On our label is “The Dionysus Cup,” an ancient Grecian cup crafted by Exekias in 530 BC, which depicts Homer’s “Hymn to Dionysus.” Homer tells the story of pirates, cruising along the Aegean, who spot a strapping man and decide to take him hostage. The Helmsman warns them off, but the captain heads out to sea with their captive: Dionysus, the God of Wine. Soon “wine sprang forth, babbling, bubbling over the speedy black ship: it was sweet, it was fragrant, the odor was divine.” The sea turned wine red and vines grew up the mast. Dionysius turns into a lion and attacks the captain; the other pirates dive over the edge, where they are turned into dolphins.
