

LETTERS TO THE 7 CHURCHES OF REVELATION

Revelation 2:7

Family Devotion & Lighthouse Questions to Help Apply This Week's Sermon

September 6, 2026

1. Jesus commended the church for its love, faith, service, and endurance but then confronted what they were tolerating. How can we be doing many good things for God while still overlooking an area of compromise in our lives?
Read Revelation 2:19-20.
2. Our culture often confuses tolerance with love. How can we genuinely love people without approving or affirming choices that are contrary to God's Word?
Read Revelation 2:20 and Ephesians 4:15.
3. What you tolerate today can dominate you tomorrow. What are some small compromises Christians can begin tolerating that may eventually gain greater control over their lives? Read Revelation 2:20-22, James 1:14-16, and Proverbs 4:23.
4. Instead of looking at what our culture tolerates, what is one area of our own lives where we need to ask, "What am I tolerating that Jesus wants me to change, and what action plan can I take?" Read Revelation 2:21-22, 1 Corinthians 10:13, and Romans 13:14.
5. What is one thing you need to stop tolerating, one truth you need to start living, or one conviction you need to hold onto this week?
