 - TOGETHER.... WE CAN WORK TOWARDS CURING BLINDNESS IN INDIA

JOURNEY OF SANKARA EYE FOUNDATION (SEF), USA

- For the last 27 years, SEF, USA has been working in partnership with SEF, India to eliminate curable blindness in India by providing free high-quality eye care to those in need and by building super-specialty eye care hospitals for these free services.
- Since 2018, our Vision 2030: March to a Million goal has been to deliver a sustainable one million free eye surgeries annually by 2030. We are achieving this by partnering with other eligible eye care hospitals, building new hospitals, and expanding the capacities of existing hospitals.
- Our network currently consists of 29 hospitals across 14 states in India, and we performed more than 447,280 free eye surgeries in fiscal year 2024-2025. We currently have ten capital infrastructure projects in the pipeline for which we are fundraising.
- With all the efforts and support from our generous patrons, **SEF USA has become the world's largest free eye care provider.**
- SEF, USA has received Charity Navigator's Top 4-Star rating for the tenth year in a row for its commitment to transparency, governance, and economic efficiency.
