

PRESS RELEASE – FOR IMMEDIATE PUBLICATION

Sankara Eye Foundation, USA Presents Sonu Nigam Live at the Iconic Dolby Theatre on August 30.

Los Angeles, CA – Sankara Eye Foundation, USA (SEF, USA) is proud to present **Sonu Nigam Revolution**, an unforgettable evening with legendary playback singer **Sonu Nigam** at the iconic **Dolby Theatre, Hollywood**—home of the Oscars. This spectacular concert of timeless melodies will support Sankara's mission to eliminate curable blindness in India.

Renowned for his soulful voice and remarkable versatility, Sonu Nigam has captivated audiences worldwide with thousands of songs across multiple languages and genres. This exclusive concert promises an unforgettable musical experience, and every ticket purchased allows attendees to make a lasting impact.

For 28 years, Sankara Eye Foundation, USA has been transforming lives by supporting high-quality, free eye care through its network of hospitals in India. Millions still live with preventable blindness due to limited access to quality eye care.

SEF, USA enables patients from rural and underserved communities to receive comprehensive eye care through community screening camps. Services include transportation to hospitals, sight-restoring surgeries, post-operative care, and follow-up—completely free of cost. Every contribution restores not only vision, but also independence, education, livelihood, and hope.

Today, SEF, USA operates the world's largest free eye care program. Through its **Vision 2030: March to a Million** initiative, it aims to provide **one million free eye surgeries annually by 2030**. The organization continues to expand its network of world-class eye hospitals while investing in advanced technology, ophthalmologist training, and outreach programs that bring eye care to remote villages.

Guests attending the Sonu Nigam concert will enjoy an unforgettable evening while supporting a mission that changes lives. Every ticket purchased and every dollar raised helps bring the gift of sight to someone living in darkness.

Join Sankara Eye Foundation, USA for an extraordinary musical experience. Together, we can create a world free from curable blindness.
