Footwear Designer and Developer with over 3 years of experience actively seeking a role where storytelling, design, and digital innovation converge to shape the physical world and future of sport. Looking for an opportunity to create powerful experiences that inspire athletes to unlock their full potential.

WORK EXPERIENCE

VIDA

Footwear Design Contractor / NY / September 2025 - Present

Supporting cross-team initiatives between design and development for Carter's, Saucony, and Merrel brands.

- Designing inline product with trend and costing awareness
- Delivering tech packs for over 100 shoes while in communication with overseas factories
- Validating and adjusting preproduction confirmation samples for production approval

SKECHERS

Boy's Design Intern / CA / January 2025 - April 2025

Worked in collaboration with product development and technical team.

- Researched and presented market trends to merchandising in preparation for seasonal development
- Focused extensively on learning material and manufacturing processes to lower production cost
- Developed and designed 10 innovative solutions to enhance and evolve the current inline product

Girl's Sport Design Intern / CA / May 2024 - August 2024

Worked cross functionally with the product development and technical team

- Researched trends and made shopping reports for the design team and product line management
- Created 3 out-sole technical drawings for inline concepts of the 2026 Spring Season
- Conceptualized renderings, and explored colorways creating PO samples

VIDA

Product Design Intern / NY / January 2023 - April 2023

Collaborated with the design, sales, and merchandise team for Carter's and Osh Kosh B'Gosh.

- Trend shopped and researched existing market with the design team
- Designed inline product, creating tech packs by specifying colors and materials
- Created seasonal line sheets for seasonal catalog
