Family Devotion & Lighthouse Questions to Help Apply This Week's Sermon

March 29, 2026

1. Why do you think the same crowd can shout, "Hosanna!" on Friday and crucify Him days later? What does this reveal about human nature and our own faith?
2. Caiaphas – Have you ever resisted God because it might cost you something important? (reputation, comfort, control) What was at stake and how did you respond?
3. Judas – In what ways can we treat our relationship with God as "What's in it for me?" How can we shift from using God to truly following Him?
4. Herod – Do you ever treat spiritual things lightly instead of taking them seriously? What would it look like to truly respond to Jesus?
5. Pilate – Where in your life are you tempted to stay neutral when you know what is right? What would it look like to choose truth over comfort or pressure?
6. What is one thing in your life you may be trying to preserve instead of surrendering to God? What step can you take this week to fully surrender it?
