About Sankara Eye Foundation:

SEF is a 501(c) 3 non-profit organization, with a mission to eradicate curable blindness in India.

The problem of blindness is enormous! World's largest blind population lives in India, with 45 million people visually impaired and 12 million of them totally blind. Annually, 1 million cases are added to the existing backlog.

To arrest the growth of ever-growing blindness in India, SEF, USA has launched the program Vision 2030 to perform 1 million free eye surgeries annually by the year 2030 through expanding the capacity of our Sankara Eye Hospitals, partnering with other eligible eye care hospitals and continue building new hospitals.

Today, SEF, USA supports 11 Sankara Eye Hospitals and 10 Partner Eye Care Hospitals across India and together performed 235,000 free eye surgeries in 2021.

We look forward to hearing from you regarding the sponsorship opportunity. Please visit us at visit www.giftofvision.org for more information.
