# PIPA

PIPA is CLSQ's online platform for ordering Legal Indemnity Insurance, quickly and easily. Designed for conveyancers and property professionals, it provides instant quotes and online cover.

## Why?

Users can access a wide range of legal indemnity policies, tailor cover to the specific property risk, and secure protection without delays in the transaction process.

For more complex cases, enquiries are seamlessly referred to CLSQ's specialist underwriting team. By combining fast digital quoting with expert underwriting support, PIPA helps firms obtain cover quickly and move transactions forward with confidence.

## Product Highlights

Instant online quotes with cover placed in minutes

Access to 75+ legal indemnity policies

Broader risks available online, reducing the need for referrals

Cover for standard and complex transactions

Higher limits of indemnity up to £10m

AA-rated insurer capacity

Specialist underwriting support when needed

## Key Features

Fast, intuitive quoting system

Backdate cover up to 30 days

Multi-user case files so teams can access and complete orders

Cover multiple properties within a single case

Automatic referrals for complex risks

Access to the CLSQ IQ training academy
