants are to fit at the waist. Jeans must be blue or black and are NOT to have rips, holes or frays.
- We do NOT allow leggings or jeggings pants. No pajama pants
- Jeans, black pants, khaki pants, black jeans, and solid black, blue or khaki sweatpants are still allowed.

Sweatpants must be solid. They cannot have designs on the rear or on the legs.

- Wednesday is the same dress code. Black pants, black or blue jeans, or khaki pants and a school polo.
- We require all the hoodies and sweatshirts to have the school logo. Those must be purchased through Lanier Goods Co.
- Polo suggested colors are black, blue, white, yellow gold, pink, and blue.

Outside coats, jackets, and sweaters are not required to have the school logo but must be solid in color. If it zips, it is a coat. If it is a pull over the head, then it is a hoodie or sweatshirt and needs the logo. A ¾ zip wear needs the logo. Sweaters do not need the logo but must be solid in color. PLEASE NOTE DRESS CODE WILL BE CHECKED EACH DAY. STUDENTS OUT OF DRESS CODE WILL BE ASKED TO CHANGE. THIS MEANS A PARENT WILL NEED TO BRING A CHANGE OF CLOTHES FOR THAT STUDENT AND A DRESSCODE WRITE UP.
