

ABOUT US

STEM Santa Fe is a non-profit organization dedicated to providing high-quality STEM and STEAM education to students in New Mexico. Our mission is to inspire and empower the next generation of innovators and problem-solvers through engaging hands-on activities and professional STEM mentors.

COMMUNITY ENGAGEMENT

STEM Santa Fe collaborates with local schools, organizations, and surrounding pueblos to provide inclusive and accessible STEAM education. We aim to address the unique educational needs of our community and promote lifelong learning.

Santa Fe, NM 87594

STEM Santa Fe is an award-winning 501(c)(3) non-profit charitable organization.

OUR MISSION

STEM Santa Fe advocates for, develops and provides STEM programming, mentoring and resources for all youth, especially underrepresented groups in STEM, to realize their potential and expand their opportunities in a dynamic world.

OUR PROGRAMS

Inspiring Innovation and Creativity through STEM

Empowering Youth Through Hands-On STEM Learning, fostering critical thinking, problem-solving, and confidence.

Connecting Students with STEM professionals who inspire and guide

Ensuring equitable access to quality STEM education at low or no cost to families to close the opportunity gap.

HOW TO SUPPORT OUR MISSION

Donate: Support our programs and help us reach more students.

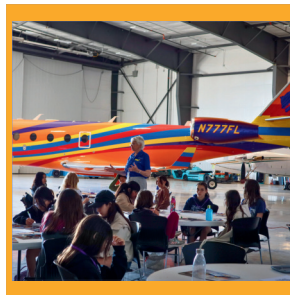

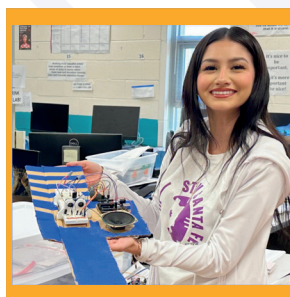

Summer STEM Circles

Fun summer camps filled with learning through expert-led workshops. We explore topics such as 3D printing, coding, digital art, animation, and Aviation and Aerospace.

STEM Scaffold Santa Fe

Learn various STEAM subjects such as coding, engineering, environmental sciences, math skills, and collaborative team projects in school.

STEM Pathways for Girls

An inspiring one-day conference for all of New Mexico girls augmented by monthly in-depth workshops and camps led by professional women in STEM.

Indigenous Youth In STEAM

Through collaborations with the Pueblos in NM, our efforts inspire and provide STEM-related support and instruction for Indigenous youth.

Internship Exploration Program

Providing STEM mentorship to high school and post-secondary students for skill-building and career pathways.

Making Friends with the M in STEM

The Julia Robinson Math Festival introduces kids to the beauty of mathematics by providing interesting, inspiring, engaging, and thought-provoking problems.

STEAM Outreach

Advocating for STEAM education through collaborations, outreach and partnerships. Mentoring and supporting STEM teams/clubs in STEM competitions and in schools.
