(330)398-8457 // jackmac1114@yahoo.com

Footwear Designer and Developer of 3 years actively seeking a role where storytelling, design, and digital innovation converge to shape the physical world and future of sport. I want to be able to create powerful experiences that inspire athletes to unlock their full potential.

WORK EXPERIENCE

VIDA

Footwear Design Contractor / NY / September 2025 - Present

Supporting cross-team initiatives between design, sales, and merchandise team for Carter's brand.

- Designing inline product with trend and costing awareness
- Delivered tech packs for over 100 shoes while in communication with overseas factories
- Validating and adjusting preproduction confirmation samples for production approval

SKECHERS

Boy's Design Intern / CA / January 2025 - April 2025

Worked in collaboration with product development and technical team.

- Researched and presented market trends to merchandising in preparation for seasonal development
- Extensively focused on learning material and manufacturing processes to lower production cost
- Developed and designed innovative solutions to enhance and evolve the current inline product

Girl's Sport Design Intern / CA / May 2024 - August 2024

Worked cross functionally with the product development and technical team.

- Researched trends and made shopping reports for the design team and product line management
- Created out-sole technical drawings for inline concepts of the 2026 Spring Season
- Ideate concepts, renderings, and explored colorways creating PO samples

VIDA

Product Design Intern / NY / January 2023 - April 2023

Collaborated with the design, sales, and merchandise team for Carter's and Osh Kosh B'Gosh.

- Trend shopped and researched existing market with the design team
- Designed inline product, creating tech packs by specifying colors and materials
- Created seasonal line sheets for seasonal catalog
