

## 2016 Beneteau Oceanis 48

### Introduction

Cruiser buyers look no further! Step aboard this stunning Beneteau Oceanis 48 and discover a whole world of luxury, comfort and adventure!

Australian registered vessel BonBon, is a beautifully conceived cruiser from the design board of Berret Racoupeau and built by Beneteau Yacht France. Her modern deck layout and systems including an electric winch make sailing a breeze whether it's with friends or easily managed shorthanded. A Bow thruster and windlass control at the helm makes for easy docking and anchoring.

The cockpit space is unrivalled to her competitors with plenty of space for your guests to wine and dine, or perhaps you'll prefer to put your feet up and relax on the wide bench seats. The electrically controlled transom converts to your own private getaway, nice and low to the sea with a large swim ladder for easy access in and out of the water.

Down the gently sloped staircase to below decks and you are treated with a light filled saloon both comfortable and relaxing from the highly regarded Nauta designed interior. With her 3 luxurious double cabins and 2 head layout with separate shower, Bonbon provides comfortable accommodation for up to 8 guests especially in the colder months with diesel heating plumbed throughout. A well-equipped galley features 2 refrigerators, a 3 burner Gas cooker and ample storage.
